ROTARY CLUB OF KORONADAL CENTRAL

Shekhar Mehta

RI President 2021-2022

I first discovered the value of service when I saw how a few simple acts can immeasurably change lives. It began when I joined others in my club for a project to bring toilets and clean drinking water to rural villages near our city. It moved forward when we promoted sanitation and provided opportunities for education across the country, thanks to generous gifts from supporters who believed in our projects as much as those of us on the ground did.

There is no better time of the year to be reminded of that generosity than November, which is Rotary Foundation Month. As the charitable arm of Rotary International, The Rotary Foundation is the engine that powers so many Rotary projects throughout the world. The Foundation transforms your gifts into projects that change lives. It is the Foundation that helps us to get closer to our goal of eradicating polio, to show more people how we promote peace through tangible actions, and to demonstrate the impact our projects have in our areas of focus.

Consider some recent projects that were made possible by the Foundation:

- The Rotary clubs of Guatemala La Reforma, Guatemala, and Calgary, Alberta, received an \$80,000 global grant to organize a comprehensive plan to train nurses and rural health care workers to prevent and treat cervical cancer and to implement a sustainable system of referrals in seven regions of Guatemala.
- More than two dozen hospitals in Honduras received personal protective equipment for their medical staff thanks to a \$169,347 global grant sponsored by the Rotary clubs of Villa Real de Tegucigalpa, Honduras, and Waldo Brookside–Kansas City, Missouri.
- The Rotary clubs of Cotonou Le Nautille, Benin, and Tournai Haut–Escout, Belgium, received a \$39,390 global grant to provide agricultural training at an ecologically responsible permaculture mini–farm connected to a center for children in Sowé, Benin. This will help a new generation of farmers become economically self–sufficient.

I like comparing The Rotary Foundation to the Taj Mahal, a monument of one man's love for a woman. The Foundation is a dynamic monument of our love for all of humanity.

This month I am asking all Rotary clubs to bring attention to the Foundation. It is what connects all Rotarians worldwide and transforms our collective passions into projects that change lives. Visit rotary.org/donate; once there, you will have an opportunity to give directly to the program you're most passionate about.

Thank you for giving your all to Rotary. You are the reason that Rotary is able to do more and grow more. Let's continue to represent that important legacy this month, this year, and beyond as we Serve to Change Lives.

Club President, RY 2021-2022

This month is a very exciting month for Area 3 F,G & H for this is the visitation of our District Governor Anna Luisa Bumagat, Spouse, PDS Troy Bumagat and District Secretary Caroline Andrade to all the clubs in these areas. I'm sure all the Presidents and Secretaries will be very busy in all the preparations. And we look forward in welcoming our very honored visitors.

Aside from the visitation, our club will have other activities/projects to handle. 1. Installation of water system to provide safe drinking water to 60 households of Sitio Slong, Ned Lake Sebu. This will address the Water and Sanitation area of focus. 2. Facilitation of 3 Cleft Palate children from Ned, Lake Sebu for surgery at Davao Maharlika Charity Foundation in Davao City on November 14, 2021. 3. Medical Mission: Free Operation Tuli and Medical Check Up in Banga, South Cotabato.

Let us all continue in serving and helping those who need our help most but let us not forget to observe extra care and safety in every activity we will have. Thank you my dear Lifechanging Rotarians and Spouses for your generosity.
