## SEPTEMBER: Basic Education and Literacy Month

### P R A Y E R

Almighty Father, we are thankful for our Rotary fellowship together, with the hand of friendly understanding extended toward other businesses and professions in our own community, to other clubs throughout our land, and to Rotary Clubs beyond the seas. We rejoice in the challenge of life, in these exciting times, and in the spirit of service above self, we pray that our personal lives may be channels for the flow of loving goodwill, in all our relationships, every day. Amen

# The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

As a Rotarian I will:

- ✓ Act with integrity and high ethical standards in my personal and professional life.
- ✓ Deal fairly with others and treat them and their occupations with respect.
- ✓ Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- ✓ Avoid behavior that reflects adversely on Rotary or other Rotarians.

## MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Greetings RC Marbel family. Allow me to share with you the items discussed in our recent ACOM with regards to our Rotary activities.

First of all, next Sunday September 15 2019, we will be having a mangrove-planting and coastal cleanup activity in Maasim Sarangani Province. This is a joint activity of the clubs under Area 3FGH. The activity hopes to promote Rotarians' love and care for our environment which we would like to preserve for future generations.

The planting and cleanup activity will be followed by a family day wherein all Rotarians are invited to bring their families and loved ones and engage in fellowship activities. Secondly, we are actively preparing for Governor Philip Tan's visit next month and the celebration of October as Breast Cancer Awareness month as well. The plans and details for these two October activities will be laid down very soon.

For our own club activities, our Adopt-A-School Program is also progressing with the help and coordination of PP Fred Dela Peña and Spouse Ivy Fedoc. The Turnover of the telescope will be on October 4 [Friday] in the morning, with a lecture about its function in the afternoon c/o PP Kao Yang Ooi, and to cap off the day we will be having our regular meeting and fellowship in IPDG Bing and Spouse Nene Garcia's residence in the evening. Our dengue tarps were also successfully reproduced and enhanced by Rtn Janine Pring and we can now set a date for it's turnover to our CHO.

Thank you to all for your continued support and guidance in our activities.

## Nigeria reaches crucial polio milestone

It's been three years since health officials last reported a case of polio caused by the wild poliovirus in Nigeria. The milestone, reached on 21 August, means that it's possible for the entire World Health Organization (WHO) African region to be certified wild poliovirus-free next year.

Nigeria's success is the result of several sustained efforts, including domestic and international financing, the commitment of thousands of health workers, and strategies to immunize children who previously couldn't be reached because of a lack of security in the country's northern states.

"Rotary, its Global Polio Eradication Initiative partners, and the Nigerian government have strengthened immunization and disease detection systems," says Michael K. McGovern, chair of Rotary's International PolioPlus Committee. He adds: "We are now reaching more children than ever in some of the hardest-to-reach places in Nigeria."

McGovern says Rotary members in Nigeria play an important role in ridding the country of the disease. "Rotarians have been hard at work raising awareness for polio eradication, advocating with the government, and addressing other basic health needs to complement polio eradication efforts, like providing clean water to vulnerable communities."

Nigeria is the last country in Africa where polio is endemic. Once Africa is certified as free of the wild poliovirus, five of the WHO's six regions will be free of wild polio. Polio remains endemic in Afghanistan and Pakistan, which means transmission of the virus has never been stopped.

Dr. Tunji Funsho, chair of Rotary's Nigeria National PolioPlus Committee, acknowledges the milestone but cautions Rotary members about celebrating too soon. He cites the challenge of making certain that routine immunizations reach every child in Nigeria.

"It's paramount that we ensure all doors are locked to the re-entry of the wild poliovirus into our country," says Funsho.

Funsho says to achieve this, Rotary needs to maintain strong advocacy efforts, continue to increase awareness of immunization campaigns, and ensure members raise necessary funds. Rotary has contributed \$268 million to fight polio in Nigeria. "As the first organization to dream of a polio-free world, Rotary is committed to fulfilling our promise," says McGovern. "Our progress in Nigeria is a big step toward that goal, but we need to maintain momentum so that Pakistan and Afghanistan see the same level of progress." ([www.rotary.org](http://www.rotary.org))

## RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

SEPTEMBER 2019

Here in the United States, another summer is winding down. And for the Maloney family, every summer ends with a return to my hometown of Ridgway, Illinois, for the annual Popcorn Day festival, where I am honored to serve as the "Popcorn King," the master of ceremonies for the day's events.

Regardless of the season, every family has its own traditions. I would like to suggest a new one for yours: Find an opportunity to introduce your family to Rotary. One of my family's traditions is to take our daughters and grandsons to the Rotary International Convention. The 2020 convention in Honolulu will be a wonderful way to introduce your children and grandchildren to the internationality of Rotary. We are planning many family-oriented events for everyone to enjoy.

Any time is a fabulous time to bring family members on a Rotary service project or to a fundraising event. But perhaps you have not seen many family-friendly events at your club. That is precisely why one of my top priorities this year is to make most Rotary events welcoming to family members.

We must foster a culture where Rotary does not compete with family, but complements it. We should never expect our members to choose between the two. That means being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level.

Often, the young professionals that Rotary needs to attract in order to remain a dynamic 21st-century service organization are the very people who have the greatest family responsibilities. We must not keep these prospective young members away from their families by holding events on evenings and weekends at which their children are not welcome.

For too long, we have closed the doors of many Rotary events to children and sometimes even spouses. What wasted opportunities these are! Every chance we have to pass on the gift of Rotary to young people is one we must take if we are going to grow Rotary and ensure that the next generation is fully engaged in our mission.

So let us open our doors and do it in a fun way, with opportunities that make our children and grandchildren want to learn more about Interact, Rotaract, and Rotary membership. Start small if you must — perhaps by holding some of your meetings at more family-friendly times — but think about how you can continue these kinds of events for years to come.

Bringing children to Rotary events is not just fun; it also exposes them to the world! Make this a memorable year for your family — and an unforgettable year for the ever-expanding family of Rotary as *Rotary Connects the World*.

# THE TRUSTEE'S MESSAGE

Gary C.K. Huang

## SEPTEMBER 2019

*Ni hao*, Rotarians!

I hope you are making plans for the upcoming Rotary International Convention. Rotarians who live near the Pacific Ocean are especially excited! Next year's event is in beautiful Hawaii, and I know everyone is eager to make the journey to that island paradise.

So "give me five" by signing up right now for the Honolulu convention if you haven't already — and make a plan for how you are going to help The Rotary Foundation reach new heights in 2019. We are transforming lives everywhere, and it's all because of you.

We remind you often about the importance of giving to the Annual Fund. These donations are making the world a better place, not just by helping to end polio now and forever. Your donations make every type of Rotary grant around the world possible.

But many of you don't know something just as important: Contributing to the Rotary Endowment ensures our future. I hope you will consider creating your own legacy by making a gift to the endowment. The idea behind it is simple and very powerful. Rotary's Endowment supports Foundation programs today and into the future.

We have a goal of \$2.025 billion by 2025. We will reach that goal with your support. And once we do, amazing things will be possible. Just by drawing from the annual investment earnings, the Foundation will have about \$100 million every year — year after year — for all kinds of life-changing and lifesaving projects. This will be an amazing accomplishment and will truly secure our Foundation long into the future.

This month, I want to give out two very special high-fives. The first goes to the Rotary Club of Taipei Roundtable. Members collected and donated \$10,000 to End Polio Now during the installation ceremony for Club President Jeff Lin. Then, during a changeover ceremony a few days later, District 3750 in Korea inducted six new Arch Klumph Society members, bringing their total to eight. Congratulations for the outstanding job by new District Governor Yun Young-Jung!

The generosity of Rotarians continues to give my life great joy and purpose, and I hope it does for you as well.
