## MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Hello August!

As we usher in the month of August, I just would like to look back at the things our club were able to accomplish for the month of July.

First would be our 40<sup>th</sup> Induction and Hand-over Ceremonies. I am really happy with how the event turned out to be, not to mention our three new members who we have inducted. Our club is growing in such a steady pace and our new members truly are one of a kind and distinct. Hopefully we continue to retain our numbers in the years to come.

Second, our participation in the induction of the other clubs in our area. This shows that we are doing our part to build lasting relationships with other Rotarians, and being connected with them in fellowship, and hopefully connected as well in furthering Rotary International's goals and thrusts.

And lastly, our active involvement in the recent district wide bloodletting activity. Thank you to AG Jason Garcia for trusting me with coordinating the activity with our neighbor clubs in Area 3H. Thank you to all of you who took time last July 28 to participate and assist in your own capacity. And most especially to those who generously shared their blood in order to further Philippine Red Cross' goal of saving lives through clean and safe blood. We truly are champions of serving humanity.

As we enter the month of August, I am looking forward to more activities and projects with all of you. And I am confident that we can achieve many great things by being connected and being supportive of each other.

# THE DISTRICT GOVERNOR'S MESSAGE

My fellow “**Champion**” Club Officers and Rotarians,

This is going to be a very exciting Rotary journey for the District and your Club. I know that with our joined efforts, we CAN and WILL be able to share each Rotarian’s aspirations in life. Let us work to achieve our goals and make this Rotary year the most significant and memorable one.

At our Governor’s training held during the International Assembly in San Diego, USA, I had the privilege of joining more than five hundred of our Rotary leaders who lead their respective Districts. Together, we committed to the vision of our **Rotary International President Mark Maloney** who encouraged us to live by the theme: “**Rotary Connects the World**”. Reflecting on it and our work as Rotarians throughout a century of doing good, I realized that at the heart of our Rotary experience is to make **innovative** and **sustainable CONNECTIONS** with our members, people of different cultures, traditions and religions. Once connected with our fellow partners in service, they will be persevered to make a difference in our communities and provide professional opportunities we would otherwise not encounter if not through Rotary.

This year, we shall work towards four essential priorities: **First**, is to grow Rotary – by **strengthening membership**, both at the **Club** and **Rotaract** levels. **Secondly**, is to allow Rotary meetings become more **flexible**, **closer** to our homes and **involve** our Family in our service projects or activities. **Third**, is to **develop** leaders beyond the club level and provide opportunities for them to grow. And **fourth**, **broadening** projects related to the SIX Areas of Focus in alignment and partnership with the United Nations.

By the end of the Rotary year, we hope to be able to address Rotary’s major priorities on supporting **The Rotary Foundation (TRF)** through our personal and continuing contributions to the Annual Programs Fund and the End Polio Campaign. With greater emphasis to expand our presence, it is only through our **Public Image** initiatives would our community be able to value and appreciate the good deeds that we Rotarians have been doing in the past 100 years.

Thank you for being part of my Champion Team and May God continue to bless us for our enduring love to **SERVE BEYOND OURSELVES**.

Yours in Rotary Service,

*Philip N. Tan*

# Rotary Information

## A collaboration between Rotary and Heifer continues to produce big results, helping small farms provide healthier, locally-sourced food

In the fall of 2015, volunteers from Rotary and Heifer International came together to build hoop houses for a few farmers working small lots in Arkansas, USA. The afternoon outing was part of a larger project that is still reaping benefits four years later, supporting small-scale agriculture in the region and increasing access to locally-grown food.

Heifer has been using the small-scale agriculture model for decades to alleviate hunger and fight poverty around the world. The approach has the added benefits of being environmentally friendly and offering healthier food options.

That mission dovetails with Rotary's mission to grow local economies and improve health. So it's not surprising the two groups have teamed up on a number of occasions in the past 30 years to improve communities by helping families escape poverty. Several Heifer employees are or have been members of the Rotary Club of Little Rock, Arkansas, USA, the city where Heifer has its headquarters.

"Our values line up very well," says Ardyth Neill, a member of the Little Rock club and president of the Heifer Foundation. "With Rotary, it's Service Above Self and helping to serve others. Heifer has been working with farmers to be accountable, pass on their gifts, train other farmers, and work together in community. It's learning to share and care, basic things that work well together."

## RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

**AUGUST 2019**

During 2019-2020, I am encouraging Rotarians and Rotaractors to grow Rotary. We must grow our service, we must grow the impact of our projects, but, most importantly, we must grow our membership so that we can achieve more.

Let us try a new approach to membership, one that is more organized and strategic. I am asking every club to form an active membership committee consisting of people of different backgrounds who will look methodically at the leadership of the community.

Your club's membership committee will then apply Rotary's classification system — designed to ensure that the range of professions in your community is well represented — to identify potential leaders with the skill, the talent, and the character that will strengthen your club. If your club's membership committee is unsure how to proceed, look to the club membership committee checklist on [Rotary.org](http://Rotary.org) for clearly defined steps to organizing its work.

How else will we connect to grow Rotary? We will also form new types of clubs — either independent clubs or satellite clubs — with different meeting experiences and engaging service opportunities, not just where there is no Rotary, but also where Rotary is already thriving. No Rotary club in the world can possibly serve all segments of its community. Therefore, we must organize new clubs to engage the community leaders who cannot connect with our existing clubs.

Growing Rotary is all about taking the connections that make our organization unique in the world and strengthening and multiplying them. Let us commit ourselves to growing Rotary and to welcoming the next diverse generation of women and men as *Rotary Connects the World*.

## THE TRUSTEE'S MESSAGE

Gary C.K. Huang

### AUGUST 2019

We have some very good problems that I want to discuss with you. The number of Rotary global grant requests is exploding. Rotarians are seeing the amazing impact of our grants, and they want to harness the power of global grants to take on ambitious projects.

One crucial aspect of our global grants is the emphasis on sustainability when planning a project. When we come together to tackle a problem, we do not just drop off a check and leave. We change lives. We bring sustainable solutions. The growth in the number of applications for global grants is a good problem to have; it shows Rotarians' dedication to service. But to fund more global grants, we need to keep The Rotary Foundation growing.

Another good problem we have is how best to support Rotarians' desire to provide relief in the face of disasters. Through our disaster response program, clubs can get grants from a new fund when a disaster strikes — but only if you fund it. We can help our fellow Rotarians rebuild quickly, but we need you to step up. And we are so close to ending polio forever. All of us have done great things in our lives. But just imagine that you make the donation that funds those final drops that rid the world of polio forever. You will never do anything so great and so important in your life.

There is an old bit of wisdom that says, "Wherever you go, go with all your heart." So open your heart and give to your Foundation. It may be the most important thing that you ever do.

Donate today, then drop by my Facebook page and tell everyone just how good giving made you feel. Let's connect and change the world together.
