PRESIDENT'S NOTE

August is membership and new club development month. This is the month of the year that we celebrate our membership to Rotary.

It is the best time to say it out LOUD and say it PROUD-WE ARE ROTARIANS!

PRESIDENT KATHLEEN A. QUINTERO
R.Y. 2023-2024

We've posted activities and documented this through our Facebook page, we've exchanged ideas and strategies that have or will benefit our communities. We have grown our attendance to service projects and meetings, we've shared our story on social media.

In our next meeting, we will be voting on 6 prospective members with diverse classification who will bring fresh ideas to the table.

The big challenge here is not just to grow our membership but to sustain existing members, keeping them engaged and interested in our service projects, meetings and fellowship.

Last August 23, 2023, we had our first regular meeting and fellowship. We had a good attendance, we enjoyed the discussion and had a healthy exchange of ideas, good food and beautiful company.

See you all in our next service project and meetings.

**Mário César Martins de Camargo of Brazil
selected to be 2025-26 Rotary International President**

By Etelka Lehoczky

Mário César Martins de Camargo, a member of the Rotary Club of Santo André, São Paulo, Brazil, is the selection of Nominating Committee for President to become Rotary International's president for 2025-26. He will officially become the nominee on 15 September if no other candidates challenge him.

De Camargo plans to boost Rotary's public image by working from the top down.

"Rotary today has strong competition for members and funds," he says. "We need to rejuvenate the brand, especially in some zones. We should utilize post-pandemic meeting tools ... to allow the president to address Rotarians all over the globe. We also need to develop more long-term partnerships with political, community, and business leaders. Let's emphasize our greatest asset: 1.4 million volunteers."

He also hopes to improve Rotary's process for appointments and governance.

"Rotary should adopt a more transparent system to appoint volunteers for positions, with clear criteria and data-based evaluation of results," he says.

De Camargo was president of Gráfica Bandeirantes and has been a consultant to the print industry in Brazil. He has also served as president and chair of several printing and graphics trade associations, including the Brazilian Association of Graphic Technology and ABIGRAF, the Brazilian Printing Industry Association.

He has served on the board of Casa da Esperança (House of Hope), a hospital sponsored by his Rotary club that serves 150,000 children with disabilities every year.

De Camargo studied in the U.S. and Germany and holds degrees from EAESP-Fundação Getulio Vargas in business administration and Faculdade de Direito de São Bernardo do Campo in law. He was a Youth Exchange participant to Minnesota, USA, in 1974-75, which inspired a lifelong commitment to the program.

A Rotarian since 1980, de Camargo served as his club's Youth Exchange Officer in 1981, at age 24. He has served Rotary as director, trustee, RI learning facilitator, committee member and chair, and task force member.

De Camargo and his wife, Denise, are Major Donors and Benefactors of The Rotary Foundation.

To learn more about de Camargo, read his interview and vision statement, which outline his goals for Rotary.

The members of the Nominating Committee for the 2025-26 President of Rotary International are:

Larry A. Lunsford (chair), Rotary Club of Kansas City-Plaza, Missouri, USA; Mary Beth Growney Selene (secretary), Rotary Club of Madison West Middleton, Wisconsin, USA; Şafak Alpaz, Rotary Club of Istanbul-Sisli, Turkey; Ann-Britt Åsebol, Rotary Club of Falun-Kopparvågen, Sweden; James Anthony Black, Rotary Club of Dunoon, Argyll, Scotland; Basker Chockalingam, Rotary Club of Karur, Tamil Nadu, India; Celia Cruz de Giay, Rotary Club of Arrecifes, Buenos Aires, Argentina; Susan C. A huge congratulations to Rotary Club of Kandaya, Tacloban through the exceptional leadership of IPP Miranda G. Varon for receiving the 2022-2023 Rotary Citation, the highest recognition to be awarded in any Rotary Club.

From the Editor...

As we all know, the month of August is for membership and new club development. This is the time wherein we memorialize our sense of community with rotary. The plight of most organization nowadays is not on the process of recruitment and selection of eligible new members, rather on the holistic growth of its members.

How do we increase our membership in our club? How do we constantly involve our old members so that they may still feel the fire burning as Rotarians? These are the questions that are oftentimes the predicament in every rotary club.

I came across these helpful tips from My Rotary on how to increase membership in our club:

- Assess and adapt:** we have to be resilient to change and be able to adjust to pressure.
- Engage current members:** this is very essential in every Rotary Club, we have to encourage and involve all members in our projects and services, fellowship and meetings, recognizing our members for their invaluable service to our club.
- Connect with prospective members:** for me, this is a vital step in membership, as the task is not left on finding new members, rather, it is educating the prospective members in all things rotary and following the protocol.
- Make new members feel welcome:** we have to inspire new members to take a step towards rotary ways, so that they may have a rewarding rotary experience.

- Create an inclusive club culture:** it is learning what makes our club unique. What makes up a Kandayan? We are a club of empowered women with diverse classification with the same rotary goal of service above self.
- Strengthen your club:** we have to create both short and long term goals on how to boost our club's performance and helping our members improve their leadership skills.
- Stay current:** it is updating ourselves with the current trends, achieving new learning experiences through research and innovation.

Looking back with my journey as a Kandayan, I am humbled to be a part of rotary, grateful for the opportunity to be of service, fortunate to have met these wonderful women who dedicate their time and resources for the accomplishment of Rotary Services.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders
