Committed to supporting disadvantaged populations, the club provides resources and assistance to improve lives. Guided by compassion, teamwork, and accountability, they strive for a world where everyone has access to opportunities, education, and basic necessities, while promoting social justice and respect. Their mission is achieved through collaborations with partners and volunteers.

# VISION

We envision prosperous communities free from suffering, with access to essentials like clean water, nutritious food, quality healthcare, education, and job opportunities. Collaborative action is needed to tackle poverty, inequality, and injustice, uniting in empathy and solidarity. Our goal is a happier, more just world where people support one another, creating a lasting legacy of hope and positive change for future generations.

# CLUB HISTORY

Kankabato is derived from the name of Cankabato Bay, a notable bay located in Tacloban, Philippines. The bay has historically served as an essential hub for trade and transportation in the region. Indigenous peoples originally named the area, and it was later adapted by Spanish colonizers. The bay and its surroundings played a crucial role in the cultural and economic development of Tacloban. Over time, the name evolved into Kankabato, reflecting its deep historical and geographical significance.

The Rotary Club of Kankabato-Tacloban was chartered in the year 2011. Rotarian Antolin Ofonda was elected and served as the Charter President. From 25 pioneering members, the RC Kankabato has now 25 active members, with the current Game Changer President, Rtn. Al Anthony F. Casal for the Rotary Year 2025-2026 as the 14th president of the organization. This organization is composed of established professionals and businessmen with diverse characters and background who came together and believed in one goal which is to make a difference. This international organization is a non-profit and non-partisan union. Members of this club are called as rotarians. Also, they sponsor young rotarians called as Rotaractors. These inspiring rotarians believe in the inherent goodness of other people as it results to the ripple effect of kindness in the community. When we show kindness to other people, it creates a chain of reaction which causes kindness to find its way back to us.

Every Rotary Club like the RC of Kankabato-Tacloban is grounded with guiding principles which are Object of Rotary, 4-Way Test and Avenues of Service. These principles have been developed to serve as the bible for every Rotarian as they venture themselves in humanitarian acts of kindness as well as making themselves for another time a servant-leader who aims to uplift the status of the community they belong to. Rotarians of this organization initiate transformational projects not only in the region and national level but also in the international stage. Their projects are based on areas of focus such as Basic Education and Literacy, Disease and Prevention Treatment, Rotary Day of Service and Supporting the Environment.

Since 2011, the RC Kankabato-Tacloban engages in several projects that are timely and relevant to the needs, issues and concerns of the society. They have conducted several projects such as distribution of school supplies and hygiene kits, bloodletting activities, raising awareness and funding to end Polio and Breast Cancer, and Mangrove and tree-planting activity. This organization also did an adopt-a-school campaign to donate facilities such as handwashing facility in partnership with Rotary Club of Fukui-Ajisai in the following schools: Guindaponan Elementary School, Baras Elementary School, Pawing Elementary School and Alangalang National High School, books for their library and repair some old school buildings in Guindapunan Elementary School. Moreover, donation drives and feeding programs were also conducted to send help to those victims of natural and man-made calamities such as typhoons, earthquakes, landslides, and fires. Now that the entire community is still experiencing, pandemic, still the club lends a hand and do an extra mile just to be of help to the community. They have donated essential medical supplies such as medical facemasks, alcohols, vitamins and PPEs to the hospitals in the city and province. These programs may be less extravagant but it is, for the meantime necessary and beneficial.

Because of the successes of their projects, the RC of Kankabato-Tacloban is recognized not only in the local community but also in the international level. They bagged local and international awards for their community involvement. Their recent prestigious recognitions in Area 3- Visayas are the **CLUB ADMINISTRATION DISTRICT CITATION, LEADERSHIP DEVELOPMENT DISTRICT CITATION, NEW GENERATION DISTRICT CITATION, SERVICE PROJECT DISTRICT CITATION, PUBLIC IMAGE DISTRICT CITATION, DISTRICT SPECIAL SERVICE PROJECT CITATION, MEMBERSHIP DISTRICT CITATION, TRF DISTRICT CITATION and NEW GENERATIONS DISTRICT CITATION.** These sets of awards serve as an inspiration for them to continue to work side by side to execute action and impact through fellowship and service.

As long as we are living and part of the continuous cosmic evolution, let us not forget to lend little drops of love to the less privileged. A little act of kindness, charity and generosity creates a magical effect on the heart of a person; hence, we call it as the true evidence of authentic and genuine love. The Rotary Club of Kankabato-Tacloban, as long as it breathes, will continue to shower rays of love to all people around the globe.

**ROTARY LEADER'S  
MESSAGE**

*Dear family of Rotary,*

**To Health and Happiness**

This month's special issue of Rotary magazine is all about happiness, that most elemental of human yearnings. More than a feeling, though, this state of positive well-being, and the conditions necessary to create and sustain it, should be considered a universal right.

December also marks Rotary's Disease Prevention and Treatment Month, when we highlight our members' work to promote health and wellness, including mental wellness. Globally, nearly 1 in 7 people have a mental health disorder, according to a recent World Health Organization report. Yet only 9 percent of people with depression receive adequate treatment.

.We are fortunate in Rotary to have a powerful way to support emotional well-being and happiness: friendship. The connections we build in Rotary can be a powerful force for change. I know this from personal experience.

When my fellow members first proposed that I become club president, I demurred. I had a stutter. I was terrified of speaking. But having club members who supported me and surrounded me with affection enabled me to face my fear, and I found a way to stand confidently before a crowd.

Today, I regularly address audiences – some numbering in the thousands – in a language that is not native to me. The Rotary members in my life helped me create lasting change within myself.

That fellowship gives us the courage and means to create lasting change in the world as well, and mental health services are in desperate need of improvement. The WHO reports that governments on average devote only 2 percent of their health budgets to mental health, and only 11 percent of that funding reaches community-based services. In some countries, only one trained mental health professional is available

for every 100,000 people. The WHO has called for strategic and urgent action to close the gap. Rotary can answer that call by championing mental health awareness in our clubs, working with local health systems, funding training for community health workers, and supporting initiatives that bring care to places where none exists. Even small investments in mental health yield enormous returns in productivity, public health, and happiness.

While we are creating lasting change in the world, we cannot forget to take care of each other. Past Rotary International President Gordon McInally wisely reminds us that we must go beyond asking, "How are you?" We owe it to each other to instead ask, "How are you really?"

*Angel "Jong" Fernandez*

*To my club officers and members,*

Warmest greetings to the Rotary Club of Kankabato on this special day, as we celebrate another year of service, fellowship, and impact. It is with deep gratitude and humility that I share this message as your 14th Club President. Reflecting on our journey, I am reminded that our strength lies not in numbers, but in our unity—living our theme “Unite for Good” every day through action, compassion, and commitment.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE 4 WAY TEST

Of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

*Mar Angelo S. Lim*
