Rotary

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary

MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

ROTARIAN CODE OF CONDUCT

As a Rotarian I will,

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

Your President Imagines...

"Fulfilling Big Dreams"...

Pres. Miranda G. Varon

The United Nations Sustainable Development Goal 4—Education—prioritizes ensuring inclusive and equitable quality education and promoting lifelong learning opportunities to all. The United Nations reports that the COVID-19 pandemic has deepened a global learning crisis. An estimated 24 million students (pre-primary to university level) may never return to school. Communities are prioritizing getting students back into in-person learning environments, rebuilding and enhancing school infrastructure—from reliable electricity to safe drinking water and needed sanitation systems along with hygiene habit training—to meet learning needs, training, and supporting teachers.

Rotary members around the world are helping educators, students, and their families access needed infrastructure, resources, and training to ensure all students are receiving an inclusive and equitable quality education.

(Source: Support Rotary's commitment to quality education for all rotaryserviceblog.org)

We can refer to the blog to see a few examples of various basic education and literacy projects that seem to be ideal for our local communities that we can adopt. We can also review the Basic Education and Literacy Project Strategies Guide or contact the Basic Education and Literacy Rotary Action Group for additional support and assistance.

Our commitment to serve the needs of our communities may still be long and arduous, but with us working together, nothing is too difficult a task.

The Guatemala Literacy Project is working to reverse the country's low literacy rates and keep children in school

When Rotary International President Jennifer Jones visited a primary school in a farming village in Guatemala's highlands and asked who wants to become the country's president, the students' hands shot into the air. Before a Rotary-supported reading program began in the village of Chajalajjá, students would often drop out after a couple years of school. "Reading will change our society," Principal Vilma Nizeth Moreira told Jones during an April visit to the school. "These are powerful tools we are giving children to eradicate ignorance." Schools often teach in Spanish, but about 25 languages are spoken in the country, and there are few written materials in local languages.

The Guatemala Literacy Project has worked for 25 years to improve reading rates. In 1997, Joe and Jeff Berninger, brothers from Ohio, were volunteering as English teachers at a Guatemalan school that had no books. The two launched a project to solve that. The day the books arrived, there was a huge celebration, and a Rotarian dentist volunteering nearby heard the noise and asked what was going on. "He said this would be a perfect project for Rotary," says Joe Berninger, now a member of the Rotary Club of Pathways, Ohio, which coordinates the project.

Vilma Nizeth Moreira, the principal of a primary school in the village of Chajalajjá, has seen firsthand the students' success with help from the Guatemala Literacy Project.

Rotarians in Guatemala helped develop reading programs in other schools, and since 1997, The Rotary Foundation has helped fund the literacy project with 48 grants totaling \$6.5 million. Nearly 800 clubs in 90 districts have participated, making it one of the largest grassroots, multiclub, multidistrict projects in Rotary. The initiative also receives support from the U.S. nonprofit Cooperative for Education. "There's a lot of push and drive and enthusiasm that comes from Rotary," says Howard Lobb, Cooperative for Education's director of partner development, also a member of the Ohio Pathways club.

From that initial textbook project, the work has grown to include computer labs, Rise Youth Development Program scholarships, and the Spark Reading Program to provide books and teacher training.

Students pay a fee to rent textbooks, and the money is put into a revolving fund, used to replace the books after five years. "Rotary's donation acts as a seed investment, and when textbooks wear out or become outdated, the school ... can replace their textbooks with their own savings without having to ask Rotary for more funding," Lobb says.

Moreira, the village school principal, recalls a former student who stayed in classes thanks to a Rise scholarship and is headed to university. The girl read a book about Nobel Prize winner and Pakistani activist Malala Yousafzai that Moreira lent her. "Now this girl wants to be as big as Malala," she says. "It changed her life."

PRESIDENT'S INAUGURAL SPEECH

3 Things I like about Rotary

1. Rotary is a Humanitarian Service Organization which brings together business and professional leaders to provide community service, promote integrity and advance goodwill, peace and understanding in the World.

2. Rotary is unique. It is the only Organization that the Membership is by invitation only. You cannot apply to become a member. Membership has certain qualification standards based on various social factors.

3. In Rotary you make good things happen. For you, for your family, for your friends and for the Community. You are called to give back to the Community the opportunities that have been given to you. In turn, you experience the true meaning of life as you share yourself to the people around you.

As Swami Vivekananda says and I quote "The more we come out and do good to others, the more our hearts will be purified and God will be in them."

This is true because in Rotary we have the secret for Happiness and that secret is "Helping Others."

If you see people who are happy, you can ask them and it will turn out that they are Rotarians doing good work for others.

For our beautiful Ladies of the Rotary Club of Kandaya , as Your President I will lead the Way To Imagine how we can fulfill big dreams not only for ourselves but for others as well.

For my Family, I will be needing your support as I embark on my role as President for RY 2022-2023.

Together let us Imagine Rotary "Fulfilling Big Dreams.

Thank You very much and Good evening.

Striving To Become

PAG Cathy Bonavitacola

Each Rotary Year, the clubs are challenged to perform in accordance with the goals and thrusts of Rotary International worldwide. Like others, we are striving to become Rotarians at heart.

In our journey to becoming, there are times when we become tired and frustrated. Membership suffers, and projects are affected. Like a ship, we need a captain to steer us in good and bad weather for us to reach port safely.

Where are we now in the voyage of becoming? We are just starting and doing fine, but not without the usual headaches, little frustrations and disagreements. This is normal, and healthy. this is also part of becoming.

The striving to become is indeed difficult. It has to do with the way we think about ourselves, others, about the way we serve them, and our responsibility towards the club and to each other. Becoming is like the birth process - painful but full of promise.

Becoming what? You may ask. Becoming several ideals that embody the Rotarian spirit.

"Kita Naman"

Written by: Wendel Palencia

Posted on June 28, 2022, Philippine Rotaract Magazine

"Kita Naman", is a waray-waray phrase commonly used in eastern Visayas, a reminder of the devastating effect and lesson of hope during Typhoon Yolanda last November 8, 2013.

Now, it's time to pay-back the blessings and help that we received during those times of challenge and calamity. The Rotaract Club of Kandaya Tacloban came up with the "Kita Naman", a relief operation and a flagship project that brings help and assistance to its beneficiaries.

1st Wave at Abuyog Community College with Rotaract Club of Kankabato, Rotaract Club of Central Tacloban, Rotaract Club of Tacloban and 546 th Engineer Construction Battalion, 53rd Brigade Philippine Army. A total of 168 beneficiaries were given relief packs, clothing and hygiene kits.

The first activity was held last April 16, 2022. A total of 168 beneficiaries located in five different evacuation centers at Abuyog Leyte received help from the "Kita Naman" relief operations. This was made possible by the help of our partner clubs and agencies in District 3860, (Rotaract Club of Kankabato, Rotaract Club of Tacloban, Rotaract Club of Central Tacloban and RAC Calbayog) and the 546th Engineer Construction Battalion, we were able to collect and distribute relief goods, clothings, and hygiene kits to typhoon-victims.

2nd Wave at Brgy. Balucawi Evacuation Center, Abuyog Leyte with Rotaract Club of Kankabato, Mindanao State University, and Malungon Youth Development Council. A total of 137 beneficiaries were given water jugs, relief packs and hygiene kits.

Our strong linkages with Rotaract Club of Kankabato, Mindanao State University, Malungon Youth Development Council, Paaralan para sa Sarangan Organization, CM and Malungon Youth Movement, also made the second wave of relief operations possible. This was held at Balucawi Evacuation Center, Abuyog Leyte last May 7, 2022 and a total of 137 beneficiaries were given relief packs and hygiene kits.

3rd Wave at Brgy. Utanan and Brgy. San Antonio Hilongos, Southern Leyte with Rotaract Club of Kankabato, PATTS Student Council (PATTS College of Aeronautics), and 546th Engineer Construction Battalion, 53 rd Brigade Philippine Army. A total of 100 beneficiaries were given relief packs, used clothing and hygiene kits.

Last May 24, 2022, the Rotaract Club of Kandaya Tacloban launched its 3rd wave of relief operations at Brgy. Utanan, San Antonio Hilongos, Leyte in partnership with the 546th Engineer Construction Battalion. Sharing with the beneficiaries them a total of 100 packs of hygiene kits and canned goods.

From Tolerance to Valuing and Celebrating Difference

The Rotary International recognizes the value of diversity, equity and inclusion.

Diversity refers to all the ways in which members differ. It is any dimension that can be used to differentiate groups and people from one another, in terms of age, profession, religion, disability, education, ethnicity, SOGI- sexual orientation and gender identification, or even personality such as introverts or extroverts. Diversity means understanding one another by surpassing simple tolerance to truly valuing and celebrating their differences.

The Classification Principle of Rotary supports diversity and inclusion as it makes an effort to assure that each Rotary club represents a cross section of the business and profession of the community. Each member brings a diverse set of perspectives, work and life experiences. The power of diversity can only be unleashed and its benefits reaped when we recognized these differences and learn to respect and value each member regardless of their background.

Equity is about creating fair access, opportunity and advancement for all different people. It is about creating a fair playing field. One's identity cannot predict the outcome.

Inclusion is appreciating our differences. It is the club's efforts and practices in which different groups or individuals are culturally and socially accepted or welcomed. Inclusion is a sense of belonging. Inclusivity makes people feel respected and valued. Members feel a level of supportive energy and commitment from officers and other members, so they can contribute to the club and do their best. Inclusion also means a shift in the leadership's and club's mindset that has visible effects, such as participation in meetings, projects and fellowships, or access to club information.

Simply stated: Diversity is the mix and Inclusion is equitably getting the mix to work well together.

Diversity, Equity and Inclusion leads to the enhanced innovation, creativity, productivity, reputation, engagement and results – all essential to the success of any and all clubs and organizations, the Rotary Club of Kandaya, included.

DIVERSITY, EQUITY, AND INCLUSION CODE OF CONDUCT

ROTARY CORE VALUES:

Fellowship
Integrity
Diversity
Service
Leadership

This code of conduct reflects our core values and explains the responsibility that comes with being a Rotarian and Rotaractor, which includes members from nearly every country in the world, speaking over 100 different languages. We are committed to upholding and evolving this code as our organization grows.

Like our core values, we expect Rotarians and Rotaractors to exemplify this code of conduct as they interact with one another, Rotary program participants, Alumni, project partners, and members of the community. Specifically, the code of conduct applies at all club, district, zone, and Rotary International meetings, trainings, events, and anywhere else a member represents Rotary and on My Rotary and social media

Expectation:

All club members and other participants including Rotary program participants, Alumni, project partners, and representatives of Rotary are expected to comply with this code of conduct, be considerate and contribute to a collaborative, positive, and healthy environment in which all are respected and valued.

USE RESPECTFUL LANGUAGE

- When you first meet someone, introduce yourself and explain how you would like to be addressed, including your preferred pronouns (he/him/his, she/her/hers, they/them/theirs). Call others by their preferred name, rather than using a nickname that is easier to pronounce.
- When addressing larger groups, utilize gender neutral words to avoid gender assumption.
- Use active listening to deepen your understanding of others.
- Be conscious of language use and adapt depending on region. Some wording is acceptable in some cultures but unacceptable in others.
- Avoid slang or idioms that do not translate across cultures or be deliberate in explaining them to share our diverse cultures and languages.
- Speak plainly and avoid acronyms and jargon that not everyone may understand.
- If you are curious about someone's cultural background, faith, sexual orientation, gender, or another characteristic, ask if they are open to sharing more about themselves. Refrain from asking if the topic is not relevant to your conversation.
- Foster an atmosphere of intergenerational dialogue and avoid describing anyone by their age.

BE SUPPORTIVE

- Be an ally and advocate for others and be ready to intervene when you see a need.
- If you see or hear something inappropriate, address the behavior in a way to offer support to those affected.
- As a member of Rotary, uphold the Code of Conduct, build this culture within your club experience, and address any issues as they arise.

FOSTER A WELCOMING AND INCLUSIVE ENVIRONMENT

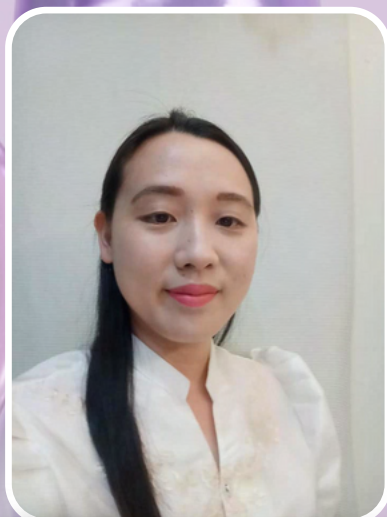

- Ensure every member and participant can fully engage in any meeting, event, or activity that you organize in person or online by offering an accessible venue, simultaneous interpretation, closed captioning and/or transcripts, and other resources as needed.
- Review any club or program traditions and stop or change activities that may be offensive or alienating to a specific group.
- Create a welcoming environment and include all in conversations, projects, and events.
- As much as possible, pay attention to nonverbal communication such as eye contact, facial expressions, tone of voice, personal space, gestures, and posture, and how it impacts your ability to engage with and relate to others.
- Know the important dates of various religions and schedule events and activities in a way that is inclusive and considerate of people who observe them.
- Be aware of people's dietary and health restrictions.
- Open opportunities for everyone to hold leadership roles in your club and district or engage with your community partners.

CELEBRATE DIVERSITY

- Increase your club's awareness, understanding, and acceptance of people with disabilities.
- Celebrate a variety of cultural events and religious observances, rather than continually conducting service projects or hosting events associated with a single culture or religion.
- Acknowledge and celebrate significant dates relevant to diversity.
- Avoid stereotyping and mocking any specific group.
- Acknowledge and celebrate different genders.

Birthday
