MISSION

The Rotary Club of Kankabato-Tacloban aims to enhance welfare and human rights through humanitarian projects that address urgent needs and foster long-term solutions. Committed to supporting disadvantaged populations, the club provides resources and assistance to improve lives. Guided by compassion, teamwork, and accountability, they strive for a world where everyone has access to opportunities, education, and basic necessities, while promoting social justice and respect. Their mission is achieved through collaborations with partners and volunteers.

VISION

Through our humanitarian efforts, we aim to foster a society where everyone is respected and valued. We envision prosperous communities free from suffering, with access to essentials like clean water, nutritious food, quality healthcare, education, and job opportunities. Collaborative action is needed to tackle poverty, inequality, and injustice, uniting in empathy and solidarity. Our goal is a happier, more just world where people support one another, creating a lasting legacy of hope and positive change for future generations.

CLUB HISTORY

Kankabato is derived from the name of Cankabato Bay, a notable bay located in Tacloban, Philippines. The bay has historically served as an essential hub for trade and transportation in the region. Indigenous peoples originally named the area, and it was later adapted by Spanish colonizers. The bay and its surroundings played a crucial role in the cultural and economic development of Tacloban. Over time, the name evolved into Kankabato, reflecting its deep historical and geographical significance.

The Rotary Club of Kankabato-Tacloban was chartered in the year 2011. Rotarian Antolin Ofonda was elected and served as the Charter President. From 25 pioneering members, the RC Kankabato has now 25 active members, with the current Game Changer President, Rtn. Al Anthony F. Casal for the Rotary Year 2025-2026 as the 14th president of the organization. This organization is composed of established professionals and businessmen with diverse characters and background who came together and believed in one goal which is to make a difference. This international organization is a non-profit and non-partisan union. Members of this club are called as rotarians. Also, they sponsor young rotarians called as Rotaractors. These inspiring rotarians believe in the inherent goodness of other people as it results to the ripple effect of kindness in the community. When we show kindness to other people, it creates a chain of reaction which causes kindness to find its way back to us.

Every Rotary Club like the RC of Kankabato-Tacloban is grounded with guiding principles which are Object of Rotary, 4-Way Test and Avenues of Service. These principles have been developed to serve as the bible for every Rotarian as they venture themselves in humanitarian acts of kindness as well as making themselves for another time a servant-leader who aims to uplift the status of the community they belong to. Rotarians of this organization initiate transformational projects not only in the region and national level but also in the international stage. Their projects are based on areas of focus such as Basic Education and Literacy, Disease and Prevention Treatment, Rotary Day of Service and Supporting the Environment.

Since 2011, the RC Kankabato-Tacloban engages in several projects that are timely and relevant to the needs, issues and concerns of the society. They have conducted several projects such as distribution of school supplies and hygiene kits, bloodletting activities, raising awareness and funding to end Polio and Breast Cancer, and Mangrove and tree-planting activity. This organization also did an adopt-a-school campaign to donate facilities such as handwashing facility in partnership with Rotary Club of Fukui-Ajisai in the following schools: Guindaponan Elementary School, Baras Elementary School, Pawing Elementary School and Alangalang National High School, books for their library and repair some old school buildings in Guindapunan Elementary School. Moreover, donation drives and feeding programs were also conducted to send help to those victims of natural and man-made calamities such as typhoons, earthquakes, landslides, and fires. Now that the entire community is still experiencing, pandemic, still the club lends a hand and do an extra mile just to be of help to the community. They have donated essential medical supplies such as medical facemasks, alcohols, vitamins and PPEs to the hospitals in the city and province. These programs may be less extravagant but it is, for the meantime necessary and beneficial.

Because of the successes of their projects, the RC of Kankabato-Tacloban is recognized not only in the local community but also in the international level. They bagged local and international awards for their community involvement. Their recent prestigious recognitions in Area 3- Visayas are the **CLUB ADMINISTRATION DISTRICT CITATION, LEADERSHIP DEVELOPMENT DISTRICT CITATION, NEW GENERATION DISTRICT CITATION, SERVICE PROJECT DISTRICT CITATION, PUBLIC IMAGE DISTRICT CITATION, DISTRICT SPECIAL SERVICE PROJECT CITATION, MEMBERSHIP DISTRICT CITATION, TRF DISTRICT CITATION and NEW GENERATIONS DISTRICT CITATION.** These sets of awards serve as an inspiration for them to continue to work side by side to execute action and impact through fellowship and service.

As long as we are living and part of the continuous cosmic evolution, let us not forget to lend little drops of love to the less privileged. A little act of kindness, charity and generosity creates a magical effect on the heart of a person; hence, we call it as the true evidence of authentic and genuine love. The Rotary Club of Kankabato-Tacloban, as long as it breathes, will continue to shower rays of love to all people around the globe.

**ROTARY LEADER'S
MESSAGE**

Dear family of Rotary,

PEACE THROUGH EDUCATION

When I stepped into the role of Rotary International president, the moment came swiftly and unexpectedly. It got me thinking how the world can change in an instant, and how Rotary has the power to be a steady force for good in that change. This month, Rotary's Basic Education and Literacy Month, we have a clear call to action: to strengthen the foundation of learning in every community we serve.

Millions of people worldwide remain unable to read. Millions of children lack access to basic education. And yet, we know the solution: sustainable, inclusive, and equitable education, especially for girls and marginalized youths. Literacy is more than the ability to read and write. It is the key to human dignity, economic mobility, and peace. Every book opened, every classroom supported, and every teacher trained becomes a building block of peace.

This year, our message is Unite for Good. "Unite" speaks to the strength we find in each other. When we unite our talents and resources – not only among our clubs but across partners, organizations, and communities – we expand our reach. And when we do so consistently over time, we create lasting change. Rotary service cannot be measured only in annual goals. Our work in education must extend beyond a single year. Literacy projects take time to take root, grow, and bear fruit.

Now is the time to think boldly and creatively. New types of clubs can help us engage educators, students, and advocates in new ways. Let us use this month to welcome new members with a passion for education and empower existing ones to lead service projects that reflect local needs. Whether you're building libraries, distributing textbooks, or mentoring students, your actions matter.

Education is also peacebuilding. Every scholarship we provide, every early childhood program we support, every adult literacy class we fund is an act of peace. And Rotary has been building peace in this way for more than a century.

Let us not forget that the fight for literacy is not only about access, it's about equity. It is about ensuring every learner, regardless of background, has the opportunity to reach their potential. And it is about standing together – across borders, languages, and generations – to say that education is a right, not a privilege.

Let's Unite for Good by committing to literacy that lasts. Let's dream of a world where every child learns to read. And then, as people of action, let's work together to make that dream a reality.

Together, we can change lives, starting with the power of education. Together, we Unite for Good.

Angel "Jong" Fernandez
**DISTRICT GOVERNOR'S
LETTERS**

To the Club Officers and Members,

As we enter the month of September, let us reaffirm our commitment to "Unite for Good." This is not merely a theme – it is a call to action. In our district, "uniting for good" means strengthening the bonds among our clubs, joining hands across communities, and embracing every opportunity to serve with compassion, integrity, and collaboration.

In the coming weeks, I challenge each club to consider how your ongoing and upcoming projects – whether in education, health, culture, or community welfare – can more deeply reflect unity. Let us reach out to partner organizations, listen to underserved voices in our communities, and work together so that our service becomes more inclusive, sustainable, and transformational.

May our collective efforts in September be marked by solidarity, empathy, and a forward-looking spirit. Together, we can turn small acts of kindness into lasting impact across our district – truly uniting for good.

Mary Christine Chua
**DISTRICT SECRETARY
NOTES**

Dear friends in Rotary,

This September, as we celebrate Basic Education and Literacy Month, we are reminded of Rotary's enduring commitment to building a brighter, more literate world. Education is the cornerstone of progress, and every effort we make – from supporting schools and teachers to mentoring young learners – brings us closer to a future filled with opportunity and hope.

In line with this month's focus, let us continue to "Unite for Good" by championing projects that promote learning, strengthen values, and empower communities. Through literacy and education, we not only open books but also open hearts and minds.

As we move forward, I encourage all clubs to prepare for the upcoming District Governor's Visit on October 1-4. Please ensure that all required documents, reports, and presentations highlighting your club's best practices, accomplishments, and ongoing programs are ready. This is an excellent opportunity to showcase how our collective service continues to make a lasting impact across the district.

Together, let us keep learning, serving, and inspiring – one project, one community, and one learner at a time.

Bonifacio Tordillo Jr.

ASSISTANT GOVERNOR'S REMARKS

To my fellow Rotarians of Kankabato,

As we journey through the month of September, we embrace one of Rotary's most impactful themes—Basic Education and Literacy. This is a time to reflect on how our clubs are contributing to a better-educated and more empowered world. Literacy is a bridge from misery to hope, and through our collective programs and projects, we are giving communities the tools to cross that bridge.

I encourage each club to highlight and evaluate their literacy-related initiatives—be it book drives, reading sessions, scholarship programs, or teacher support activities. Let us ensure that our efforts are not only seen but truly felt by those who need them most.

As your Assistant Governor, I also want to emphasize the importance of preparation for our District Governor's official visit happening on October 1-4. This is a significant opportunity to showcase your club's accomplishments, best practices, and ongoing programs. Please begin compiling the necessary documentation, photos, and data that represent the heart of your club's work. Your presentations should reflect the essence of this year's Rotary theme and how your club has embodied it through meaningful service. Be ready to share stories that inspire and results that matter.

Thank you for your continued dedication, leadership, and commitment to Rotary's mission. Let us continue to serve with purpose, act with passion, and lead with impact.

Al Anthony F. Casal
**EXECUTIVE'S
INSIGHTS**

To my club officers and members,

As we welcome September, we also embrace Rotary's theme for the month—Basic Education and Literacy. This is a powerful reminder of our mission to support access to quality education and create opportunities for learning within our communities. Literacy is not just about reading and writing—it's about opening doors to a brighter future.

This month, I am proud to highlight the successful implementation of our signature project, "Pagkaun para ha Kaugmaon," at Guindapunan Elementary School on September 12. This initiative not only addressed the immediate nutritional needs of the students but also emphasized the vital connection between proper nutrition and academic performance. Thank you to everyone who contributed their time, resources, and heart to make this project possible. Together, we planted seeds of hope for a better, healthier, and smarter tomorrow.

As we continue our meaningful work, let us also prepare for a major milestone in our Rotary calendar—the official visit of our District Governor on October 1–4. This is a crucial opportunity to showcase who we are as a club, the impact we have made, and the values we live by.

I kindly ask all committee chairs and officers to begin compiling the necessary documents, reports, photos, and presentations that reflect our club's best practices, key projects, and accomplishments this Rotary year. Let's take pride in what we've achieved and present our work with the excellence and passion that define us.

Thank you, fellow Rotarians, for your unwavering support and commitment. Let's continue to lead with service, grow with purpose, and inspire with action.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE 4 WAY TEST

Of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
