AUGUST: MEMBERSHIP AND NEW CLUB DEVELOPMENT MONTH

PRA YER

Gracious God, as we gather together as Rotarians and friends, we acknowledge that wherever we go, we are always in your presence. We pray that our actions may reflect this awareness as we seek you and as we count our many blessings. In the weeks and in the months ahead, clothe our lives with charity, deepen our lives with loyalty, and hallow our lives with integrity. Help us to live our lives so that we may enhance the future of those whose lives we touch. May your radiant spirit guide us, and our loved ones, all of our days. Amen.

The Four-Way Test

Of the things we think, say or do:

- 1. Is it the TRUTH?
- 2. Is it FAIR to all concerned?
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4. Will it be BENEFICIAL to all concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

FIRST: The development of acquaintance as an opportunity for service; SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

As a Rotarian I will:

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.

MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Greetings RC Marbel family.

First of all, thank you for your support and participation in our Adopt-A-School project which we implemented today. Thank you for supporting the decision to donate the LED TV to Sto. Nino HS and for devoting your time and effort for the turnover and the short lecture about the Anti-Bullying Campaign.

Thank you also for the generous donations of old useable clothes which was turned over to our Rotaractors. These together with other items they acquired, will be donated to the fire victims in Brgy. Bula in GSC.

Another big thank you to PP Fred Dela Peña for facilitating the donation of a scientific telescope from PP Kao Yang Ooi and Rotary Club of Johor Bahru and for preparing a facility/structure plan which will house the said telescope. Thank you also to Spouse Ivy Fedoc for being our point person in KNCHS in order to coordinate the completion of this project.

Our Anti-Dengue tarps are being reproduced and enhanced by PN Janine Pring, and we are targeting the 3rd or 4th week of September for the turnover of the new tarps to our CHO.

Indeed, our lineup of projects are already moving progressively and hopefully we deliver them to our recipients, in hopes of benefitting our community and improving the lives of everyone around us.

THE DISTRICT GOVERNOR'S MESSAGE

My fellow "Champion" Club Officers and Rotarians,

This is going to be a very exciting Rotary journey for the District and your Club. I know that with our joined efforts, we CAN and WILL be able to share each Rotarian's aspirations in life. Let us work to achieve our goals and make this Rotary year the most significant and memorable one.

At our Governor's training held during the International Assembly in San Diego, USA, I had the privilege of joining more than five hundred of our Rotary leaders who lead their respective Districts. Together, we committed to the vision of our **Rotary International President Mark Maloney** who encouraged us to live by the theme: "**Rotary Connects the**

World". Reflecting on it and our work as Rotarians throughout a century of doing good, I realized that at the heart of our Rotary experience is to make **innovative** and **sustainable CONNECTIONS** with our members, people of different cultures, traditions and religions. Once connected with our fellow partners in service, they will be persevered to make a difference in our communities and provide professional opportunities we would otherwise not encounter if not through Rotary.

This year, we shall work towards four essential priorities: <u>First</u>, is to grow Rotary – by **strengthening membership**, both at the **Club** and **Rotaract** levels. <u>Secondly</u>, is to allow Rotary meetings become more **flexible**, **closer** to our homes and **involve** our Family in our service projects or activities. <u>Third</u>, is to **develop** leaders beyond the club level and provide opportunities for them to grow. And <u>fourth</u>, **broadening** projects related to the SIX Areas of Focus in alignment and partnership with the United Nations.

By the end of the Rotary year, we hope to be able to address Rotary's major priorities on supporting **The Rotary Foundation (TRF)** through our personal and continuing contributions to the Annual Programs Fund and the End Polio Campaign. With greater emphasis to expand our presence, it is only through our **Public Image** initiatives would our community be able to value and appreciate the good deeds that we Rotarians have been doing in the past 100 years.

Thank you for being part of my Champion Team and May God continue to bless us for our enduring love to **SERVE BEYOND OURSELVES**.

How Rotary has changed to help people get clean water for longer than just a few years

The lack of access to clean water, sanitation facilities, and hygiene resources is one of the world's biggest health problems — and one of the hardest to solve,

Rotary has worked for decades to provide people with clean water by digging wells, laying pipes, providing filters, and installing sinks and toilets. But the biggest challenge has come after the hardware is installed. Too often, projects succeeded at first but <u>eventually failed</u>.

Across all kinds of organizations, the cumulative cost of failed water systems in sub-Saharan Africa alone is estimated at <u>\$1.2 billion to \$1.5 billion</u>, according to data compiled by the consulting firm Improve International.

Rusted water pumps and dilapidated sanitation facilities are familiar sights in parts of Africa, South America, and South Asia — monuments to service projects that proved unsustainable. A <u>2013 review</u> by independent contractor Aguaconsult cited these kinds of issues in projects Rotary carried out, and the review included a focus on sustainability to help plan more effective projects.

That's one factor in why Rotary has shifted its focus over the past several years to emphasize education, collaboration, and sustainability.

With Rotary Foundation global grants, a dedicated Rotarian Action Group, and a <u>partnership</u> with the U.S. Agency for International Development (USAID), Rotary's water, sanitation, and hygiene, or WASH, programs are achieving greater, longer-lasting change.

"All Rotary water and sanitation projects are full of heart and well-intentioned, but many of them didn't always meet the actual demands of the community," says F. Ronald Denham, a founding member and chair emeritus of the <u>Water and Sanitation Rotarian Action Group</u>. The group, formed in 2007, stresses a needs-based approach and sustainability in projects.

In the past, equipment and facilities were usually installed properly and received well, but the local ownership, education, and sustainability were sometimes lacking. Communities often did not receive enough support to manage the projects independently for the long term.

One obstacle to sustainability: the ongoing human involvement that's required.

Rotary members, by their nature, are volunteers, "Like everyone else, Rotarians have priorities like work and family," says Denham, who has worked with clubs on water, sanitation, and hygiene issues for more than 30 years and led projects in Ethiopia, Ghana, India, Kenya, and Uganda.

Speaking of the Rotary members who work to make improvements in their own communities, he says, "It's difficult for host clubs, for instance, to manage WASH projects long-term," especially if the projects have complex technical components. "We're extremely dedicated, but we need help. Reaching out is essential to our success." (www.rotary.org)

RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

AUGUST 2019

During 2019-2020, I am encouraging Rotarians and Rotaractors to grow Rotary. We must grow our service, we must grow the impact of our projects, but, most importantly, we must grow our membership so that we can achieve more.

Let us try a new approach to membership, one that is more organized and strategic. I am asking every club to form an active membership committee consisting of people of different backgrounds who will look methodically at the leadership of the community.

Your club's membership committee will then apply Rotary's classification system — designed to ensure that the range of professions in your community is well represented — to identify potential leaders with

the skill, the talent, and the character that will strengthen your club. If your club's membership committee is unsure how to proceed, look to the club membership committee checklist on Rotary.org for clearly defined steps to organizing its work.

How else will we connect to grow Rotary? We will also form new types of clubs either independent clubs or satellite clubs — with different meeting experiences and engaging service opportunities, not just where there is no Rotary, but also where Rotary is already thriving. No Rotary club in the world can possibly serve all segments of its community. Therefore, we must organize new clubs to engage the community leaders who cannot connect with our existing clubs.

Growing Rotary is all about taking the connections that make our organization unique in the world and strengthening and multiplying them. Let us commit ourselves to growing Rotary and to welcoming the next diverse generation of women and men as *Rotary Connects the World*.

THE TRUSTEE'S MESSAGE Gary C.K. Huang

AUGUST 2019

We have some very good problems that I want to discuss with you. The number of Rotary global grant requests is exploding. Rotarians are seeing the amazing impact of our grants, and they want to harness the power of global grants to take on ambitious projects.

One crucial aspect of our global grants is the emphasis on sustainability when planning a project. When we come together to tackle a problem, we do not just drop off a check and leave. We change lives. We bring sustainable solutions. The growth in the number of applications for global grants is a good problem to have; it shows Rotarians' dedication to service. But to fund more global grants, we need to keep The Rotary Foundation growing.

Another good problem we have is how best to support Rotarians' desire to provide relief in the face of disasters. Through our disaster response program, clubs can get grants from a new fund when a disaster strikes — but only if you fund it. We can help our fellow Rotarians rebuild quickly, but we need you to step up.

And we are so close to ending polio forever. All of us have done great things in our lives. But just imagine that you make the donation that funds those final drops that rid the world of polio forever. You will never do anything so great and so important in your life.

There is an old bit of wisdom that says, "Wherever you go, go with all your heart." So open your heart and give to your Foundation. It may be the most important thing that you ever do.

Donate today, then drop by my Facebook page and tell everyone just how good giving made you feel. Let's connect and change the world together.
