ROTARY CLUB OF KORONADAL CENTRAL

Shekhar Mehta

RI President 2021-22

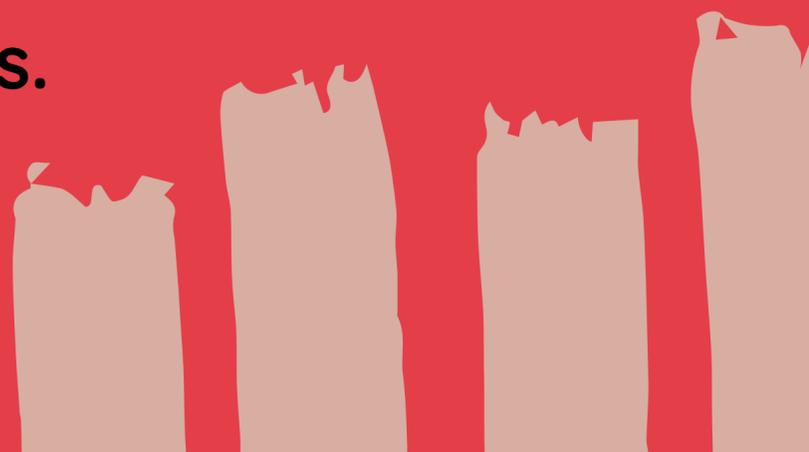

Dear fellow Rotarians:

What makes Rotary so wonderful is our ability to bridge differences in ages, geography, culture and language.

Our shared values, dedication to friendship and belief in Service Above Self unite us.

We are not afraid to tackle some of the world's most critical and widespread humanitarian issues. We vaccinate children against polio, teach young adults to read, and bring water to villages that have none. We know firsthand the impact helping our neighbors down the street or across the border can have for current and future generations.

I hope this event inspires you to create positive, lasting change in ways that will affect communities for years to come. Your support will ensure that, working together, we Serve to Change Lives.

Anna Louisa A.

Bumagat

District Governor RY 2021-22

Marybelle S. Agreda
Club President, RY 2021-22

Greetings of Peace!

October was a very inspiring month for we were able to meet and greet the new Rotarians and Aspiring Rotarians in a face to face regular meeting, a first time since we started the Rotary Year 2021-2022.

On this month, we almost achieved the seven areas of focus: Maternal & Child Health, Basic Education & Literacy, Support the Environment, Community Economic Development, Peace Building and Conflict Prevention and Disease Prevention & Treatment. I challenge the Water & Sanitation Chair to start making plans for this area of focus.

Our club was able to register 8 participants to RYLA Bootcamp on Oct. 16 & 17, 2021. This is to help outstanding and potential students ages 12-17, to expand and develop their servant-leadership skills. Our club assisted in the vaccination 'Resbakuna' for private sectors at KCC Mall on Oct. 7, 2021 and on Oct. 17, 2021, our club conducted Free Operation Tuli and distributed free snacks and school supplies to 40 kids at Brgy. Bukay Pait, Tantangan, South Cotabato. Our club was able to contribute to The Rotary Foundation and achieved the 100% EREY contribution, produced two new PHF and five MPHF. We also had End Polio and Breast Cancer Awareness Campaign on Oct. 16, 2021 by having a motorcade around Koronadal City and ended with lectures at the barangay hall of Brgy. Zone 1, Koronadal City.

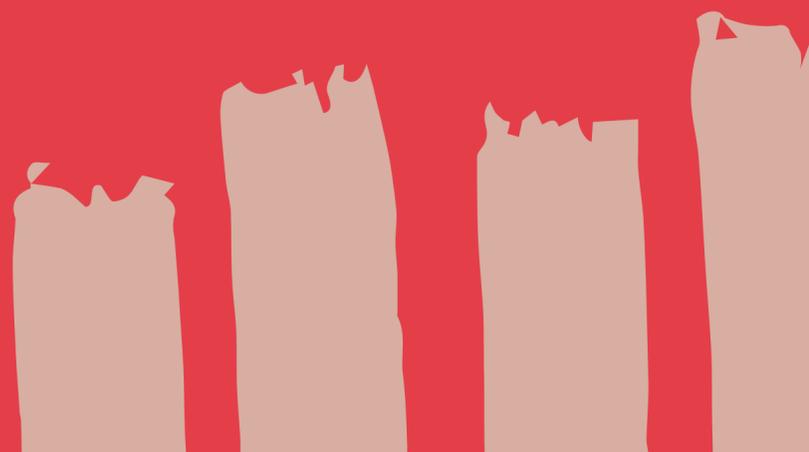

Thank you Lifechanging Rotarians and Spouses for your untiring support to our noble endeavors. We will be looking forward to the visitation of our District Governor Anna Louisa Bumagat to our club next month. Keep safe and I wish you all well.
