CLUB HISTORY

Kankabato is derived from the name of Cankabato Bay, a notable bay located in Tacloban, Philippines. The bay has historically served as an essential hub for trade and transportation in the region. Indigenous peoples originally named the area, and it was later adapted by Spanish colonizers. The bay and its surroundings played a crucial role in the cultural and economic development of Tacloban. Over time, the name evolved into Kankabato, reflecting its deep historical and geographical significance.

The Rotary Club of Kankabato-Tacloban was chartered in the year 2011. Rotarian Antolin Ofonda was elected and served as the Charter President. From 25 pioneering members, the RC Kankabato has now 25 active members, with the current Game Changer President, Rtn. Al Anthony F. Casal for the Rotary Year 2025-2026 as the 14th president of the organization. This organization is composed of established professionals and businessmen with diverse characters and background who came together and believed in one goal which is to make a difference. This international organization is a non-profit and non-partisan union. Members of this club are called as rotarians. Also, they sponsor young rotarians called as Rotaractors. These inspiring rotarians believe in the inherent goodness of other people as it results to the ripple effect of kindness in the community. When we show kindness to other people, it creates a chain of reaction which causes kindness to find its way back to us.

Every Rotary Club like the RC of Kankabato-Tacloban is grounded with guiding principles which are Object of Rotary, 4-Way Test and Avenues of Service. These principles have been developed to serve as the bible for every Rotarian as they venture themselves in humanitarian acts of kindness as well as making themselves for another time a servant-leader who aims to uplift the status of the community they belong to. Rotarians of this organization initiate transformational projects not only in the region and national level but also in the international stage. Their projects are based on areas of focus such as Basic Education and Literacy, Disease and Prevention Treatment, Rotary Day of Service and Supporting the Environment.

Since 2011, the RC Kankabato-Tacloban engages in several projects that are timely and relevant to the needs, issues and concerns of the society. They have conducted several projects such as distribution of school supplies and hygiene kits, bloodletting activities, raising awareness and funding to end Polio and Breast Cancer, and Mangrove and tree-planting activity. This organization also did an adopt-a-school campaign to donate facilities such as handwashing facility in partnership with Rotary Club of Fukui-Ajisai in the following schools: Guindaponan Elementary School, Baras Elementary School, Pawing Elementary School and Alangalang National High School, books for their library and repair some old school buildings in Guindapunan Elementary School. Moreover, donation drives and feeding programs were also conducted to send help to those victims of natural and man-made calamities such as typhoons, earthquakes, landslides, and fires. Now that the entire community is still experiencing, pandemic, still the club lends a hand and do an extra mile just to be of help to the community. They have donated essential medical supplies such as medical facemasks, alcohols, vitamins and PPEs to the hospitals in the city and province. These programs may be less extravagant but it is, for the meantime necessary and beneficial.

Because of the successes of their projects, the RC of Kankabato-Tacloban is recognized not only in the local community but also in the international level. They bagged local and international awards for their community involvement. Their recent prestigious recognitions in Area 3- Visayas are the **CLUB ADMINISTRATION DISTRICT CITATION, LEADERSHIP DEVELOPMENT DISTRICT CITATION, NEW GENERATION DISTRICT CITATION, SERVICE PROJECT DISTRICT CITATION, PUBLIC IMAGE DISTRICT CITATION, DISTRICT SPECIAL SERVICE PROJECT CITATION, MEMBERSHIP DISTRICT CITATION, TRF DISTRICT CITATION** and **NEW GENERATIONS DISTRICT CITATION**. These sets of awards serve as an inspiration for them to continue to work side by side to execute action and impact through fellowship and service.

As long as we are living and part of the continuous cosmic evolution, let us not forget to lend little drops of love to the less privileged. A little act of kindness, charity and generosity creates a magical effect on the heart of a person; hence, we call it as the true evidence of authentic and genuine love. The Rotary Club of Kankabato-Tacloban, as long as it breathes, will continue to shower rays of love to all people around the globe.

**ROTARY LEADER'S
MESSAGE**

Dear family of Rotary,

In a garage outside Salinas, California, young people who are learning to restore classic cars are doing more than developing a skill – they are reclaiming their futures. This training program provides mentorship and, for some, a path away from gang involvement toward meaningful employment. Graduates leave with certifications, practical experience, and hope.

This is what Rotary's Vocational Service Month celebrates each January – the power of bringing together people with unique skills to do good in the world. It reminds us that integrity isn't just about our actions matching our words. Integrity is in everything we do.

The California automotive program has been such a success because it was built on integrity. Members of the Rotary Club of Carmel-by-the-Sea didn't assume they knew what the community needed. They listened. They learned there was a shortage of skilled mechanics as well as a large number of young people lacking job training. They recognized that technical skills alone wouldn't be enough, so they partnered with Rancho Cielo, a nonprofit offering counseling and support services alongside vocational training.

That is The Four-Way Test in action. Those four simple questions help us not judge others but guide us toward genuine, effective service.

Consider our commitment to ending polio. For nearly 40 years, we have promised the world's children we will eliminate this disease. Despite obstacles, we persist, and today we are closer to defeating the virus. Keeping this promise is the very definition of integrity.

Kankabato-Tacloban
Rotary
Club

**UNITE
FOR
GOOD**

The same integrity must drive our vocational service. With 1.2 billion young people in emerging economies reaching working age in the next decade and only 420 million jobs projected, we face a critical gap. Communities long excluded from economic opportunities need our support.

But support doesn't mean imposing our will. It means listening to local needs, building partnerships, and designing projects that communities can sustain themselves.

You have knowledge that can transform lives. Whatever your profession, your expertise combined with Rotary's values creates lasting change. The question isn't whether you have something to offer, it's how you'll use your skills to serve.

This January, I encourage you to ask how your club can address vocational needs in your community. What skills do your members have that could change someone's life? How can your networks open doors for young people? What partnerships can create sustainable jobs?

Let integrity guide you. Let The Four-Way Test light your path. And let the young people in California and the multitudes worldwide who need job skills remind you why vocational service matters.

Let us celebrate putting our professional skills to work for humanity with integrity at the heart of everything we do.

Angel "Jong" Fernandez
**DISTRICT GOVERNOR'S
LETTERS**

Happy New Year and warm Rotary greetings!

As we begin a new calendar year, we also celebrate Vocational Service Month, a time that reminds us of one of the fundamental pillars of Rotary. Vocational Service calls each of us to bring our profession, skills, and expertise into service for others. Rotary is not only about what we give financially, but about how we use our knowledge, influence, and daily work to uplift lives and create opportunities in our communities.

Every Rotarian is a leader in their field – teachers shaping young minds, health professionals caring for the sick, entrepreneurs creating livelihoods, and public servants strengthening institutions. When we practice integrity, fairness, and excellence in our vocation, we do more than succeed professionally – we inspire trust and hope. By mentoring the youth, guiding students in career pathways, supporting livelihood programs, and promoting ethical practices, we embody Rotary's Four-Way Test in action.

I encourage every club this month to organize activities that highlight vocational service: career guidance seminars, skills training, mentorship programs, recognition of outstanding workers, and partnerships that promote sustainable livelihood. Through these efforts, we help individuals discover dignity in work and empower families toward self-reliance.

Let us remember that our vocation is our daily opportunity to serve. Wherever you work, you represent Rotary. May we continue to live the ideals of service above self not only in our projects, but in our professions, our workplaces, and our character.

Together, let us make this year meaningful by transforming our skills into service and our professions into instruments of compassion.

Mary Christine Chua
**DISTRICT SECRETARY
NOTES**

Dear friends in Rotary,

Warm Rotary greetings to our dedicated Rotarians and Rotaractors!

As we observe Vocational Service Month, we are reminded that our professions are powerful avenues for service. In Rotary International, vocational service challenges us to uphold integrity, professionalism, and excellence while using our skills to positively impact our communities. It is through our daily work that we demonstrate Rotary values in action.

This month, I encourage every club to document, support, and celebrate initiatives that highlight the dignity of work—whether through mentorship programs, skills training, career guidance, or recognition of individuals who exemplify ethical leadership in their professions. Your reports, records, and timely submissions help strengthen our district's impact and ensure that these meaningful efforts are recognized and sustained.

Let us continue to work together with efficiency, transparency, and unity, turning our vocations into instruments of service and inspiration. May this month motivate us to serve not only through projects, but through the way we conduct ourselves professionally every day.

Bonifacio Tordillo Jr.

ASSISTANT GOVERNOR'S REMARKS

To my fellow Rotarians of Kankabato,

Greetings to all Rotarians, Rotaractors, and community partners,

As we celebrate Vocational Service Month this January, let us reflect on the unique opportunity we have to serve through our professions and skills. Each of us, in our chosen vocation, has the power to make a positive impact—whether by mentoring youth, promoting ethical practices, or providing expertise to improve community well-being.

This month, I encourage every club to organize meaningful activities that showcase the value of vocational service—career guidance sessions, livelihood projects, skills workshops, or recognition of professionals who exemplify integrity and excellence. Remember, our actions in our workplaces are extensions of Rotary's mission: to serve others with honor and purpose.

Together, let us continue to lead by example, turning our knowledge, skills, and professions into instruments of service and inspiration for our communities.

Al Anthony F. Casal
**EXECUTIVE'S
INSIGHTS**

To my club officers and members,

As we welcome the new year and celebrate Vocational Service Month, we are reminded of the profound impact that our professions and skills can have on the lives of others. Each of us carries a unique set of talents and knowledge that, when shared with sincerity and integrity, becomes a powerful tool for service. This month is a call to reflect not only on what we do in our workplaces, but on how we use our work to make a meaningful difference in our communities.

Vocational service is more than a task—it is a commitment to serve with excellence, fairness, and compassion. Whether we are mentoring the youth, guiding students in career choices, providing health services, or helping families build sustainable livelihoods, every action rooted in our vocation can bring hope, inspiration, and lasting change. Through these efforts, we embody Rotary's ideals, turning our professional life into a beacon of service above self.

I encourage all our members to take this month as an opportunity to design and participate in initiatives that highlight the dignity of work. Organize mentorship programs, skills workshops, livelihood projects, or recognize individuals whose careers reflect integrity and leadership. Every effort, no matter how small, strengthens our mission and nurtures the values of responsibility, compassion, and community.

Let us also remember that vocational service extends beyond our organized projects. Every ethical decision, every kind gesture in our daily work, and every time we share our knowledge with those who need it, we create ripples of positive change. Through our professions, we not only serve but inspire others to live with purpose and lead with heart.

Together, let us embrace this month with renewed dedication. May we turn our vocations into avenues of hope, our skills into instruments of empowerment, and our work into acts of love and service. As Rotarians, let us continue to lead by example, making a lasting difference not only in our community but in the lives of every individual we touch.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE 4 WAY TEST

Of the things we think, say or do

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

Mar Angelo S. Lim
