MISSION

The Rotary Club of Kankabato-Tacloban aims to enhance welfare and human rights through humanitarian projects that address urgent needs and foster long-term solutions. Committed to supporting disadvantaged populations, the club provides resources and assistance to improve lives. Guided by compassion, teamwork, and accountability, they strive for a world where everyone has access to opportunities, education, and basic necessities, while promoting social justice and respect. Their mission is achieved through collaborations with partners and volunteers.

VISION

Through our humanitarian efforts, we aim to foster a society where everyone is respected and valued. We envision prosperous communities free from suffering, with access to essentials like clean water, nutritious food, quality healthcare, education, and job opportunities. Collaborative action is needed to tackle poverty, inequality, and injustice, uniting in empathy and solidarity. Our goal is a happier, more just world where people support one another, creating a lasting legacy of hope and positive change for future generations.

CLUB HISTORY

Kankabato is derived from the name of Cankabato Bay, a notable bay located in Tacloban, Philippines. The bay has historically served as an essential hub for trade and transportation in the region. Indigenous peoples originally named the area, and it was later adapted by Spanish colonizers. The bay and its surroundings played a crucial role in the cultural and economic development of Tacloban. Over time, the name evolved into Kankabato, reflecting its deep historical and geographical significance.

The Rotary Club of Kankabato-Tacloban was chartered in the year 2011. Rotarian Antolin Ofonda was elected and served as the Charter President. From 25 pioneering members, the RC Kankabato has now 25 active members, with the current Game Changer President, Rtn. Al Anthony F. Casal for the Rotary Year 2025-2026 as the 14th president of the organization. This organization is composed of established professionals and businessmen with diverse characters and background who came together and believed in one goal which is to make a difference. This international organization is a non-profit and non-partisan union. Members of this club are called as rotarians. Also, they sponsor young rotarians called as Rotaractors. These inspiring rotarians believe in the inherent goodness of other people as it results to the ripple effect of kindness in the community. When we show kindness to other people, it creates a chain of reaction which causes kindness to find its way back to us.

Every Rotary Club like the RC of Kankabato-Tacloban is grounded with guiding principles which are Object of Rotary, 4-Way Test and Avenues of Service. These principles have been developed to serve as the bible for every Rotarian as they venture themselves in humanitarian acts of kindness as well as making themselves for another time a servant-leader who aims to uplift the status of the community they belong to. Rotarians of this organization initiate transformational projects not only in the region and national level but also in the international stage. Their projects are based on areas of focus such as Basic Education and Literacy, Disease and Prevention Treatment, Rotary Day of Service and Supporting the Environment.

Since 2011, the RC Kankabato-Tacloban engages in several projects that are timely and relevant to the needs, issues and concerns of the society. They have conducted several projects such as distribution of school supplies and hygiene kits, bloodletting activities, raising awareness and funding to end Polio and Breast Cancer, and Mangrove and tree-planting activity. This organization also did an adopt-a-school campaign to donate facilities such as handwashing facility in partnership with Rotary Club of Fukui-Ajisai in the following schools: Guindaponan Elementary School, Baras Elementary School, Pawing Elementary School and Alangalang National High School, books for their library and repair some old school buildings in Guindapunan Elementary School. Moreover, donation drives and feeding programs were also conducted to send help to those victims of natural and man-made calamities such as typhoons, earthquakes, landslides, and fires. Now that the entire community is still experiencing, pandemic, still the club lends a hand and do an extra mile just to be of help to the community. They have donated essential medical supplies such as medical facemasks, alcohols, vitamins and PPEs to the hospitals in the city and province. These programs may be less extravagant but it is, for the meantime necessary and beneficial.

Because of the successes of their projects, the RC of Kankabato-Tacloban is recognized not only in the local community but also in the international level. They bagged local and international awards for their community involvement. Their recent prestigious recognitions in Area 3- Visayas are the **CLUB ADMINISTRATION DISTRICT CITATION, LEADERSHIP DEVELOPMENT DISTRICT CITATION, NEW GENERATION DISTRICT CITATION, SERVICE PROJECT DISTRICT CITATION, PUBLIC IMAGE DISTRICT CITATION, DISTRICT SPECIAL SERVICE PROJECT CITATION, MEMBERSHIP DISTRICT CITATION, TRF DISTRICT CITATION** and **NEW GENERATIONS DISTRICT CITATION**. These sets of awards serve as an inspiration for them to continue to work side by side to execute action and impact through fellowship and service.

As long as we are living and part of the continuous cosmic evolution, let us not forget to lend little drops of love to the less privileged. A little act of kindness, charity and generosity creates a magical effect on the heart of a person; hence, we call it as the true evidence of authentic and genuine love. The Rotary Club of Kankabato-Tacloban, as long as it breathes, will continue to shower rays of love to all people around the globe.

**ROTARY LEADER'S
MESSAGE**

Dear family of Rotary,

Let Us Give With Gratitude

his November, as we celebrate The Rotary Foundation, I invite you to consider not only what we give but why we give. The Foundation is more than a fund for projects. It is the beating heart of our promise that service, rooted in trust and friendship, can create lasting change.

Our Action Plan calls us to increase our impact, and the Foundation is how we make this vision real. Since 1988, Rotary and our partners have immunized nearly 3 billion children against polio. We have committed more than \$2.6 billion to this cause, and last year alone we directed \$146 million toward the final push for eradication. These numbers are significant, but the true impact is not in statistics – it is in the lives of children who will never again fear polio. It is in the hope restored to families and the peace built in communities once defined by disease.

But polio is only one story among many. Each year, Rotary Peace Centers train new generations of leaders who will transform conflict into dialogue and division into understanding. In 2023-24, nearly 100 new fellows began their studies, continuing a legacy of more than 1,800 peacebuilders from over 140 countries. When we invest in them, we are planting seeds of peace that will bear fruit for decades to come.

The Foundation also touches lives through district and global grants, supporting projects large and small. A clean water well for a rural community, scholarships for young professionals, medical care in the wake of disaster – these are not temporary gestures, but steps toward dignity, resilience, and opportunity. This is how Rotary service becomes lasting impact. And when natural disasters strike, our Foundation allows Rotary to act quickly with disaster response grants.

**UNITE
FOR
GOOD**

Our Foundation is not about what we can do alone but what we can do together. Each contribution, no matter its size, joins with others to create a collective act of faith in humanity and in the future.

The last mile of any great journey is always the hardest. We see this in our final steps toward ending polio, in our work for peace, and in every project that seeks to lift people out of despair. Yet every time we give, we declare that our work will continue regardless of the challenge.

This November, let us give with gratitude, with joy, and with hope. Through our Foundation, we Unite for Good, and in doing so, we leave behind not only projects but a legacy of peace, trust, and Service Above Self.

Angel "Jong" Fernandez
**DISTRICT GOVERNOR'S
LETTERS**

Greetings, Fellow Rotarians,

As we step into the month of November, I am reminded of the power of service and the difference we make when we unite for the good of our communities. This month presents us with an opportunity to reflect on our accomplishments, celebrate the impact of our projects, and strengthen the bonds of fellowship that make our Rotary family truly remarkable.

I encourage all clubs to continue advancing initiatives that address pressing community needs—whether in health, education, disaster preparedness, or social welfare. Let us remain steadfast in our commitment to service above self, inspired by the knowledge that every act of kindness, no matter how small, creates ripples of positive change.

As we move forward, may we harness the collective energy, creativity, and dedication of our district to leave lasting, meaningful impact. Together, we can transform lives, uplift communities, and exemplify the values that make Rotary a beacon of hope and service.

Thank you for your unwavering commitment and dedication. Let us continue to serve with passion, purpose, and heart.

Mary Christine Chua
**DISTRICT SECRETARY
NOTES**

Dear friends in Rotary,

As we enter November, I want to extend my heartfelt appreciation to all clubs for your continued dedication and active participation in our district initiatives. Your commitment to service and collaboration ensures that our projects create meaningful impact in the communities we serve.

This month, let us continue to maintain strong communication, accurate reporting, and timely coordination among our clubs, as these are the foundations that enable our district to function efficiently and effectively. I encourage every club secretary to uphold the spirit of transparency, accountability, and teamwork, ensuring that our collective efforts translate into lasting positive change.

Together, with shared vision and commitment, we can continue to strengthen Rotary's presence and impact, empowering our communities and inspiring others to join our mission of service above self.

Bonifacio Tordillo Jr.

ASSISTANT GOVERNOR'S REMARKS

To my fellow Rotarians of Kankabato,

As we embrace the month of November, I am inspired by the dedication and passion each club in our area demonstrates in serving our communities. Your tireless efforts in projects ranging from disaster preparedness to youth development and community welfare are a testament to the true spirit of Rotary.

This month, I encourage all clubs to continue collaborating, sharing best practices, and supporting one another in achieving our goals. Remember, the strength of our district lies in unity, effective communication, and collective action. Every small step we take together contributes to a larger impact, transforming lives and building stronger, more resilient communities.

Let us remain steadfast in our commitment to service above self, uplifting those in need, and fostering fellowship among Rotarians. Together, we can make a lasting difference.

Al Anthony F. Casal
**EXECUTIVE'S
INSIGHTS**

To my club officers and members,

As we step into the month of November, our community has recently faced the challenges brought by Typhoon Tino, which left many families and neighborhoods affected. The devastation reminds us of the fragility of life and the importance of solidarity, compassion, and swift action in times of crisis. As Rotarians, it is our calling to serve those in need and to be a source of hope for our fellow citizens.

I am proud to witness how our club has come together to respond to this calamity. From coordinating relief operations to distributing essential goods, our members have demonstrated exceptional dedication and heart in supporting the affected families. Your commitment shows that even in the face of adversity, we remain a beacon of service and hope.

This month, let us continue to focus on providing relief and assistance to those most affected by the typhoon. Beyond immediate aid, we must also work to strengthen community resilience, helping families rebuild their homes, restore livelihoods, and prepare for future challenges. Our collective efforts ensure that no one is left behind in the recovery process.

I also encourage every member to maintain the spirit of fellowship and teamwork within our club. By supporting one another, sharing responsibilities, and celebrating each milestone in our projects, we strengthen not only our club but also the impact we create in the community. Together, we can achieve greater outcomes than any of us could alone. In these challenging times, let us be reminded that Rotary is more than a club—it is a movement of service, compassion, and hope. Let us continue to uphold our mission of service above self, uplift those affected by Typhoon Tino, and inspire others to join us in making a difference. Together, we can help our community recover, rebuild, and thrive once more.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE 4 WAY TEST

Of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
