## SEPTEMBER: Basic Education and Literacy Month

### PRAYER

Almighty and Powerful Father, thank you for making us the agents of change through the works we rendered. May it be one of the avenues to shape our own attitudes and channel behavior into desirable directions not only to a better Rotary club but, most especially, towards a better world where You live and reign forever and ever. Amen.

# The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

As a Rotarian I will:

- ✓ Act with integrity and high ethical standards in my personal and professional life.
- ✓ Deal fairly with others and treat them and their occupations with respect.
- ✓ Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- ✓ Avoid behavior that reflects adversely on Rotary or other Rotarians.

## MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Greetings RC Marbel Family!

Our telescope project is just 1 week away. Our preparations are nearly complete, remaining tasks are the review of the documents and polishing of the programme. Special thanks to our project manager PP Fred Dela Peña, and our representative and point person in KNCHS Spouse Ivy Fedoc. Thank you to all of you for your overwhelming support especially in purchasing the project shirt.

October is just a few days, and we are all encouraged to support the month's thrust of Breast Cancer Awareness. We have 2 activities lined up in cooperation with the Philippine Foundation for Breast Care (PFBC) – South Cotabato Chapter headed by Mam Nanet De Jesus. First is the forum to be held in KCC [4th floor activity area] on October 12, 2019. We can show our support by spreading the information and inviting female friends and relatives to attend and learn more about breast cancer.

Second would be the block screening organized by the Foundation on October 16 also in KCC Cinema. The movie to be screened is Maleficent 2. We can support this activity by purchasing tickets [priced @ 300php] for ourselves and our family/loved ones, and also by helping sell the tickets. We have an allotment of 100 tickets. Also during the movie night, we will have our own showcase wherein we'll be distributing flyers/brochures about breast cancer. These flyers/brochures were produced during PP Randy Baldeovar's term.

I am deep in gratitude to all of you for actively participating in our club activities and meetings, and in your enthusiasm as well during our fellowship.

Truly, RC Marbel is a happy and successful working club.

## The plus in PolioPlus

We're doing so much more than eradicating polio  
By **Vanessa Glavinskas**

Musa Muhammed Ali, a farmer in Borno state, Nigeria, has had to deal with the many ways polio has affected his life. For instance, he used to have to pay for transportation when he needed to buy feed for his animals. But after receiving a hand-operated tricycle funded through Rotary's PolioPlus grants, Ali (pictured above) can now spend that money on other necessities. His life was changed by the "plus" in PolioPlus.

When we talk about PolioPlus, we know we are eradicating polio, but do we realize how many added benefits the program brings? The "plus" is something else that is provided as a part of the polio eradication campaign. It might be a hand-operated tricycle or access to water. It might be additional medical treatment, bed nets, or soap. A 2010 study estimates that vitamin A drops given to children at the same time as the polio vaccine have prevented 1.25 million deaths by decreasing susceptibility to infectious diseases.

In these pages, we take you to Nigeria, which could soon be declared free of wild poliovirus, to show you some of the many ways the polio eradication campaign is improving lives.

## RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

**SEPTEMBER 2019**

Here in the United States, another summer is winding down. And for the Maloney family, every summer ends with a return to my hometown of Ridgway, Illinois, for the annual Popcorn Day festival, where I am honored to serve as the "Popcorn King," the master of ceremonies for the day's events.

Regardless of the season, every family has its own traditions. I would like to suggest a new one for yours: Find an opportunity to introduce your family to Rotary. One of my family's traditions is to take our daughters and grandsons to the Rotary International Convention. The 2020 convention in Honolulu will be a wonderful way to introduce your children and grandchildren to the internationality of Rotary. We are planning many family-oriented events for everyone to enjoy.

Any time is a fabulous time to bring family members on a Rotary service project or to a fundraising event. But perhaps you have not seen many family-friendly events at your club. That is precisely why one of my top priorities this year is to make most Rotary events welcoming to family members.

We must foster a culture where Rotary does not compete with family, but complements it. We should never expect our members to choose between the two. That means being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level.

Often, the young professionals that Rotary needs to attract in order to remain a dynamic 21st-century service organization are the very people who have the greatest family responsibilities. We must not keep these prospective young members away from their families by holding events on evenings and weekends at which their children are not welcome.

For too long, we have closed the doors of many Rotary events to children and sometimes even spouses. What wasted opportunities these are! Every chance we have to pass on the gift of Rotary to young people is one we must take if we are going to grow Rotary and ensure that the next generation is fully engaged in our mission.

So let us open our doors and do it in a fun way, with opportunities that make our children and grandchildren want to learn more about Interact, Rotaract, and Rotary membership. Start small if you must — perhaps by holding some of your meetings at more family-friendly times — but think about how you can continue these kinds of events for years to come.

Bringing children to Rotary events is not just fun; it also exposes them to the world! Make this a memorable year for your family — and an unforgettable year for the ever-expanding family of Rotary as *Rotary Connects the World*.

# THE TRUSTEE'S MESSAGE

Gary C.K. Huang

## SEPTEMBER 2019

*Ni hao*, Rotarians!

I hope you are making plans for the upcoming Rotary International Convention. Rotarians who live near the Pacific Ocean are especially excited! Next year's event is in beautiful Hawaii, and I know everyone is eager to make the journey to that island paradise.

So "give me five" by signing up right now for the Honolulu convention if you haven't already — and make a plan for how you are going to help The Rotary Foundation reach new heights in 2019. We are transforming lives everywhere, and it's all because of you.

We remind you often about the importance of giving to the Annual Fund. These donations are making the world a better place, not just by helping to end polio now and forever. Your donations make every type of Rotary grant around the world possible.

But many of you don't know something just as important: Contributing to the Rotary Endowment ensures our future. I hope you will consider creating your own legacy by making a gift to the endowment. The idea behind it is simple and very powerful. Rotary's Endowment supports Foundation programs today and into the future.

We have a goal of \$2.025 billion by 2025. We will reach that goal with your support. And once we do, amazing things will be possible. Just by drawing from the annual investment earnings, the Foundation will have about \$100 million every year — year after year — for all kinds of life-changing and lifesaving projects. This will be an amazing accomplishment and will truly secure our Foundation long into the future.

This month, I want to give out two very special high-fives. The first goes to the Rotary Club of Taipei Roundtable. Members collected and donated \$10,000 to End Polio Now during the installation ceremony for Club President Jeff Lin. Then, during a changeover ceremony a few days later, District 3750 in Korea inducted six new Arch Klumph Society members, bringing their total to eight. Congratulations for the outstanding job by new District Governor Yun Young-Jung!

The generosity of Rotarians continues to give my life great joy and purpose, and I hope it does for you as well.

## THE SECRETARY'S REPORT

*Andrew Robert Atkins*

Belated birthday greetings to PP Lito Prudencio and advance happy birthday to Rtn. Zelly Cabucos (tomorrow).

The September celebrators will be hosting the Fellowship/Welcome Dinner for the Rotary Club of Johor Bahru Rotarians on October 4, 2019 at the residence of IPDG Bing Garcia. Prior to that, we encourage the members to attend the turnover of the Rotary Window to the Sky Project at KNCHS in the afternoon of the same date wearing the uniform designed specifically for the project courtesy of Public Image Chair Rtn. Janine Pring. This is one of the fantastic projects with our sister club thus, your support will make the activity more meaningful.

Due to the sad news about the polio case that once again strike the country, Rotarians encourage the public/parents to bring their kids to the nearest or local health centers to be vaccinated to fight for a polio-free Philippines. The club campaigned to end polio through our FB page. Please spread the information.

The annual Breast Cancer Awareness (BCA) Forum in partnership with the PFBC-South Cotabato Chapter will be conducted on October 12 KCC Mall of Marbel with Guest Expert, Dr. Jay Lamorena. And on October 16, let us support the block screening of Maleficent 2 for the fundraising project of the foundation. We will be reproducing the BCA brochures to be distributed during the events. Likewise support the Forum by sponsoring the backdrop tarpaulin and light snacks for the participants.
