CREATE HOPE
in the WORLD

MISSION

Our mission at the Rotary Club of Kankabato-Tacloban is to advance the welfare and human rights of all people by working on humanitarian projects that meet urgent needs and encourage long-term solutions. We are devoted to helping disadvantaged populations live healthier, more prosperous lives by offering them resources, support, and assistance. We aspire to make a good and enduring impact, leaving no one behind in times of crisis or adversity. We do this by adhering to the values of compassion, teamwork, and accountability. We work to create a world where everyone has access to opportunity, education, and basic necessities while establishing a global community that is based on social justice, empathy, and respect. We do this with the help of our partners and volunteers.

VISION

Through our humanitarian endeavors, we hope to create a society in which everyone is treated with respect and their natural worth is respected. We envision a world in which all communities prosper, are free from suffering and adversity, and have access to basic necessities like safe drinking water, wholesome food, high-quality healthcare, an excellent education, and job opportunities. In order to address the underlying causes of poverty, inequality, and injustice, individuals and organizations must work together to create a global community that is unified in empathy and solidarity. As we work toward realizing this vision, we picture a world that is happier and more just, where people come together to help those in need and leave a lasting legacy of hope, fortitude, and constructive change for future generations.

CLUB HISTORY

Others may wonder, “*Why waste one’s effort, time and money just to help other people?*” With that being said, RC Kankabato believes that helping other people is an act of benevolence. It is what the universe needs. To do good with other people with different characters and background is the vocation that one could have while he’s still breathing and standing on the ground. You must do what you can, with what you have – the reason why Rotary Club of Kankabato-Tacloban continues to shine through their rays of compassion and service above self.

The Rotary Club of Kankabato-Tacloban was chartered in the year 2011. Rotarian Antolin Ofonda was elected and served as the Charter President. From 25 pioneering members, the RC Kankabato has now 23 active members, with the current Hope-Creating President, Rtn. Ralph Lavador Martel for the Rotary Year 2023-2024 as the 12th president of the organization. This organization is composed of established professionals and businessmen with diverse characters and background who came together and believed in one goal which is to make a difference. This international organization is a non-profit and non-partisan union. Members of this club are called as rotarians. Also, they sponsor young rotarians called as rotaractors. These inspiring rotarians believe in the inherent goodness of other people as it results to the ripple effect of kindness in the community. When we show kindness to other people, it creates a chain of reaction which causes kindness to find its way back to us.

Every Rotary Club like the RC of Kankabato-Tacloban is grounded with guiding principles which are Object of Rotary, 4-Way Test and Avenues of Service. These principles have been developed to serve as the bible for every Rotarian as they venture themselves in humanitarian acts of kindness as well as making themselves for another time a servant-leader who aims to uplift the status of the community they belong to. Rotarians of this organization initiate transformational projects not only in the region and national level but also in the international stage. Their projects are based on areas of focus such as Basic Education and Literacy, Disease and Prevention Treatment, Rotary Day of Service and Supporting the Environment.

Since 2011, the RC Kankabato-Tacloban engages in several projects that are timely and relevant to the needs, issues and concerns of the society. They have conducted several projects such as distribution of school supplies and hygiene kits, bloodletting activities, raising awareness and funding to end Polio and Breast Cancer, and Mangrove and tree-planting activity. This organization also did an adopt-a-school campaign to donate facilities such as handwashing facility, books for their library and repair some old school buildings in Guindapunan Elementary School. Moreover, donation drives and feeding programs were also conducted to send help to those victims of natural and man-made calamities such as typhoons, earthquakes, landslides, and fires. Now that the entire community is still experiencing pandemic, still the club lends a hand and do an extra mile just to be of help to the community. They have donated essential medical supplies such as medical facemasks, alcohols, vitamins and PPEs to the hospitals in the city and province. These programs may be less extravagant but it is, for the meantime necessary and beneficial.

Because of the successes of their projects, the RC of Kankabato-Tacloban is recognized not only in the local community but also in the international level. They bagged local and international awards for their community involvements. Their recent prestigious recognitions are Rotary International Citations for helping Rotary Open Opportunities, a plaque for End-Polio Campaign for being a Polio Fund District Goal Achiever, RY 2019-2021, Katambulig Award from the DepEd - Schools Division of Tacloban City, RY 2019-2020, and Outstanding Rotary Club in D3860, RY 2014-2015 & 2018-2020. These sets of awards serve as an inspiration for them to continue to work side by side to execute action and impact through fellowship and service.

Jane Goodall once uttered, "You cannot get through a single day without having an impact on the world around you. What you do makes a difference, and you have to decide what kind of difference you want to make." It implies that we are the legacy of the past generations -- it is up to us how are we going to make an impact and better change to the community by the choices that we make every day. We must find ways to better ourselves in order to get great results. As long as we are living and part of the continuous cosmic evolution, let us not forget to lend little drops of love to the less privileged. A little act of kindness, charity and generosity creates a magical effect on the heart of a person; hence, we call it as the true evidence of authentic and genuine love. The Rotary Club of Kankabato-Tacloban, as long as it breathes, will continue to shower rays of love to all people around the globe.

ROTARY LEADER'S MESSAGE

Dear Rotarians,

“BUILDING PEACE IS THE ESSENCE OF ROTARY.”

Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be waged persistently – and bravely. Everything we do across our areas of focus has the potential to foster the hope that can make peace possible.

The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members. We must make our clubs as welcoming and as engaging as we can. Our goal is to create a sense of belonging, from our club meetings to our service activities. We need to continue creating inclusive, welcoming environments where everyone can be their authentic selves. All people of action need to be able to imagine a place for themselves in Rotary – it's up to us to ensure they can do so.

Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion – ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting “sense and worth, over all the earth.” This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.

R. Gordon R. McNally
President, Rotary International
RY 2023-2024

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE 4 WAY TEST

Of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
