## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## The Four Way Test

- Of the things we think, say or do
- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

# HOLGER KNAACK

RI President, RY 2020-2021

The year 2020 has brought monumental changes that have already included a global pandemic and a renewed call for social justice. We are reminded that we live in a constantly changing world, and Rotary is a reflection of that world. We must be ready to listen and adapt, always drawing upon our core values of service, fellowship, diversity, integrity, and leadership. If we live these values and apply The Four-Way Test to all aspects of our lives, we will be prepared to lead at all times. I am proud of how we have proven our ability to adapt. Faced with a pandemic, Rotary has not stopped. We moved meetings online and found new ways to serve. We turned the canceled 2020 Rotary International Convention in Honolulu into our first virtual convention. Each week, we are proving that Rotary is a flexible gathering that happens anywhere — in traditional meetings, on cellphones, and on computers. Rotary offers a way to connect for everyone who wants to, at any time, and will continue to do so. Some have even told me that they enjoy Rotary's mix of online and in-person meetings more now than before! How can we build on this momentum and seize the opportunity to embrace change so that Rotary keeps thriving? For me, supporting new types of clubs is key. They are no longer just experiments but a real part of Rotary today. In addition to traditional clubs, we have e-clubs, Rotaract clubs, cause-based clubs, and passport clubs. These help make Rotary more inclusive, more flexible, and more attractive to new members. Visit these clubs, exchange ideas and partner with them, and promote them to one another and to our communities. We all agree that we need to grow Rotary, but sometimes we can get caught up in the numbers game and lose sight of the bigger picture. After all, an increase in membership is meaningless if next year, those new members leave our clubs. Let's grow Rotary sustainably. Rotary's flexible options for participation will engage members and show the community how we're different from any other club. Let's celebrate that Rotary is now less about rules and more about joining together in a variety of ways besides traditional meetings. I recommend that each club hold an annual strategy meeting to ask — and honestly answer — if we are doing all we can for our members and if our club reflects the community we serve. We are taking this approach at the international level, too. I am proud that six women are serving with me on the RI Board of Directors this year, the most we have ever had. Let's keep Rotary moving in this direction at every level. We need more perspectives, more diversity, for Rotary to thrive. It's fascinating to imagine how we will find new ways to adapt and stay nimble this year and beyond. But I am also inspired about what hasn't changed and never will in Rotary: the friendships, the networking, the ethics, and the service. Indeed, these are the values that make Rotary attractive to all. As Rotary's founder, Paul Harris, said, we have to be revolutionary from time to time. Now is such a time. Rotary Opens Opportunities — countless ones — for us to embrace change that will strengthen us even as we remain true to our core values.

# ROSTER OF MEMBERS

## PRES. ALLAN L. BARGAMENTO TRANSFORM PRESIDENT, RY 2020-2021

Taking the helm of a Rotary Club is a great challenge in itself, but doing the club presidency in the time of CoVid19 Pandemic has multiplied the challenge and difficulties. It is but natural for us to take precautionary measures to protect ourselves and our family from the pandemic, some of us choose not to be personally with us but they are present in spirit and via online communications.

My Rotary story starts with an invitation from my batchmate Lovell Basada to be part of a Rotary meeting, and seeing common friends in RC Kankabato like Rotarian Jojo Garcia and others made the entry to Rotary in 2013 easy. With the 2013 Typhoon Yolanda experience , I have seen the advantage of Rotary International, the foreign clubs , Philippine clubs and the district assistance to members and the community was splendid. It was seen again after the aftermath of the Typhoon Urduja last 2017 when foreign clubs , Philippine clubs and the district assistance poured to the community. Such actions by Rotary clubs strengthens my resolve that indeed I made a correct decision to be part of Rotary International.

All Rotarians have the capability to lead the club, all being successful businessmen and Professionals. I am honored of the selection by my fellow Rotarians last year to be the President-Elect of the club. I made preliminary plans on club projects to be undertaken but now with Covid19 Pandemic still going wild around the world , our country and in our communities, everything goes back to concept stage, plans are now not applicable to the "new normal". Yet despite this difficulties our club have already conducted two community service projects (donation of 50 reams bond paper to Sta. Fe Stand-Alone Senior High School and distribution PUV Stickers to remind passengers on wearing masks ) and one on-going "Lokal Wifi" with JARMSES elementary school in Abucay, Tacloban City. That's what successful Businessmen and Professional do in times of sudden uncertainties, we persevere, we adapt.....our club will persevere and our club will adapt.

One of the preliminary plans I have conceive was to advocate the "Climate Change or Global Warming " issue among my fellow Rotarians and the High Students in our community despite it not being included in the area of focus. And just this June, The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: supporting the environment, and again I say I am in the right organization.

Most of businesses and professions have been severely affected by the on-going CoVid19 pandemic, we feel the downturn and difficulties in economic activities. As we feel the "hurt" , our communities and the general public feel it more than us. As our club service projects help our community is this time of pandemic, as they improve their lives, this will also lift our businesses and professions.

A Rotary Club is a community service oriented club, while taking precautionary measures to protect ourselves and our family from the Covid19 Pandemic, let's continue doing our goals and objectives as a club. Our community needs Rotary now more than ever, let's show our communities that RC Kankabato will be there through large or small acts of kindness and service. It is up to us to make sure that Rotary Opens Opportunities for us to help with friends and sister clubs all over the world and the community to receive. As always , we Rotarians do .... Service Above Self.
