ROTARY CLUB OF KORONADAL CENTRAL

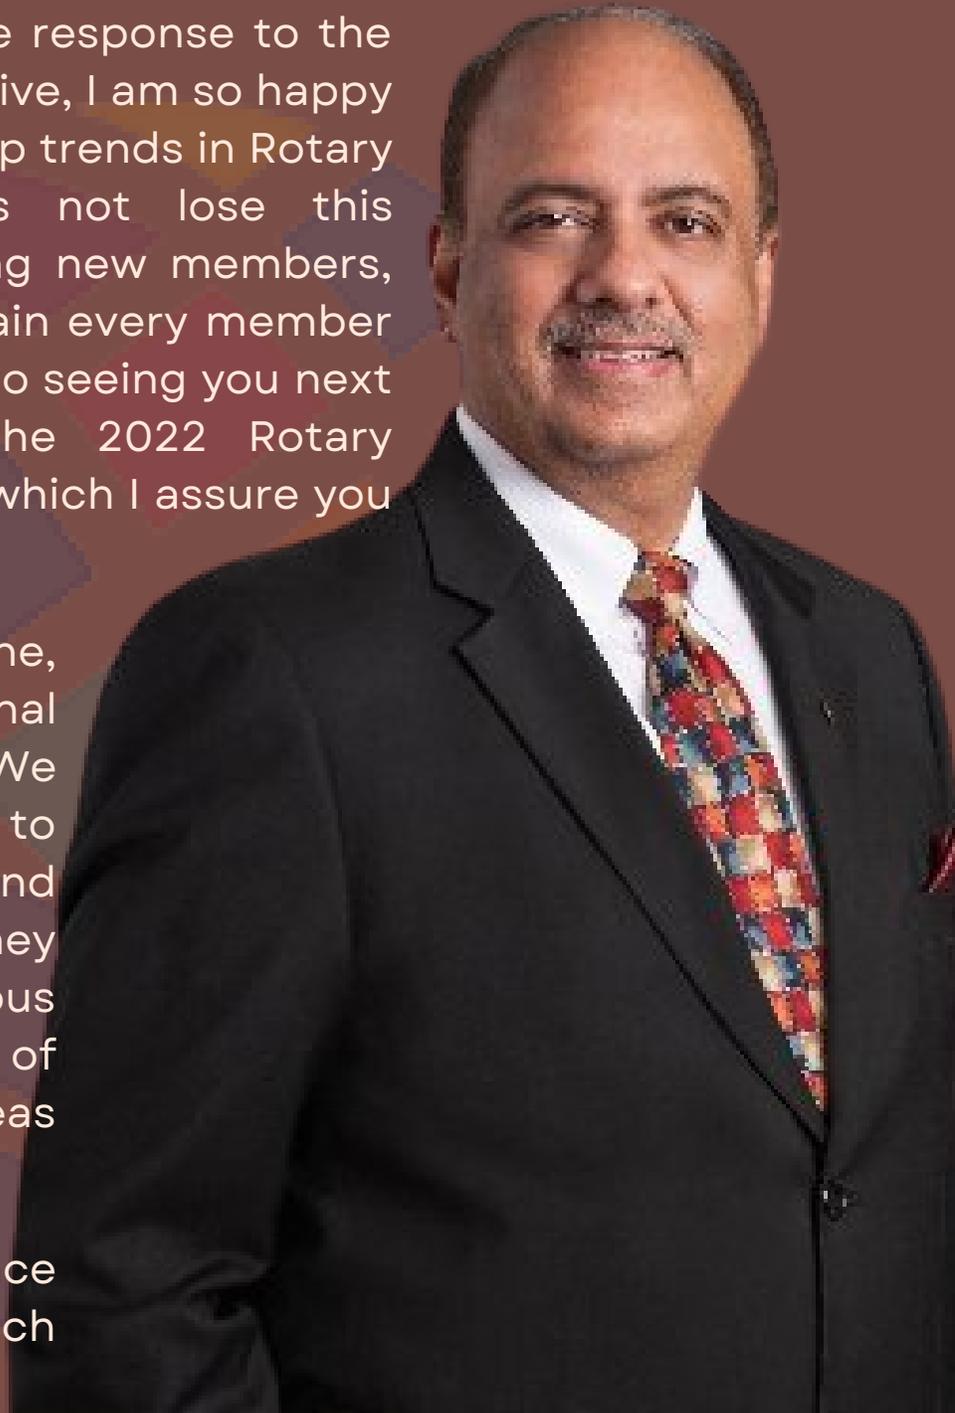

PRESIDENTIAL MESSAGE

Due to your positive response to the Each One, Bring One initiative, I am so happy to see that the membership trends in Rotary are looking up. Let us not lose this momentum – keep inviting new members, and also work hard to retain every member we attract. I look forward to seeing you next month in Houston at the 2022 Rotary International Convention, which I assure you will be a great event.

Also in Houston this June, we will be hosting my final presidential conference. We have devoted this year to conferences built around Rotary's areas of focus. They have been a tremendous success, both in terms of attendance and in the ideas that were generated.

Last fall, our conference in the Philippines, which focused on protecting the

PRESIDENTIAL MESSAGE

environment and growing local economies, attracted 2,200 people online. In Brazil, our meeting centered around water, sanitation, and hygiene and how it relates to disease prevention and treatment; more than 600 people attended. That was followed by an event about the environment, economy, and peace in Maputo, Mozambique, which attracted around 400 in-person attendees and another 700 virtually. Our conference about keeping the economy and environment in harmony, held in Venice, Italy, had more than 600 in attendance.

Through these conferences and my world travels, numerous leaders have met with me and agreed to collaborate with Rotary. They include the prime minister of Mauritius, the president of Seychelles, the deputy prime minister of Bahrain, and the presidents of Albania and Kosovo. Clearly, Rotary is making an impact, and the world is eager for our leadership.

In Houston, the final presidential conference, Serve to Bring Peace, will focus on an area in which Rotary has long provided leadership. Everything we do in Rotary helps create the conditions that foster peace in communities, nations, and ourselves.

In March, I was able to see firsthand the tremendous difference Rotary is making in Ukraine, as refugees continue to pour into Poland. Donors have contributed millions of dollars to this effort;

**SERVE TO
CHANGE LIVES**

PRESIDENTIAL MESSAGE

our projects are making a tremendous difference, and there is enormous gratitude for your continued generosity and support.

It is heartbreaking to see up close all the lives that have been uprooted, and the Ukrainian people are not alone. A devastating civil war in Yemen continues. The humanitarian crisis in Afghanistan is deepening. Armed conflicts affect nations across Africa, including Libya, South Sudan, the Central African Republic, northern Mozambique, Ethiopia, and Cameroon. And major refugee crises continue in Syria and Venezuela.

Rotary will always be on the side of the peaceful resolution of conflict and providing aid and comfort to people in need. Rotary was there at the end of World War II, promoting the creation of the United Nations and standing up for the cause of peacebuilding worldwide. It is time to renew our mission and perform our role as one of the world's great promoters of peace.

There is no better way to Serve to Change Lives than to serve the cause of peace.

Shekhar Mehta
RI President 2021- 2022

District Governor, RY 2021-2022

District Governor Anna Louisa Abanes-Bumagat is the first and youngest Lady Governor from Area 3; and the third member from the Rotary Club of Ormoc to become Governor of District 3860 following Past District Governors Luis Fran, Sr., and Peter Rodriguez, both relatives from her paternal side.

She graduated a degree in Bachelor in Secondary Education (Cum Laude) from the University of the

Philippines Diliman in 1992; and completed her Master's in Educational Leadership (With Distinction) from De La Salle University-Manila in 2009.

Koronadal Central
Rotary
Club

**SERVE TO
CHANGE LIVES**

District Governor, RY 2021-2022

Currently, she works as the School Director of Saint Paul's School of Ormoc and serves as Secretary on its Board of Directors. She is also the Finance Officer of Trophy Farm, a business she jointly established with her husband in 2011.

A second-generation Rotarian, she was inducted into Rotary in November 2005 and has registered a 100% attendance for 16 years. She served as Club President in 2009-2010 under the theme "The Future of Rotary is in Your Hands".

Beyond the club level, she has served District 3860 twice as Assistant Governor; District Secretary;

District Internet and Communications Officer; District Deputy for Special Projects; District Community Service Chair; District Stewardship Chair; District Grants Chair for three years; and District Chief-of-Staff.

Ever humble of her many Rotary accomplishments and citations she received, she devotes a substantial amount of her time to service initiatives that spark her passion and ignite her spirit into action. Over the course of her membership in Rotary, she takes a particular interest in basic education and literacy projects.

District Governor, RY 2021-2022

She played a big role in rehabilitating schools in partnership with local and international partners after super typhoon Yolanda damaged majority of the schools in Ormoc.

To her, the theme “Serve to Change Lives” embodies her passion and purpose as a Rotarian to make a difference one life at a time. She envisions growing membership in all levels of the organization and is a firm believer of The Rotary Foundation in its enduring mission to “Do Good in the World.” With her brand of leadership, she endeavors to empower her fellow Rotary volunteers to learn more, to grow more, and do more for the communities they serve.

Apart from her Rotary and professional life, her family takes center stage where she proudly wears the hat of a devoted spouse to her husband, Troy, of 21 years; and a doting mother to their four children: fraternal twins Angela and Amanda, Athena, and Tristan.

Anna Louisa A. Bumagat

PRESIDENTIAL MESSAGE

‘Never measure life by your possessions. Measure it by the hearts you touched, the smiles you created and the love you shared’

Greetings of Peace!

One year as Life-changing President is almost over and still there’s so much to serve, so much to share. RCKC is fortunate enough to conduct two projects this month:

1. Polio Vaccination on May 4, 2022 at Brgy. Health Center, Brgy. GPS, Koronadal City and;
2. Resbakuna for Children on May 6, at the Provincial Hospital in Koronadal City. Loot bags and snacks were distributed as their rewards.

PRESIDENTIAL MESSAGE

On May 27, 2022, nine members and spouses of RC Koronadal Central attended the District Convention in Ormoc City. Kodus to the host club RC of Ormoc for a very splendid hosting. Congratulations to our very energetic and inspiring District Governor, Gov. Anna Bumagat for a very well planned District Convention. It was my first Discon and I could say, very well done with a lot of class. Thank you so much for a wonderful and memorable experience.

Marybelle S. Agreda

**END
POLIO
NOW**

What Is Polio?

Poliomyelitis is a highly infectious disease that most commonly affects children under the age of 5.

Most know it as poliovirus. The virus is spread person to person, typically through contaminated water. It can attack the nervous system, and in some instances, lead to paralysis. Although there is no cure, there is a safe and effective vaccine – one which Rotary and our partners use to immunize over 2.5 billion children worldwide.

SOURCE: <https://www.endpolio.org/what-is-polio>

Rotary Club of Koronadal Central are always on the move in the total eradication of Polio in the World in collaboration with the local government units through active participation in the conduct of patak polio and vaccination at Barangay GPS, City of Koronadal, South Cotabato last May 4, 2022 wherein a total of 39 babies availed the vaccination

FACTS about polio

SOURCE: <https://www.endpolio.org/what-is-polio>

1

Polio mainly affects children under age 5.

2

There is no cure, but polio is preventable with a vaccine.

3

Only two countries remain endemic.

4

We've reduced cases by 99.9% since 1988.

5

Until we end polio forever, every child is at risk.

PHOTO CREDIT: RCKC May 4, 2022
Barangay GPS, City of Koronadal, South Cotabato

Unless we eradicate polio, within 10 years, as many as 200,000 new cases could occur around the world each year. In the past few years, only two countries have reported cases of polio caused by the wild virus, but no child anywhere is safe until we've vaccinated every child.

**FIGHT
AGAINST
COVID-19**

What Is Corona Virus (COVID-19)?

Coronavirus disease (COVID-19) is an infectious disease caused by the SARS-CoV-2 virus.

Most people infected with the virus will experience mild to moderate respiratory illness and recover without requiring special treatment. However, some will become seriously ill and require medical attention. Older people and those with underlying medical conditions like cardiovascular disease, diabetes, chronic respiratory disease, or cancer are more likely to develop serious illness. Anyone can get sick with COVID-19 and become seriously ill or die at any age.

SOURCE: https://www.who.int/health-topics/coronavirus#tab=tab_1

Our heartfelt gratitude to our medical frontliners from South Cotabato Provincial Hospital for giving us the chance to be a part of this cause last May 6, 2022 wherein a total of 148 young individuals received their covid 19 vaccines.

-RCKC 2021-2022

A COVID-19 vaccine can prevent your child from getting COVID-19 and spreading it at home and in school.

If your child gets COVID-19, a COVID-19 vaccine could prevent severe illness.

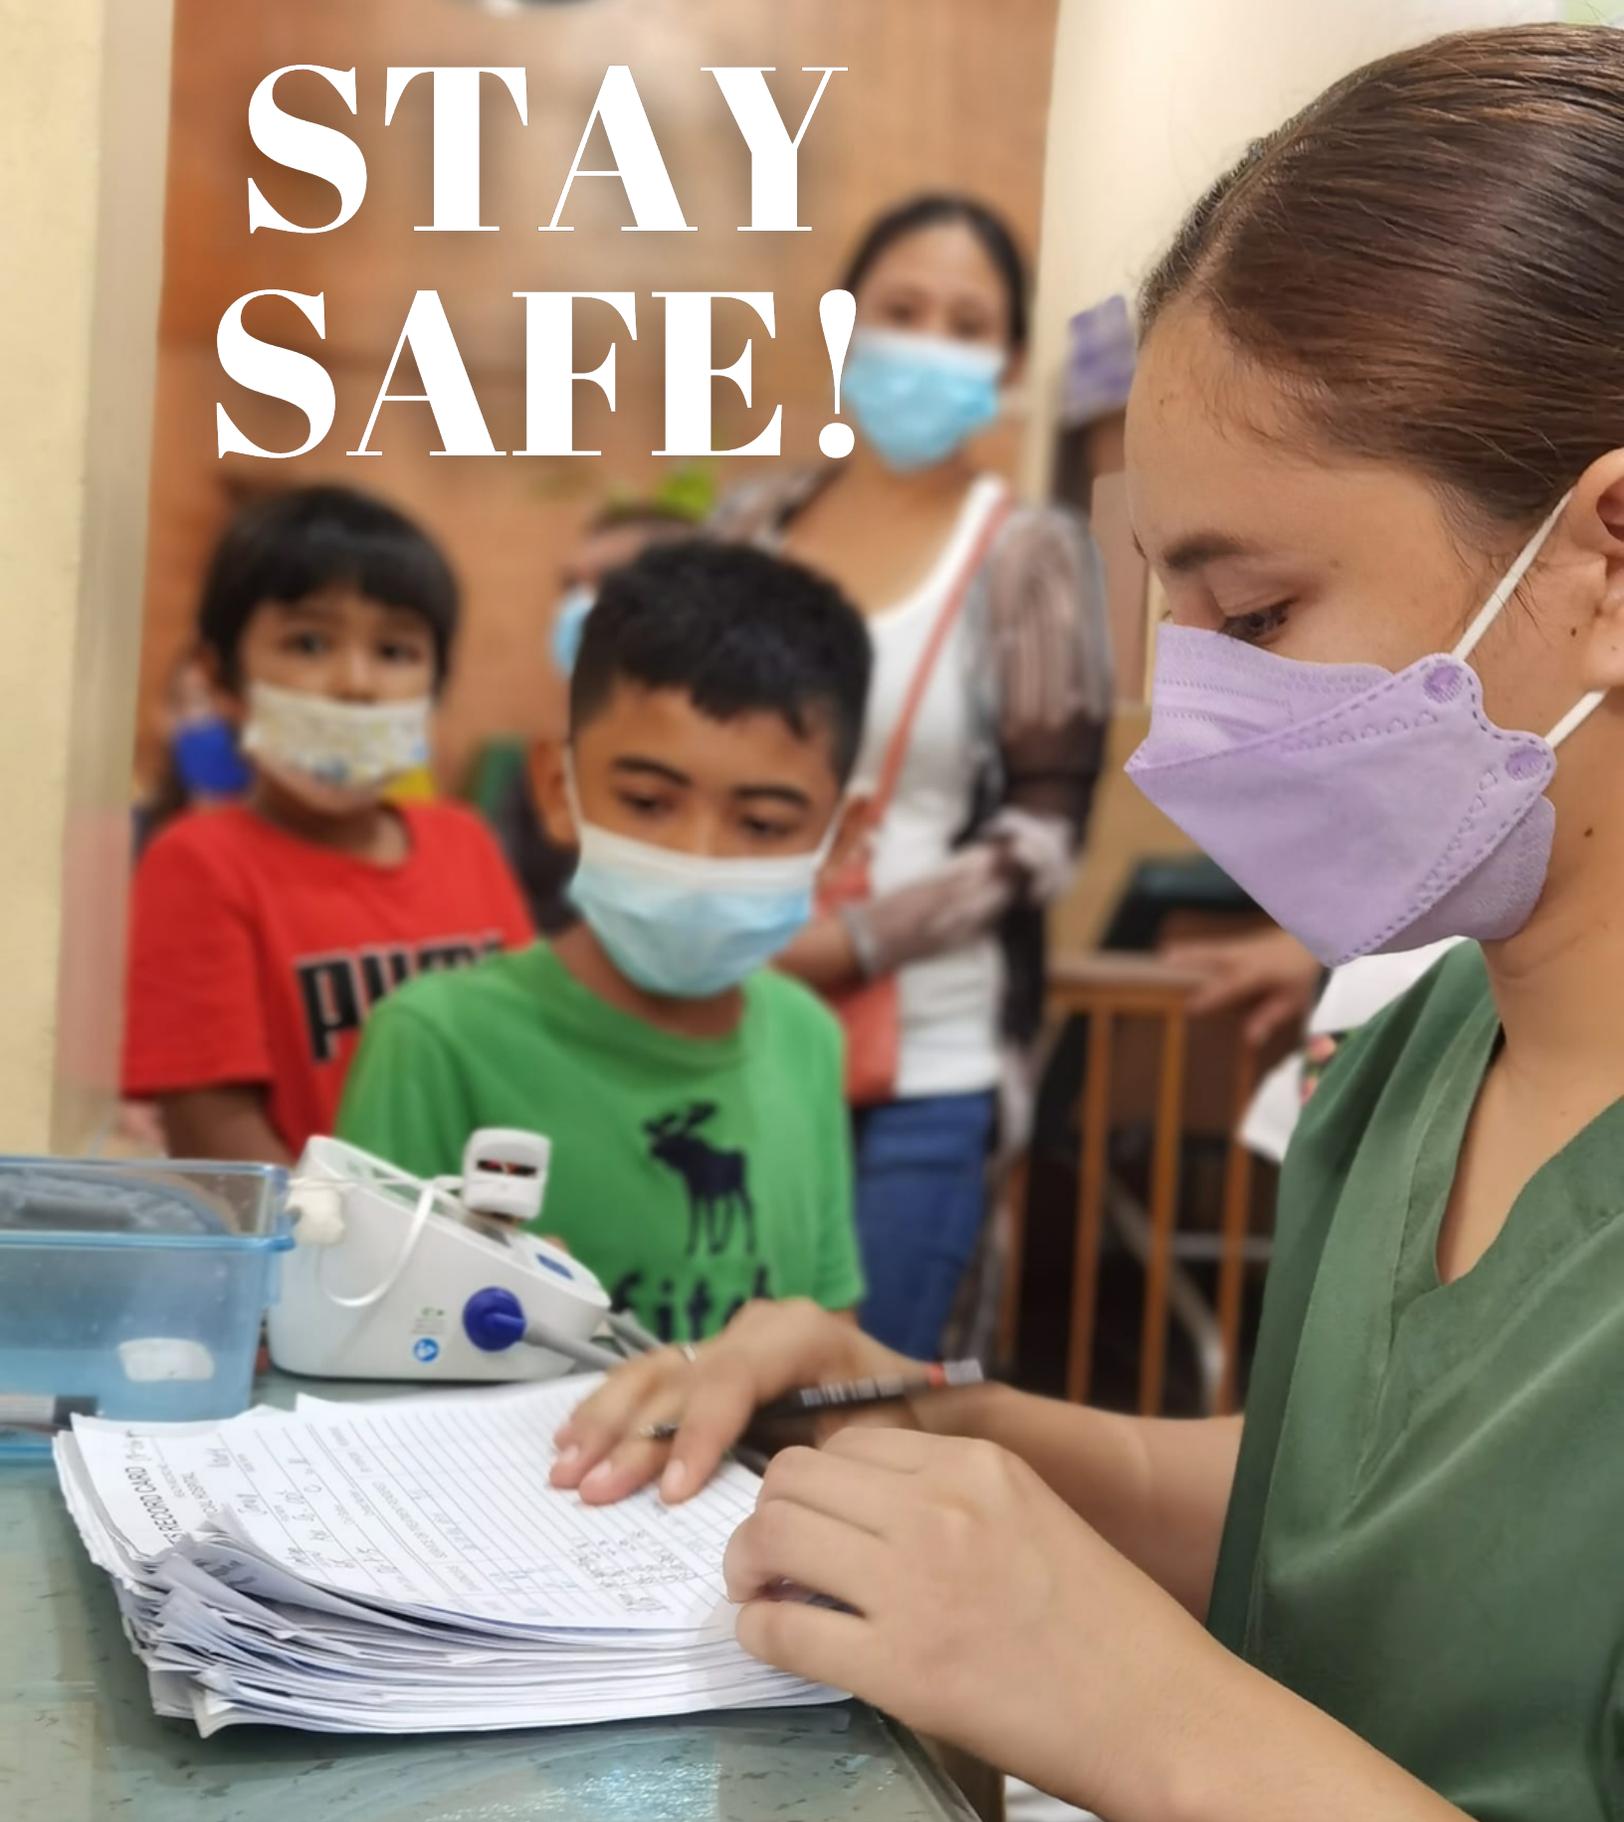

Getting a COVID-19 vaccine can also help keep your child more safe in school, have playdates and participate in sports and other group activities.

If you love your children, let's get them vaccinated and your Rotary Club of Koronadal Central is one with our Government in giving awareness and motivations to our young generations on how essential covid 19 vaccination is.

Together, we can end this war against covid 19. Do your part, be vaccinated.

STAY SAFE!

To prevent infection and to slow transmission of COVID-19, do the following:

1 Get vaccinated when a vaccine is available to you.

Stay at least 1 metre apart from others, even if they don't appear to be sick.

2

3 Wear a properly fitted mask when physical distancing is not possible or when in poorly ventilated settings.

Choose open, well-ventilated spaces over closed ones.
Open a window if indoors.

4

5 Wash your hands regularly with soap and water or clean them with alcohol-based hand rub.

Cover your mouth and nose when coughing or sneezing.

6

7 If you feel unwell, stay home and self-isolate until you recover.
