ROTARY CLUB OF KANKABATO
PROPOSED "CLUB HOUSE"

Meets every Wednesday @ Seafood Ribs Warehouse, Palo Leyte at 7:00 p.m.

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test

- Of the things we think, say or do
- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

RI PRESIDENT'S MESSAGE

Mark Maloney
RI President RY 2019-2020

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years. Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago. Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan. There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant. World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do. This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation. Once you have created an event, register it at endpolio.org/register-your-event. Then promote it using the World Polio Day toolkit, available at endpolio.org/world-polio-day. Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network. When we reach our goal, polio will become only the second human disease eradicated on the planet, and Rotary will receive international acclaim. But what matters most is the children who will never again have to face this terrible, disabling virus. Rotary must continue to connect the world in the effort toward polio eradication. It is up to us. Let us finish the job.

PRESIDENT'S MESSAGE

Pres. Alvin M. Alimangohan

Champion President 2019-20

Fellow Rotarians,

As Rotarians we should be proud that something good happens every day because of us.

On the 24th of October is World Polio Day in Rotary calendar, to help raise the awareness and the funding we need to reach full eradication.

As a club we are ask to take part by holding an event in our club, in our community or in our District. On this day, Area 3B of District 3860 which our club belongs will be having Polio Vaccination at the gym of Brgy. Diit, Tacloban City, activity will start at 8:30a.m. This is in partnership with the City health Office (CHO), and Department of Health (DOH-VIII) Region VIII, your presence will be appreciated.

The fear of Polio waives, so does awareness of the disease, it is virtually important to keep that awareness high and to push for total eradication of Polio to the top of the public agenda and our governments' priorities, our work to eradicate Polio isn't over yet, much more so that a month ago we read and heard from news that cases of Polio has been detected again here in our county (Philippines), but ROTARY is in it to end it.

Let me take this opportunity to greet our birthday celebrants this October. Happy birthday to two gorgeous ladies, PP Analiza Yu (October 27, 2019) and PP Chickay Obaob (October 11, 2019)

Years in Rotary.
