PRA YER

Almighty God, we praise You that we have wakened to the light of another earthly day. Thank you for the gift of life, family, and friends. Lord, give us strength to do, patience to bear; let our courage never fail in every Rotary activity. May Your divine protection be with us everyday. We do all these things to glorify You. This we ask in your most precious name, Amen.

The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- As a Rotarian I will:
- ✓ Act with integrity and high ethical standards in my personal and professional life.
 - ✓ Deal fairly with others and treat them and their occupations with respect.
 - ✓ Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
 - ✓ Avoid behavior that reflects adversely on Rotary or other Rotarians.

MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Hello everyone!

This week we are celebrating the birthdays of three of our esteemed members - PAG Gerry Cruz, VP Lorenzo Mariñas, and Rtn. Jesus [Jake] De Jesus. Thus far they have served and worked with Rotary, and truly their contributions are immeasurable. Let us join them in celebrating this occasion, and pray that they continue to live their lives to the fullest.

Also, I would like to inform everyone that our club's financial obligations to Rotary have been fulfilled, and in turn, we too should fulfil the same obligations to our club.

Some important updates, first as discussed during the 2nd ACOM, we will be having either a mangrove planting and coastal clean-up activity, followed by a family day, next month September 15, 2019. This is a district-wide activity and it is being proposed that we join Areas 3F&G in Gensan for the activity. Another option being explored is to have a treeplanting activity here in Koronadal but with our neighbors in Area 3H only, just like what we did for the bloodletting activity. Whatever decision the club makes, and with the approval of our AG Jason Garcia, I will do my best to coordinate and lead the club in the said activity.

Second, plans are underway for our projects this month. The donation of a LED TV to Sto. Niño National High School, Dengue Awareness & Prevention Campaign in coordination with the City Health Office, and our Adopt-A-Daycare Program which will benefit a school in Brgy. Morales. I will be updating you all on the progress of this projects, and I am counting on your participation once these projects are implemented. Thank you.

THE DISTRICT GOVERNOR'S MESSAGE

My fellow “**Champion**” Club Officers and Rotarians,

This is going to be a very exciting Rotary journey for the District and your Club. I know that with our joined efforts, we CAN and WILL be able to share each Rotarian’s aspirations in life. Let us work to achieve our goals and make this Rotary year the most significant and memorable one.

At our Governor’s training held during the International Assembly in San Diego, USA, I had the privilege of joining more than five hundred of our Rotary leaders who lead their respective Districts. Together, we committed to the vision of our **Rotary International President Mark Maloney** who encouraged us to live by the theme: “**Rotary Connects the World**”. Reflecting on it and our work as Rotarians throughout a century of doing good, I realized that at the heart of our Rotary experience is to make **innovative** and **sustainable CONNECTIONS** with our members, people of different cultures, traditions and religions. Once connected with our fellow partners in service, they will be persevered to make a difference in our communities and provide professional opportunities we would otherwise not encounter if not through Rotary.

This year, we shall work towards four essential priorities: **First**, is to grow Rotary – by **strengthening membership**, both at the **Club** and **Rotaract** levels. **Secondly**, is to allow Rotary meetings become more **flexible**, **closer** to our homes and **involve** our Family in our service projects or activities. **Third**, is to **develop** leaders beyond the club level and provide opportunities for them to grow. And **fourth**, **broadening** projects related to the SIX Areas of Focus in alignment and partnership with the United Nations.

By the end of the Rotary year, we hope to be able to address Rotary’s major priorities on supporting **The Rotary Foundation (TRF)** through our personal and continuing contributions to the Annual Programs Fund and the End Polio Campaign. With greater emphasis to expand our presence, it is only through our **Public Image** initiatives would our community be able to value and appreciate the good deeds that we Rotarians have been doing in the past 100 years.

Thank you for being part of my Champion Team and May God continue to bless us for our enduring love to **SERVE BEYOND OURSELVES**.

Yours in Rotary Service,

Philip N. Tan
 District Governor, RY 2019-20

Fathers turn pain into healing solutions Rotary members destigmatize opioid recovery

A father's concern and fear propelled sleepless Ben Lowry, an attorney in Portland, Maine, out into the streets one evening searching for his eldest son.

Just a year earlier, his son had been in college studying engineering when he began using drugs, including opioids. Lowry's family spent more than \$100,000 on treatment and recovery programs before Lowry gave his son an ultimatum: stop using or move out. His son moved out.

Now, hearing the wail of sirens on this cold fall night, Lowry feared the worst.

"Someone said there was an overdose nearby, and I hurried over, thinking it was my son," Lowry said, his voice cracking with emotion. "There was a young woman dead in the street, probably in her 20s. It's a very difficult thing to see, especially when your son is living out there."

According to the U.S. Centers for Disease Control and Prevention, Maine and New Hampshire recorded nearly 800 opioid overdose deaths in 2017 – a terrible toll, but a small fraction of the 47,600 opioid deaths across the United States that year.

As a member of the Rotary Club of Portland, Lowry decided to do more than just address his own situation. He joined a group of Rotary members in the New England area who have come together to prevent overdose deaths.

In partnership with public health agencies, the District 7780 Recovery Initiative Committee organizes seminars that educate the community on the dangers of opioids, supports education campaigns in public schools, and raises money to train recovery coaches who assist drug users who are trying to turn their lives around.

"I don't know if I will be able to help my son," Lowry says. "But if I can help others in a similar situation, I want to."

RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

AUGUST 2019

During 2019-2020, I am encouraging Rotarians and Rotaractors to grow Rotary. We must grow our service, we must grow the impact of our projects, but, most importantly, we must grow our membership so that we can achieve more.

Let us try a new approach to membership, one that is more organized and strategic. I am asking every club to form an active membership committee consisting of people of different backgrounds who will look methodically at the leadership of the community.

Your club's membership committee will then apply Rotary's classification system — designed to ensure that the range of professions in your community is

well represented — to identify potential leaders with the skill, the talent, and the character that will strengthen your club. If your club's membership committee is unsure how to proceed, look to the club membership committee checklist on Rotary.org for clearly defined steps to organizing its work.

How else will we connect to grow Rotary? We will also form new types of clubs — either independent clubs or satellite clubs — with different meeting experiences and engaging service opportunities, not just where there is no Rotary, but also where Rotary is already thriving. No Rotary club in the world can possibly serve all segments of its community. Therefore, we must organize new clubs to engage the community leaders who cannot connect with our existing clubs.

Growing Rotary is all about taking the connections that make our organization unique in the world and strengthening and multiplying them. Let us commit ourselves to growing Rotary and to welcoming the next diverse generation of women and men as *Rotary Connects the World*.

THE TRUSTEE'S MESSAGE

Gary C.K. Huang

AUGUST 2019

We have some very good problems that I want to discuss with you. The number of Rotary global grant requests is exploding. Rotarians are seeing the amazing impact of our grants, and they want to harness the power of global grants to take on ambitious projects.

One crucial aspect of our global grants is the emphasis on sustainability when planning a project. When we come together to tackle a problem, we do not just drop off a check and leave. We change lives. We bring sustainable solutions. The growth in the number of applications for global grants is a good problem to have; it shows Rotarians' dedication to service. But to fund more global grants, we need to keep The Rotary Foundation growing.

Another good problem we have is how best to support Rotarians' desire to provide relief in the face of disasters. Through our disaster response program, clubs can get grants from a new fund when a disaster strikes — but only if you fund it. We can help our fellow Rotarians rebuild quickly, but we need you to step up. And we are so close to ending polio forever. All of us have done great things in our lives. But just imagine that you make the donation that funds those final drops that rid the world of polio forever. You will never do anything so great and so important in your life.

There is an old bit of wisdom that says, "Wherever you go, go with all your heart." So open your heart and give to your Foundation. It may be the most important thing that you ever do.

Donate today, then drop by my Facebook page and tell everyone just how good giving made you feel. Let's connect and change the world together.
