# Your President Imagines... "Fulfilling Big Dreams" ... *Pres. Miranda G. Varon*

***For wisdom is protection just as money is protection, but the advantage of knowledge is that wisdom preserves the lives of its possessors.***

*(Ecclesiastes 7:12 New American Standard Version, Studylight.org)*

September is Basic Education and Literacy Month.

The Rotary Club of Kandaya endeavors to support communities in its effort to deliver basic education and literacy to all. As one of the Seven Areas of Focus, we have conducted numerous projects for this worthy cause to help our fellowmen increase their capacity to achieve well-being, viz:

1. Continuing partnership with the Government and Non-Government Organizations and other Community partners to help the Children be able to read and write utilizing the Mini Library and Learning Center Space at the GMA Kapuso Village.
2. Making schools healthy by providing clean water facilities and washing areas, teaching students proper handwashing, proper eating and giving them hygiene kits.
3. Donating books and other educational paraphernalia to different schools.
4. Helping our students be morally grounded, be disciplined and become upright citizens thru reading bible story books and puppetry.

There are still a lot of opportunities for us to help all sectors of society like the LGBT, women, men, out of school youths, girls and children achieve basic education and literacy. Our goal is that, no one should be left behind in everyone's right to know how to read and write, learn skills, develop their talents and be able to reach their highest potentials.

To the lovely Kandaya ladies, let us not waver in our intent to serve our communities, to give them hope for a better future, to improve their lives, improve their health, reduce poverty, spur economic development in their respective areas and promote peace.

So then we pursue the things which make for peace and the building up of one another.

*(Romans 14:19 New American Standard Version, Studylight.org)*

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# Rotary

## THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

# Rotary

## MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

# Rotary

## **ROTARIAN CODE OF CONDUCT**

As a Rotarian I will,

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

## Presidential Message September 2022

Jennifer Jones  
President 2022-23

*Recently, Nick and I spent time in Guatemala, where we met wonderful fellow Rotary members and families who unofficially adopted me as “Tía Jennifer.” On the third day, after visiting Patzún in the mountainous western highlands, we set out for Lake Atitlán, which we needed to reach by nightfall. If we took a back road we could get there faster. Locals told us it had just been repaved and assured us, “You’ll have no problem.”*

*At first, it was a breeze. We wound through misty-green coffee and corn fields covering the hillside like a patchwork quilt. But at a river crossing, we found a bridge washed away. The only way to continue would be to ford the river in our small bus. There were a few tense moments, but we decided to give it a try and, thankfully, we made it across safely.*

*This adventure reminds me of two important truths in Rotary. One, we rely on local, on-the-ground expertise to do what we do best. And two, sometimes you have to take uncomfortable chances to reach important goals.*

*Every day, I am honored to learn from our Rotary family. Every lesson is an opportunity to grow, and each story adds a chapter to our collective Imagine Rotary year.*

## Education and Literacy

Often equated with education, is literacy, which is the ability to read and write. But they are not actually the same. The complete development of a person in terms of knowledge, sensibility and most important, behavior, is education. A person who is literate in language is considered illiterate when he goes to a foreign land having another language, but his behavior will reflect his educated mind everywhere.

Literacy cannot make person wise, but education can. An educated person can only bring around changes in society and contribute to its development. A person can be called well-educated only if his knowledge is reflected in his actions. The use of foul language and abusive words can't be considered as that of an educated man. Actions of an educated person is imbued with calmness and consideration for others. Literacy can be forgotten but education cannot. Instructions end in the school, but education ends only with life.

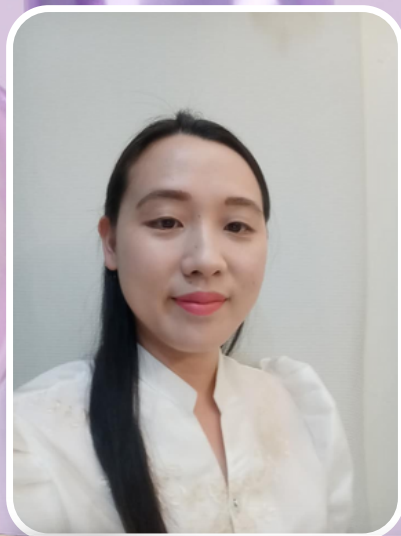

We can think of an educated country if we have a literate country. Literacy is a step towards education and if one fails in this basic step then it becomes difficult to be educated. To make people and children educated, we must all work together- government, schools, parents, church, Rotary. In fact, basic education and literacy is one of the Rotary Foundation's six areas of focus. Rotary's goal is to strengthen the capacity of communities to support education and literacy.

The goal of education is not necessarily the mastery of a subject but the mastery of a person. I would like to end with Joseph Addison's quote: **"What sculpture is to a block of marble, education is to a human soul."**
