MISSION

The Rotary Club of Kankabato-Tacloban aims to enhance welfare and human rights through humanitarian projects that address urgent needs and foster long-term solutions. Committed to supporting disadvantaged populations, the club provides resources and assistance to improve lives. Guided by compassion, teamwork, and accountability, they strive for a world where everyone has access to opportunities, education, and basic necessities, while promoting social justice and respect. Their mission is achieved through collaborations with partners and volunteers.

VISION

Through our humanitarian efforts, we aim to foster a society where everyone is respected and valued. We envision prosperous communities free from suffering, with access to essentials like clean water, nutritious food, quality healthcare, education, and job opportunities. Collaborative action is needed to tackle poverty, inequality, and injustice, uniting in empathy and solidarity. Our goal is a happier, more just world where people support one another, creating a lasting legacy of hope and positive change for future generations.

CLUB HISTORY

Kankabato is derived from the name of Cankabato Bay, a notable bay located in Tacloban, Philippines. The bay has historically served as an essential hub for trade and transportation in the region. Indigenous peoples originally named the area, and it was later adapted by Spanish colonizers. The bay and its surroundings played a crucial role in the cultural and economic development of Tacloban. Over time, the name evolved into Kankabato, reflecting its deep historical and geographical significance.

The Rotary Club of Kankabato-Tacloban was chartered in the year 2011. Rotarian Antolin Ofonda was elected and served as the Charter President. From 25 pioneering members, the RC Kankabato has now 25 active members, with the current Game Changer President, Rtn. Al Anthony F. Casal for the Rotary Year 2025-2026 as the 14th president of the organization. This organization is composed of established professionals and businessmen with diverse characters and background who came together and believed in one goal which is to make a difference. This international organization is a non-profit and non-partisan union. Members of this club are called as rotarians. Also, they sponsor young rotarians called as Rotaractors. These inspiring rotarians believe in the inherent goodness of other people as it results to the ripple effect of kindness in the community. When we show kindness to other people, it creates a chain of reaction which causes kindness to find its way back to us.

Every Rotary Club like the RC of Kankabato-Tacloban is grounded with guiding principles which are Object of Rotary, 4-Way Test and Avenues of Service. These principles have been developed to serve as the bible for every Rotarian as they venture themselves in humanitarian acts of kindness as well as making themselves for another time a servant-leader who aims to uplift the status of the community they belong to. Rotarians of this organization initiate transformational projects not only in the region and national level but also in the international stage. Their projects are based on areas of focus such as Basic Education and Literacy, Disease and Prevention Treatment, Rotary Day of Service and Supporting the Environment.

Since 2011, the RC Kankabato-Tacloban engages in several projects that are timely and relevant to the needs, issues and concerns of the society. They have conducted several projects such as distribution of school supplies and hygiene kits, bloodletting activities, raising awareness and funding to end Polio and Breast Cancer, and Mangrove and tree-planting activity. This organization also did an adopt-a-school campaign to donate facilities such as handwashing facility in partnership with Rotary Club of Fukui-Ajisai in the following schools: Guindaponan Elementary School, Baras Elementary School, Pawing Elementary School and Alangalang National High School, books for their library and repair some old school buildings in Guindapunan Elementary School. Moreover, donation drives and feeding programs were also conducted to send help to those victims of natural and man-made calamities such as typhoons, earthquakes, landslides, and fires. Now that the entire community is still experiencing, pandemic, still the club lends a hand and do an extra mile just to be of help to the community. They have donated essential medical supplies such as medical facemasks, alcohols, vitamins and PPEs to the hospitals in the city and province. These programs may be less extravagant but it is, for the meantime necessary and beneficial.

Because of the successes of their projects, the RC of Kankabato-Tacloban is recognized not only in the local community but also in the international level. They bagged local and international awards for their community involvement. Their recent prestigious recognitions in Area 3- Visayas are the **CLUB ADMINISTRATION DISTRICT CITATION, LEADERSHIP DEVELOPMENT DISTRICT CITATION, NEW GENERATION DISTRICT CITATION, SERVICE PROJECT DISTRICT CITATION, PUBLIC IMAGE DISTRICT CITATION, DISTRICT SPECIAL SERVICE PROJECT CITATION, MEMBERSHIP DISTRICT CITATION, TRF DISTRICT CITATION and NEW GENERATIONS DISTRICT CITATION.** These sets of awards serve as an inspiration for them to continue to work side by side to execute action and impact through fellowship and service.

As long as we are living and part of the continuous cosmic evolution, let us not forget to lend little drops of love to the less privileged. A little act of kindness, charity and generosity creates a magical effect on the heart of a person; hence, we call it as the true evidence of authentic and genuine love. The Rotary Club of Kankabato-Tacloban, as long as it breathes, will continue to shower rays of love to all people around the globe.

**ROTARY LEADER'S
MESSAGE**

Dear family of Rotary,

August is Membership Month, but our commitment to growth and connection is year-round. When we focus on growing Rotary, we grow our ability to serve, to lead, and to bring lasting change.

Membership growth isn't just about numbers. It's about opening doors. It's about inviting more people who are ready to give their time, talents, and hearts to a cause greater than themselves. When we welcome new members, we bring in fresh ideas and new energy. We expand our impact, strengthen our clubs, and ensure that Rotary continues to evolve with the world around us.

Remember, there is now great flexibility in fashioning nontraditional club models. I'm inspired when I see these innovative clubs thrive by offering new and prospective members more ways to connect and serve.

In Korea, the growth of satellite clubs has created opportunities for nearly 1,000 new members to find their place in Rotary. In Romania, the close collaboration between Rotarians, Rotaractors, and Interactors has built a pipeline of future leaders. In India, some Rotarians gather around a shared interest – whether it's professional development or a passion for service – and those connections deepen their commitment and their joy in being part of Rotary. And we've seen cause-based clubs thrive in regions as diverse as Southeast Asia, Africa, and Europe.

There's a common thread: Where clubs are growing, membership is a priority and there is a willingness to try something new. Rotary is not limited to one structure or tradition. We are a global network of people of action, and that means there is room for many kinds of clubs, many ways to serve, and many paths into our organization.

his spirit of innovation is also guiding our efforts to reach new communities. In places where there has never been a Rotary club – or where a club once existed and faded – Rotarians are finding ways to grow Rotary. They are identifying areas of potential and building clubs that reflect the character and needs of their communities.

Every member plays a part in this journey. Whether you introduce a friend to your club, support a new meeting format, reconnect with program alumni, or simply share your Rotary story, you are helping our organization grow stronger and more vibrant.

No one owns a Rotary club. It is a gift we pass on to the next generation. When we nurture that gift, when we invite others to share in it, we ensure that Rotary continues to be a force for good. Let's prioritize membership growth – not just in August but every month of the year. Together, through friendship, creativity, and shared purpose, we will grow Rotary and Unite for Good.

Angel "Jong" Fernandez

DISTRICT GOVERNOR'S LETTERS

To my beloved Rotarians of Kankabato,

As we step into the vibrant month of August, celebrated as Membership Month, I am filled with excitement and optimism for the journey that lies ahead. Our esteemed District Governor has beautifully reminded us that "Everyone is a Rotarian. They just don't know it yet." This profound statement encapsulates the essence of what we strive for within our community.

To our District Officers, Club Presidents, Secretaries, and all those embracing leadership roles this year: you are trailblazers. You are the ones who choose courage over comfort, action over hesitation, and innovation over stagnation. You are the Gamechangers who reimagine the landscape of Rotary, ensuring that more individuals can join our mission of service.

This August, let us focus on growing our Rotary family. Let us extend our hands and hearts to those who are Rotarians at heart but have yet to discover their place within our ranks. Together, we can unite for good, making a lasting impact on our clubs, our communities, and the future of Rotary.

Congratulations to the Rotary Club of Kankabato-Tacloban on your 14th Induction and Handover Ceremony! Your unwavering dedication and service are truly commendable. Here's to another year of impactful leadership and community service.

Let us make this the year we stop making excuses, the year we transform the game—one satellite club at a time. Let us lead with purpose and passion, ensuring that the world feels the positive difference District 3860 makes.

Thank you for your commitment and dedication. May our shared journey be fruitful and inspiring. God bless us all. HAPPY MEMBERSHIP MONTH!

Mary Christine Chua

This powerful message invites us all to come together, combining our strengths, talents, and passions, to make a meaningful impact in our communities and beyond.

As we move forward, let us remember that every small act of kindness and every step towards progress contributes to the greater good.

Together, we will make this year truly extraordinary.

Al Anthony F. Casal

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE 4 WAY TEST

Of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
