ROTARY CLUB OF KORONADAL CENTRAL

Shekhar Mehta

RI President 2021-22

I am sure you are having an enriching experience as you Serve to Change Lives. One of the ways you can make the greatest change in a person's life is to help them learn to read. Literacy opens up the world to us. It makes us better informed about life in our own communities and opens vistas to other cultures. Reading and writing connects people and gives us another way to express our love for one another.

Empowering people through education is among the boldest goals we have as Rotarians. We don't have to travel far from our homes to encounter those whose lives are being curtailed because they struggle with reading, rely on others to read for them, or cannot write anything more than their own name.

Anna Louisa A.

Bumagat

District Governor RY 2021-22

Marybelle S. Agreda

Club President, RY 2021-22

Greetings! September was very exciting and busy month for RCKC. On Sept. 17, 2021, our club together with 2 other clubs in Area 3H participated in the World Bamboo Planting Day 2021 with the theme: “Alay ng Bayan sa Inang Kalikasan, Kawayan” in Brgy. Dumaguil, Norala, South Cotabato.

A total of 600 Bamboo propagules were planted. Thank you DENR Soccsksargen for making us part of your very noble endeavor.

Our club also donated 8 foams to the Isolation Center in General Santos City last Sept. 21, 2021, an initiative of Area 3FGH.

On September 25, 2021, our club successfully conducted an outreach Program “Tulong sa Batang Slong”, Project WRITE, Operation Tuli and Gift Giving in Sitio Slong, Brgy. Ned, Lake Sebu. Our club with the Rotaractors in Koronadal, 12th Special Forces “Frogman” Co. and Quality Health Diagnostic Laboratory were able to give smiles and happiness to the said community. We were able to give: school supplies, loot bags with assorted food and candies, packed meals and snacks and slippers to 180 children and a sound system for their school. A total of 24 boys availed the free Tuli conducted by our Aspiring Rotarian Dr. Jed Jumilla and members of Frogman Co. We were also able to give light to Sitio Slong by donating Solar Lights. Isn't it amazing? Thank you so much Lifechanging Rotarians for your donations and support.

And lastly, last Sept. 29, 2021 we had a Vaccination Orientation/Education via hybrid to the members of RCKC and employees of Agreda Group of Cos. It was conducted by Mr. Glen Doctolero, a nurse from the City Health Office.

Indeed, we are worthy to be called Lifechangers and People of Action. Let's continue to bless others and change lives.

MALCOM X

A friendly reminder from
Rotary Club of Koronadal Central

In partnership with Quality Health Diagnostic Club, Quality Help The Good Samaritan, Rotaract Club of STI Marbel, Rotaract Club of Koronadal, Rotaract Club of Korbel, 12th Special Forces "Frogman" Company lead by 1LT Pe-Jay Gonzaga and some private individuals, the RCKC successfully conducted the "Tulong para sa Batang Slong" and "Project Heart" - an outreach program for the benefit of the learners of Proper Ned Elementary School-Slong Extension last September 24-25, 2021.

160 learners were able to received the following:

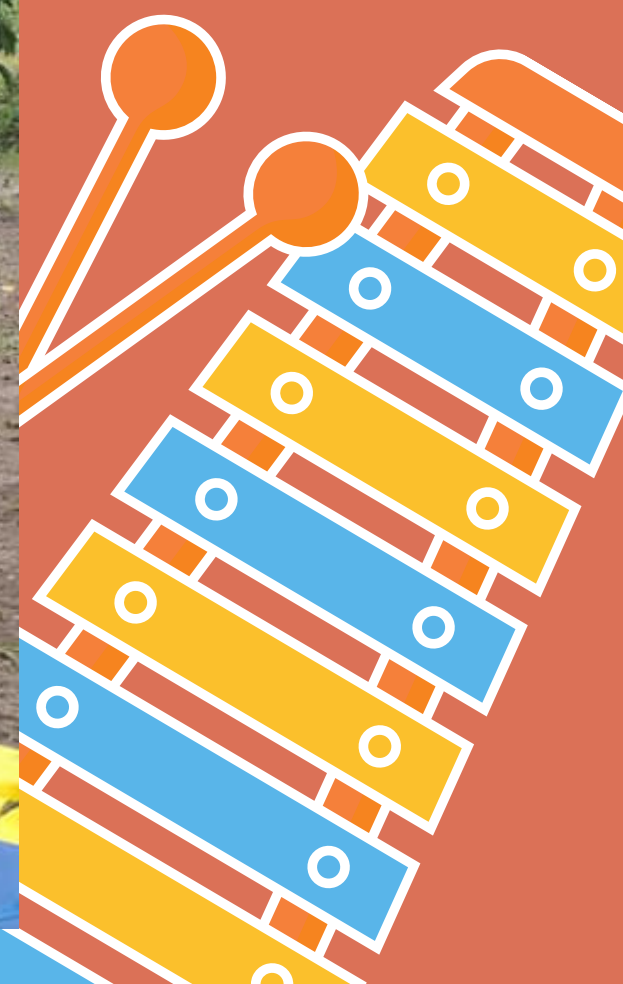

Complete Package of School Supplies

Loot bags with assorted food and candies

Packed meals and snacks

180 pairs of slippers

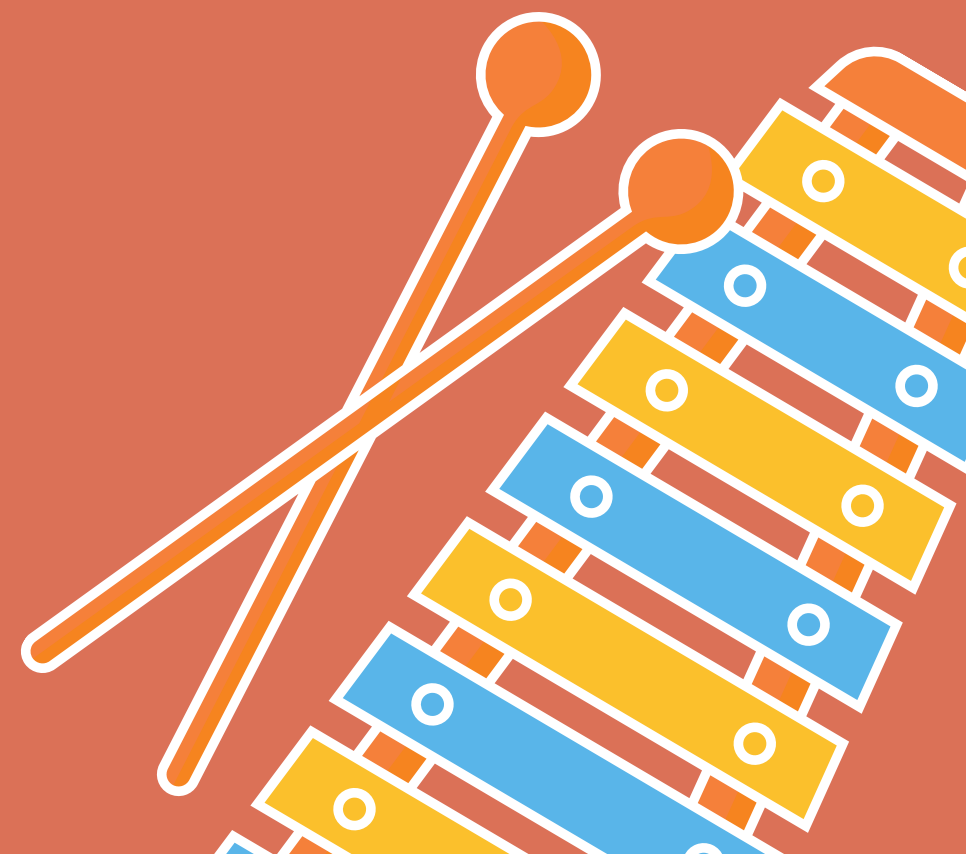

With the help of Quality Health Lab headed by Dr. Jed Jumilla together with the 12th Special Forces "Frogman" Company, 24 male learners were circumcised and provided with medicines. A medical consultation was also conducted to check the health conditions of the pupils and the community which we believe is the most important thing that needs attention.

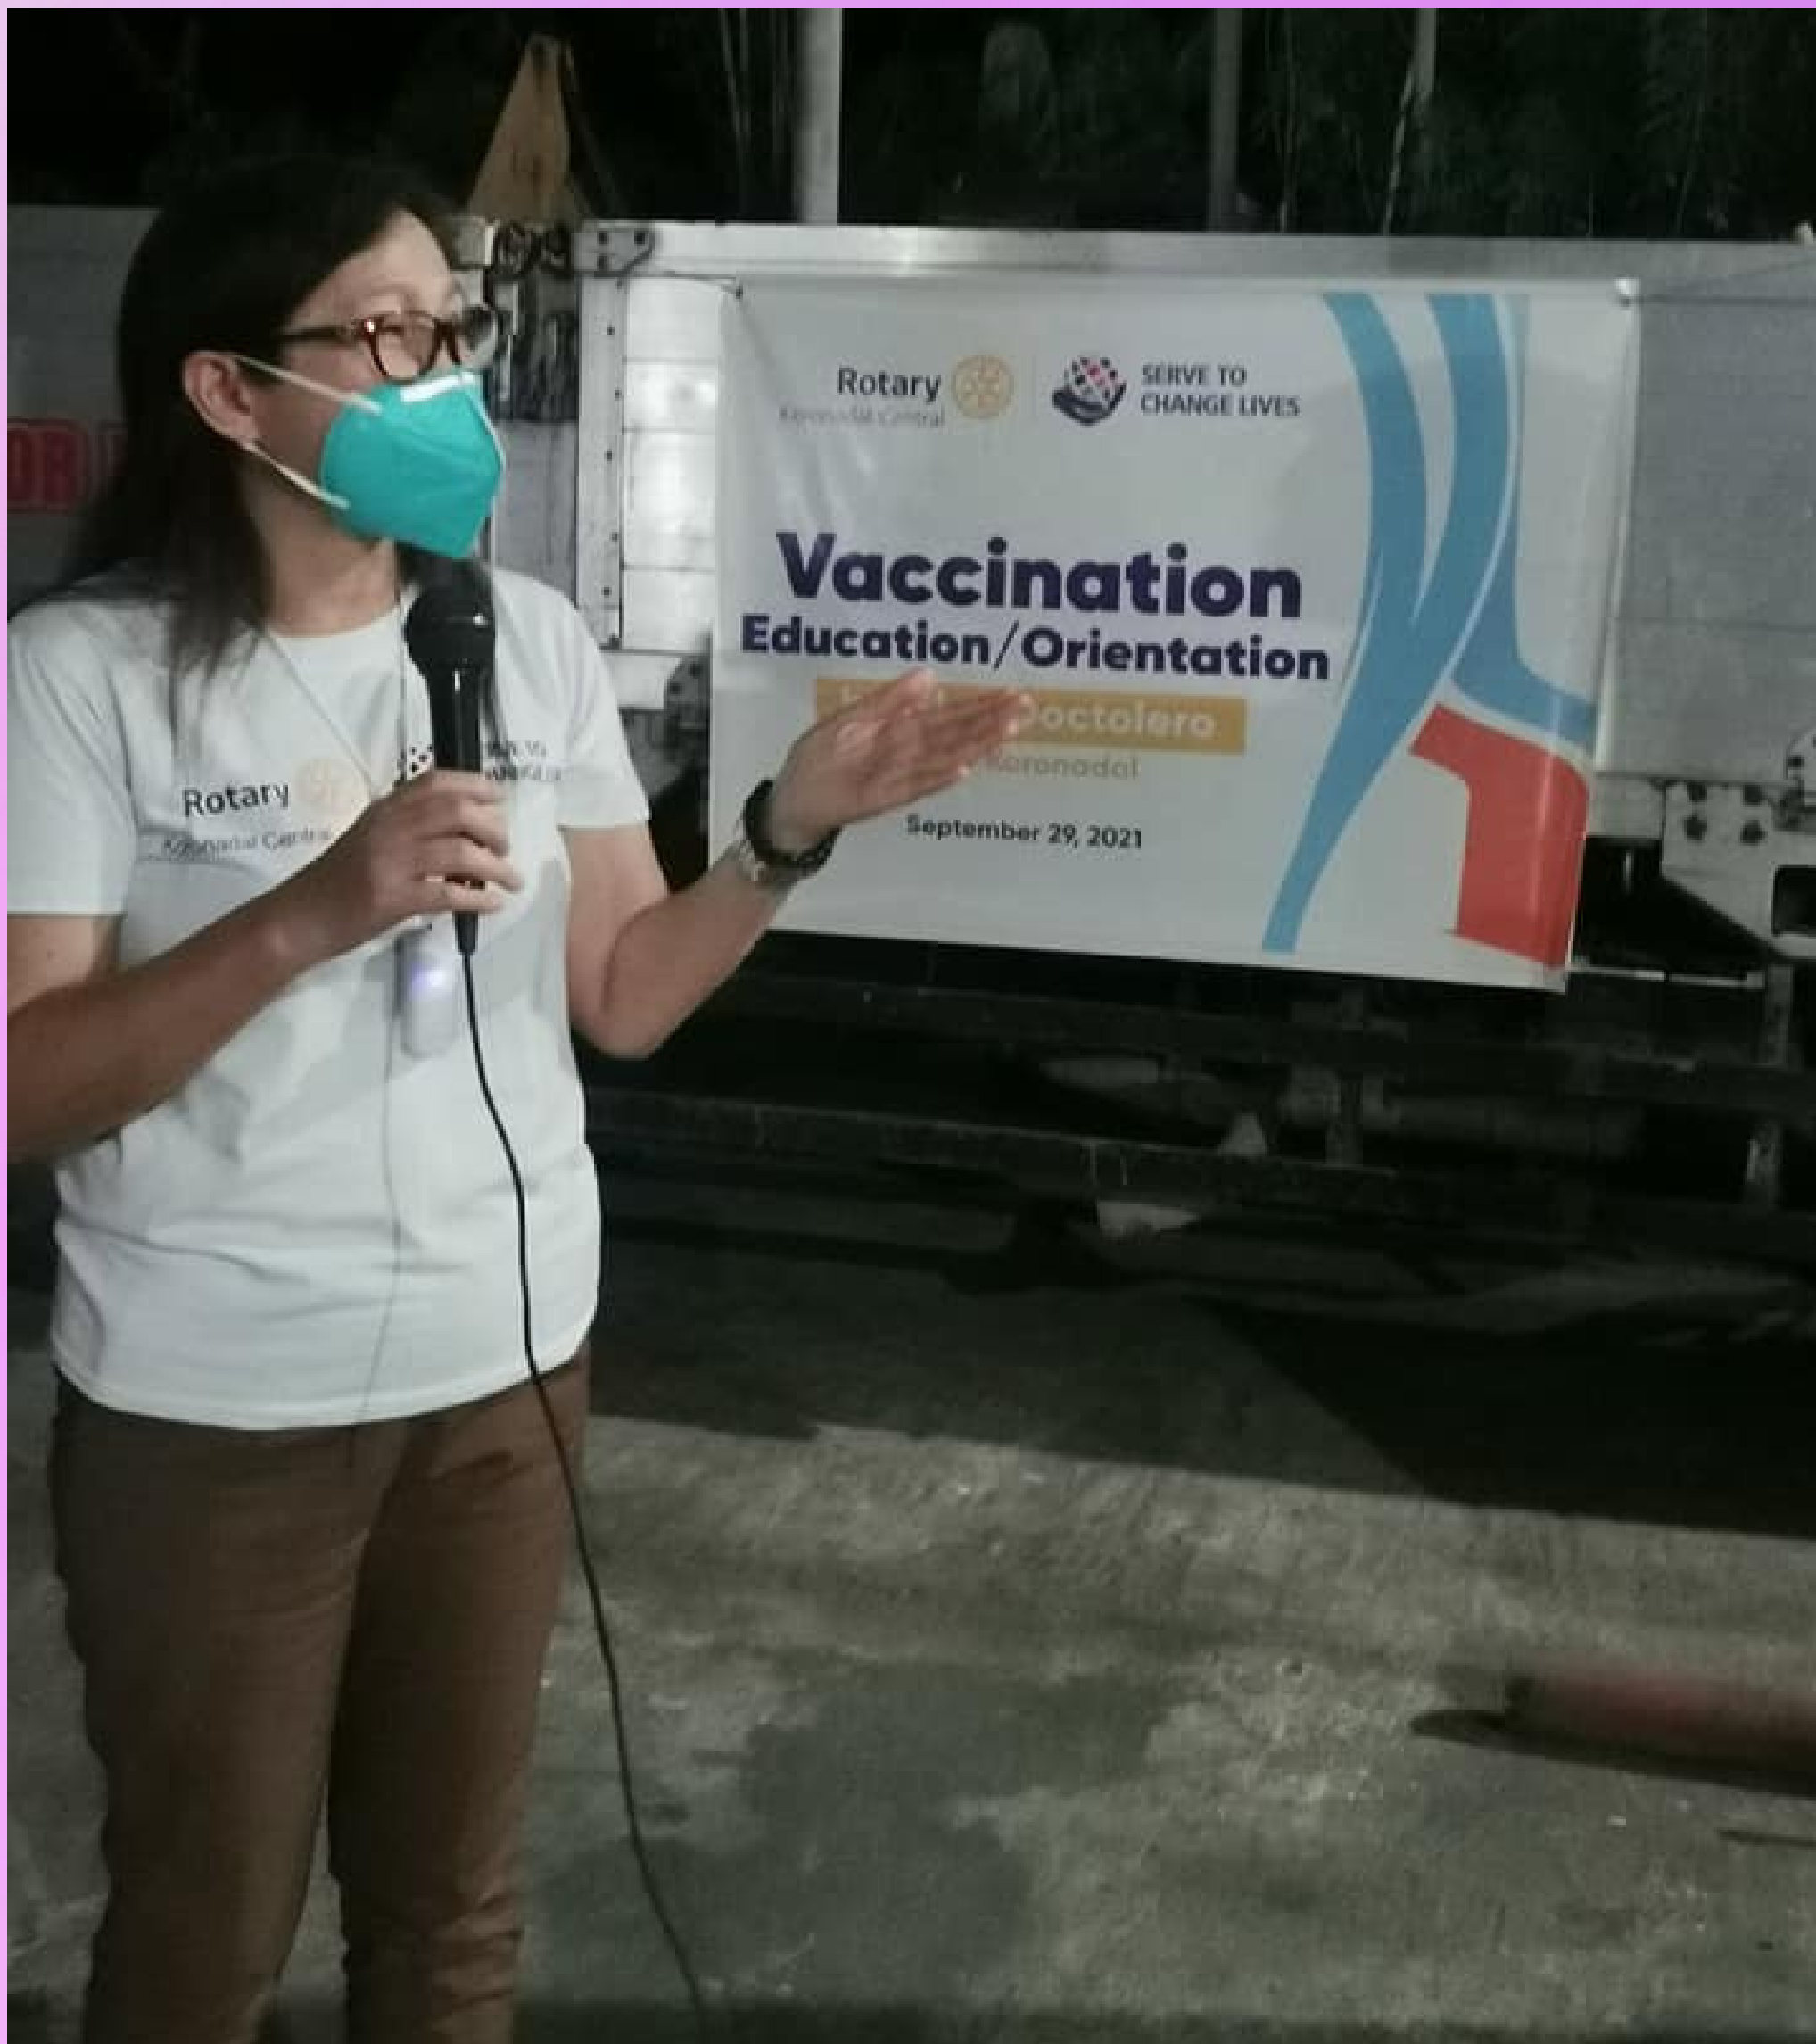

Four (4) units of Solar Street lights courtesy of Past Assitant Governor Carlo Precioso, Rotarian Maribel Sy, Rotarian Jessie Cruz and Rotarian Jim Harris Bastes were also successfully turned over and installed to the school which symbolizes hope to the villagers. A brand new set of sound system was also donated by Rotarian Kahar Dalaten to be used by the school during their programs and activities.
