D3860 END POLIO RIDE 2023
Join us on September 10 as we launch another RIDE TO END POLIO event in Cebu! This activity is in support of Rotary International's global campaign to end polio.
The ride is open to cyclist from amateurs to athletes and offers short and long distances. Stopovers are scheduled in specific areas where a mass vaccination program will be conducted in cooperation with the Department of Health and supported by the local government and Rotary clubs from around Cebu.
This event also aims to increase awareness of the dangers of polio and the ease of fighting the disease through vaccination.
KNOW YOUR BODY. RIDE SAFELY.
