OCTOBER: Economic and Community Month

PRAYER

Lord Almighty, may our work with Rotary inspire us to improve our community and our world. May Your blessings rest upon our country and all its inhabitants. Guard and protect our land from all danger. We pray that friendship and service to others be our watchword always. Amen.

The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- As a Rotarian I will:
- ✓ Act with integrity and high ethical standards in my personal and professional life.
 - ✓ Deal fairly with others and treat them and their occupations with respect.
 - ✓ Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
 - ✓ Avoid behavior that reflects adversely on Rotary or other Rotarians.

ROTARY OBSERVATION MONTHS

MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Greetings RC Marbel Family.

Our October is about midway done and I am proud of what we have accomplished so far, and the succeeding projects/ activities that are yet to be done.

First of all, thank you for your cooperation and support in our Rotary Window to the Sky project. Aside from the turnover of the telescope, we also accommodated PP Kaw Yang Ooi, PP Ng Swee Poh, and President Ranjeet Singh Bhullar. This was capped off by our family day at Rosal Resort, and fellowships dinner with telescope viewing at MUTI.

Secondly, the participation and support we have for Kasuso Foundation during their Breast Cancer Awareness Forum and block screening of Maleficent 2.

I am once again asking for your support and participation for the Governor's Visit next week, and I am still working on a project which I hope to materialize for October 24 which is World Polio Day.

Thank you so much my dear club for always supporting me, and for the active participation you are giving in our projects.

THE SECRETARY'S REPORT

Andrew Robert Atkins

We have a successful hosting during the visit of RC Johor Bahru Rotarians – PP Ooi Kao Yang, PP Ng Swee Poh, Spouse Maria, and Pres. Ranjeet Singh Bhullar. We are not only strengthening our partnership in projects but also friendship. Special thanks to PP Fred and Spouse Henriette for hosting the guests; IPDG Bing and Spouse Nene as well as AG Jay and

September celebrators for the food and venue during the welcome dinner, induction of honorary members and fellowship; and for the October celebrators and members who shared their blessings during the Potluck dinner and Despedida Party. It was indeed a very memorable get-together.

1. We are deeply saddened about the demise of our beloved (late) Rtn. Jake de Jesus however with your prayers for the bereaved family and relatives throughout those difficult times, they were comforted. Thank you everyone for your love and sympathy.
2. Breast Cancer Awareness Forum and Free Breast Screening held on October 12, 2019 at KCC Mall of Marbel has been successfully conducted. The project was in partnership with the Philippine Foundation for Breast Care, Inc-South Cotabato Chapter, Rotary Club of Polomolok 101, KCC Mall of Marbel, DSWD XII, and Avon Philippines. It was participated by more or less 200 concerned men and women. Due to the earthquake we experienced last night, the Block Screening for the movie Maleficent 2 in KCC Mall of Marbel Cinema was not materialized but thank you for your strong support to the project with Kasuso Foundation. Praying that everyone is safe.
3. Finally, Happy birthday to Mama Babes Pajaro today and greetings to all October celebrators.

Putting power in the hands of women

The clacking of sewing machines fills the sunlit room until word spreads that the bus has arrived. At that, a dozen women clad in pink kurtas file into the courtyard of the Seven Women Center in Kathmandu, Nepal. They smile widely as a group of Australian women led by a tall blonde enters through the iron gate.

Stephanie Woollard bends down to let Sandhya Khadgi, the center's bookkeeper and literacy trainer, put a dot of red powder on her forehead and a red flower petal atop her head in a gesture of welcome. Woollard has arrived with a group of Rotary members and friends to tour the center that she founded and whose goal is to improve the lives of women in Nepal.

When Woollard, now 34 and a member of the Rotary Club of Melbourne, first met Khadgi, Woollard was a 22-year-old tour guide with a passion for social justice and a knack for connecting with people. After leading a tour group to Kathmandu in 2006, she stayed an extra week to explore the city's winding streets and hidden passageways, as tangled as the electrical wires above them. She soon made friends with shopkeepers, who invited her to tea as she asked them about their lives.

"I'm a very curious person," she says.

One day, Woollard noticed a woman with dwarfism lugging two heavy bags into a makeshift tin shed constructed of three walls and a roof. It had no door; on impulse, Woollard followed the woman inside.

Another woman who spoke some English told Woollard that seven disabled women lived in the shed, eking out a living selling soaps and candles. In Nepal, many people consider a disability to be karmic payback for a sin committed in a past life. One of the women had fallen out of a tree as a child and had never been treated for her injuries; another had hurt her leg and, because her family didn't have money for treatment, had to have it amputated. Khadgi — who was one of the women Woollard met that day — was born with a jaw deformity that she covered with a mask in public.

Meanwhile, Woollard herself was at a crossroads. "The joy as an entrepreneur is at the beginning — working with those seven women to set the thing up and get through challenges together. It had been running for a while, and we'd ironed out the crises," she says. "I had been laser focused on Nepal. Now I wanted to learn more about the world and where I could make the biggest impacts."

RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

OCTOBER 2019

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years.

Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago. Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan.

There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant. World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do.

This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.

Once you have created an event, register it at endpolio.org/register-your-event. Then promote it using the World Polio Day toolkit, available at endpolio.org/world-polio-day.

Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network.

THE TRUSTEE'S MESSAGE

Gary C.K. Huang

OCTOBER 2019

Friends, World Polio Day is this month and we are facing a major challenge. The news out of Afghanistan and Pakistan tells us that we have more work to do. It tells us that polio will not die out quickly or easily.

Most of all, it tells us that we are needed now more than ever. Success will require us to remain steady and show that there is no time limit to our commitment. We are in this to the end, and we will conquer this terrible disease. We will give life back to children and families, and restore hope to communities.

We are fortunate to have great friends in the Global Polio Eradication Initiative — including the Bill & Melinda Gates Foundation, which continues to match every donation 2-to-1. We have already eradicated wild poliovirus type 2, and type 3 could soon be wiped out. India is polio-free. All of Africa may soon be polio-free.

The most important factor in ending polio forever is you. The people of Afghanistan and Pakistan have faced so much hardship in recent years. Polio is just one more challenge. To them, it could all feel overwhelming. But not to Rotarians. We do not feel overwhelmed. We feel challenged, and, as people of action, we rise to challenges.

In the words of Confucius: "If one is virtuous, one will not be left to stand alone. It is certain that associates of like mind will come and join with one." In Rotary, we understand these words very well. When we say "Service Above Self," we take a stand for this virtue. We know that our like-minded brothers and sisters around the world will join us. We have been drawn together by our need to do good in the world.

We can rid the world of a disease forever. And you will be the ones to do it, through your continued commitment and generosity.

Be a part of history! Help us overcome the final hardship, the final challenge. Make your donation at endpolio.org/donate.

Funny Jokes:

LAUGHTER IS THE BEST MEDICINE!

A Woman Shoots Her Husband For Stepping On The Clean Floor...

A police officer jumps into his squad car and calls the station.

“I have an interesting case here,” he says. “A woman shot her husband for stepping on the floor she just mopped.”

“Have you arrested her?” asks the sergeant.

“No, not yet. The floor’s still wet.”

Confessions of a Store Santa

While I was working as a store Santa, a boy asked me for an electric train set. “If you get your train,” I told him, “your dad is going to want to play with it too. Is that all right?”

The boy became very quiet. So, moving the conversation along, I asked, “What else would you like Santa to bring you?”

He promptly replied, “Another train.”

A Fly-Killer’s Pickle

My three-year-old daughter stuck out her hand and said, “Look at the fly I killed, Mommy.” Since she was eating a juicy pickle at the time, I thrust her contaminated hands under the faucet and washed them with antibacterial soap.

After sitting her down to finish her pickle, I asked, with a touch of awe, “How did you kill that fly all by yourself?” Between bites, she said, “I hit it with my pickle.”
