## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## The Four Way Test

- Of the things we think, say or do
- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

HOST

# SHEKHAR MEHTA

President 2021-22  
Rotary Club of Calcutta-Mahanagar

As we focus on membership in Rotary this month, I ask you to help make history this year. For more than 20 years, our membership has stood at 1.2 million. Rotary is a vibrant organization with a 116-year history, members in more than 220 countries and geographic areas, and a rich legacy of work in polio eradication and other humanitarian programs. Rotary has changed so much in our own lives and the lives of others. As we Serve to Change Lives, don't you think Rotary could have an even greater impact on the world if more people were practicing Service Above Self?

My vision is to increase Rotary membership to 1.3 million by July 2022, and the call to action is simple: Each One, Bring One. This year, I want every Rotarian and Rotaractor to introduce a new person into their club.

We are a membership organization, and members are our greatest asset. You are the ones who contribute so generously to The Rotary Foundation. You are the ones who dream big to bring good into the world through meaningful projects. And of course, you are the ones who have put the world on the brink of eradicating polio.

As we make membership a priority this year, let us focus on diversity by reaching out to younger people and especially to women. Every club should celebrate its new members, and every Rotarian who sponsors a member will be personally recognized by me. And those who are successful in bringing in 25 or more members will be part of our new Membership Society.

Even as we share the gift of Rotary with others, let us be sure to engage these new members, because an engaged Rotarian is an asset forever. And remember that engaging our current members and keeping them in our clubs is just as important as bringing in newcomers. Let us also be ready to form new clubs, especially flexible ones. I am very bullish on clubs that hold virtual or hybrid meetings, and satellite clubs and cause-based clubs can also be very effective ways of growing Rotary.

As you grow more, you will be able to do more. Let us keep empowering girls through our work in each of the areas of focus. Scholarships for girls, toilets in schools, health and hygiene education — there is so much we can do. Projects focused on the environment are also attracting interest the world over. Do participate in these projects locally and internationally to make this world a better place for us and for all species.

Each of you is a Rotary brand ambassador, and all of the wonderful work done by Rotarians around the world needs to be shared outside the Rotary community. Use social media to tell your friends, colleagues, and relatives the stories of Service Above Self.

Finally, I'm challenging every club, during the coming year, to plan at least one Rotary Day of Service that will bring together volunteers from inside and outside Rotary and will celebrate and showcase the work of your club in your community. Visit [rotary.org](http://rotary.org) to find out more about all of these initiatives, along with other ways to Serve to Change Lives.

## ANNA LOUISA A. BUMAGAT

District Governor 2021-22  
Rotary Club of Ormoc

Message of the District Governor

Greetings!

I am very pleased to join you on this momentous occasion on your 10th Induction and Turn-Over Ceremonies as we warmly welcome the Life-Changing Team of the Rotary Club of Kankabato-Tacloban led by President Sigmundo "Sig" Catingub.

This year, we put emphasis on SERVICE at a time when Rotary is most needed by your communities in addressing their needs. This means committing yourselves – your time, talent, and treasure – to pursue your club's purpose to causes greater than yourselves. It also entails taking service to the next level, finding inspiration in your club's successes over the course of its 9-year history, while setting your sights on what you can collectively do together as one of the most vibrant clubs of District 3860. And I say this with a deep conviction knowing how your club has always risen above the various challenges.

I hope this time will inspire, motivate, and unite you as one RC Kankabato-Tacloban family to pursue your goals with relentless passion. Together, let us all work towards achieving greater things as we Serve to Change Lives.

CONGRATULATIONS!

Sincerely,

Anna Louisa A. Bumagat

District Governor, Rotary Year 2021-22

District Governors Message

# ALVIN M. ALIMANGOCHAN

Assistant Governor 2021-22, Area 3B-1  
Rotary Club of Kankabato-Tacloban

## Message of the Assistant Governor

I am honored to be given the opportunity to serve Rotary as Assistant Governor of Area 3B-I, District 3860. As I anticipate the gravity of my responsibilities in the coming year, I feel humbled and privileged, but most of all, grateful to Gov. Anna Louisa Bumagat, and to all of you fellow Rotarians, for your confidence in my abilities. I will strive in every way to be worthy of your confidence and to fulfill my duties and responsibilities in the best way that I can.

As I begin my tasks, I am inspired by the leadership of all of the Past Presidents who served our club with dedication, commitment, honesty and passion. You have shown yourselves to be model Rotarians, and it is my honor to continue the work which you all skillfully and elegantly carried out.

My nine (9) years in the Rotary Club have been the most interesting and inspiring years of my life. In this organization, I have been able to meet and connect with people of all colors, genders and creeds by attending R.I. Conventions. We welcome diversity and draw strength from it. The Rotary truly creates one rich and connected world.

As we journey together through RY 2021-2022, let us work to create stronger bonds between ourselves, and the rest of the world, and together let us "SERVE TO CHANGE LIVES".

Yours in Rotary,

ALVIN M. ALIMANGOCHAN  
Assistant Governor, Area 3B-I  
District 3860, RY 2021-22

## SIGMUNDO A. CATINGUB

Life-Changing President 2021-22  
Rotary Club of Kankabato-Tacloban

It is my privilege and pleasure to welcome you all to the 10th HANDOVER AND INDUCTION of the Rotary Club of Kankabato-Tacloban, Rotary Year 2021-2022. I welcome all of you, my family, fellow Rotarians and guests who have traveled here to support me despite the risk brought about by this pandemic. Especial mention to our District Governor Anna Louisa A. Bumagat and Spouse Rtn. Troy Bumagat who travelled all the way from Ormoc City to be with us today. I hope you will all enjoy the fellowship this evening. I would be remiss if I do not pay tribute to my late parents, for it's because of them that I grew up with values and character with desire to help people in need. Definitely one of the basic qualities of a Rotarian and my main consideration in staying with the organization.

I am proud to be a Rotarian! I am most honored and humbled to be the President-Elect of the Rotary Club of Kankabato-Tacloban, RY 2021-2022, and with the help and support of my board members and fellow club members, I will do my best to meet the challenge. Our club has been built on a strong leadership foundation with Charter members mostly composed of trustworthy and generous businessmen who are successful in their own respective fields, and I am fortunate to have a membership that is fully committed to carry out the many worthwhile projects that we undertake for the benefit of our community.

Let me take this opportunity to congratulate Immediate Past President Allan Bargamento and his Board for a very successful year. During his year, IPP Allan did many things to show his support for this club and for me as his successor. I thank him and caution him that I will be depending on his continued support throughout the year. I have heard from a PP that the best position to have in Rotary is "Immediate Past President". I'm sure tonight that must sound like music to the ears of IPP Allan. A job well done.

I would also like to congratulate each of the new Board members. Our fellow club members have shown their confidence in you and me by electing us to our respective positions, and I look forward to serving with you. This club has been blessed with good Presidents and Secretaries for the past 10 years, but I would like to tell you that this Rotary Year, we have the best Secretary among them all. I am very sure everything will be perfect, or at least near perfect, considering that we have a school principal as our Secretary for this Rotary year. With the hope that this pandemic will soon end, I am looking forward to meeting all the members of this club again, in person. And I'm excited to go back to our normal operations. That is the discussion of service projects with impact and of course, to once again feel my 5th component of the 4 way test, "Is it fun?" during our fellowship. The moments where we forget the stressful times that we had days prior. When that happens, I expect that we will once again fill our coffers with fines from the "bad-boys". Our Treasurer, who I can say will also be one of the best so far, will have a lot to keep track of. I am grateful for your support and I look forward to an exciting year of service with all of you.

Club Presidents Message

Our President of Rotary International selected the theme "Serve to Change Lives" for the Rotary Year 2021-2022. In doing so, I'm sure he had in mind the shared commitment of every Rotarian to provide "Service Above Self.". Well in my opinion, I say, with or without the yearly themes, Rotarians will continue repeating and improving what they do every year. Notice how, all the themes for the previous years still apply, and describe all our humanitarian activities, past, present, and definitely the future.

Those themes are only verbal representations of our motivation, which is our compassion and our ability to open our hearts to those in need combined with our commitment to share our time, talent, and treasures with those who are less fortunate. That is what makes us ordinary Rotarians do extraordinary things. I hope and I pray, that our sense of compassion becomes infectious, and spread to everyone else for good, a pandemic of goodwill. What a better world this will be.

In conclusion, our primary focus among others for the year will include: Membership Development and Retention, Public Image, Projects and Fundraisers, Club Training and Leadership, Health and Education, and Club Service and Administration.

There are many needy people throughout our community and the world whose only hope will come from Rotary. Tonight, let us all leave here ready to change their lives in any way that we can. As Rotarians, it will not be good enough to give only what we have leftover or what we can spare, but we must truly give of ourselves with new vigor in support of the ideals of Rotary. Let us lead the way as Rotary shares its legacy of "Service Above Self". Let us all SERVE TO CHANGE THE LIVES of our fellowmen.

Thank God for His blessings! Good evening everyone.

Sincerely,

SIGMUNDO A. CATINGUB  
President, Rotary Year 2021-22
