Shekhar Mehta

RI President 2021-22

"The biggest gift we are given
Is the power to touch a life,
To change, to make a
difference

In the circle of life.

If we can reach out

With our hand, heart, and soul,

The magic will start to happen

As the wheel begins to roll.

Let's turn the wheel together

So all humanity thrives,

We have the power and the

magic

To Serve to Change Lives."

*Anna Louisa A.
Bumagat
District Governor RY 2021-22*

"This year, we focus on the theme "Serve to Change Lives" as our inspiration and motivation in aligning our goals to Rotary's Action Plan and achieve Rotary's vision. It is my belief that we all resonate with the theme since our commitment as Rotarians to SERVICE is what fuels all of us to extend our time, talent and resources for causes greater than ourselves. It also means taking service to the next level as we leverage on our past successes and setting our sights as a Rotary District of the future -- resilient to current-day realities; responsive to the needs of our members and our communities; and more faithful than ever to build forward better."

Marybelle S. Agreda
Club President, RY 2021-22

I am very honored to be your 9th President of this club, RC Koronadal Central, which dedication to service has been imbibed in my spirit. And it is the same spirit that has led me to accept the mandate of being your President for Rotary Year 2021-2022.

As we start this new rotary year during this COVID-19 pandemic we will not let the virus stop us from extending our service to people who most need us at this time. We will keep going no matter what, for as long as we can. We will abide by our theme, “We serve to change lives”, pandemic or no pandemic.
