Your President Imagines... "Fulfilling Big Dreams" ... *Pres. Miranda G. Varon*

" And that you esteem them very highly in love because of their work. Live in Peace with one another."

1st Thessalonians 5:13

August is Membership and New Club Development Month.

This is a great opportunity for us to honor, celebrate and show gratitude for our members for the amazing things that they do to serve our communities.

We need more of these kindhearted people who are serving others, who are relentless in their pursuit to help and do good especially to those who need help the most.

The brand of passionate people who will not flinch in giving more of their time, energy and treasures for a great cause of ending poverty, of ensuring healthy lives and promote well-being for all ages and other sustainable development goals and worthy causes.

How do we attract them? How do we make them stay?

The answer is love. Agape love.

"Beyond all these things put on and wrap yourselves in unselfish love, which is the perfect bond of unity ("for everything is bound together in agreement when each one seeks the best for others") Colossians 3:14

Every member needs to be respected, valued, accepted, mentored and cherished in our Club. There should be no room for hatred and negativity. No fear of being reprimanded and humiliated in public and in front of colleagues for a petty mistake. No bullying. No shaming. No blaming .

Compliment in public, constructively criticize in private.

If we can achieve this, only then that we can grow our Club, and attract more members who will inject new ideas, new innovations in the delivery of humanitarian service and who will make Rotary more vibrant and interesting and worth your while. A healthy place where everyone is happily doing good work to others and Serving Above Self.

To All Rotary Club of Kandaya Members, Congratulations for still being a part of Rotary and serving our Communities for 30 long Years. Your perseverance and hard work are inspiring. Thank You for the motivation and encouragement to learn more about Rotary. They are guiding me now as I take on the role of a leader. Hope we are going to raise more future leaders in our Club.

AUGUST IS
MEMBERSHIP AND NEW CLUB DEVELOPMENT MONTH

Rotary's strength lies in the sincerity of purpose of its members.
Estees Snodgrass, Rotary Club of Portland, Oregon, 1921 Rotary Convention

Rotary

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary

MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

Rotary

ROTARIAN CODE OF CONDUCT

As a Rotarian I will,

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

Presidential Message August 2022

Jennifer Jones
President 2022-23

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism — an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity — the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion. Our values remain our strength — and our commitment to excellence requires us to maintain high standards for our members as well.

I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come.

A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership.

During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would "go to the moon [and do] other things, not because they are easy, but because they are hard."

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

New Beginnings...

The new Rotary Year just started. It is a point for Kandayans where one chapter transitions into the next. New year is a new beginning. The secret to a good life, I have found, is to pay more attention to the beginnings than the endings. New year is a chance to bring positive and productive changes.

We are humans with good and bad bundled together. Washing away unwanted habits from us and cultivating new habits and better ways of doing things as a part of life is necessary. Setting new disciplines is a good move to renew ourselves year after year.

There are five little words that can release us from our past struggles and guide us forward. These words are “From now on, I will...”

Let us try this... I would like to take off from our first regular meeting last August 24, 2022, when one of us, during the Finest Moments expressed her wish that meetings start on time. In response to that wish, may we now all together commit to say:

“From now on, I will be punctual and start or cause meetings to start on time.”

Are there other resolutions you want to add? There is always a room for a new habit, a new step, a new beginning...

Happy Birthday
