## NOVEMBER: Rotary Foundation Month

### P R A Y E R

Lord, as we gather tonight at this meeting we ask that You will be in our midst. Help us to make decisions that will be pleasing to You. Help us to be able to discuss the matters at hand in a reasonable way, and to be willing to give up having our own way. as we do the work set before us. Amen.

# The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST: The development of acquaintance as an opportunity for service;
- SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

- As a Rotarian I will:
- ✓ Act with integrity and high ethical standards in my personal and professional life.

## MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Greetings my RC Marbel Family!

Excellent work to all of us for the successful Outreach & Medical/Dental Mission we had last November 24. Truly, the efforts of everyone, especially PP Randy and Spouse Tess Baldelovar who were my partners in coordinating and connecting with everyone involved, our Rotarian doctors, NDN Class of '94, Friendly Mart Surallah, and LGU Norala, made the project possible. It was a great feeling to see the smiles of the children and adults we were able to reach out to, and encourages us even more to be

servants of humanity.

We are nearing the end of 2019 and before we all indulge in the holiday season, we still have another service project to work on, which is our annual Christmas gift giving to a selected community. Nomination of said community I have endorsed to Rtn Rhea Savariz, which I hope will be finalized soon. In conjunction with this, if the Area [3FGH] will decide to have an outreach activity in Makilala, then we are encouraged to show support and generosity as well.

Also, some minor decisions to be made such as: [1] placement of our road safety signage formerly posted in Bo.8, in PP Rolan Alajar's property which was removed by DPWH due to the road widening activities; [2] Venue and Committee for our Club's Christmas Party, although tentatively it is proposed that it be held in YBL Aurora Office pending the approval of its owners; [3] Resumption of our regular club meetings by January 9 2020. These three I have endorsed to PE Andy Atkins for discussion in my absence.

Thank you once again and looking forward to productive outputs from our meeting, and more opportunities for our Club to serve humanity.

## THE SECRETARY'S REPORT

Andrew Robert Atkins

Greetings Fellow Rotarians and dear Spouses!

We have a very fulfilling outreach program last Sunday and we indeed deliver our good deeds by connecting to the community. Our profound gratitude to everyone who attended especially our members, ND Norala Alumni, and volunteers who are in medical and dental professions, to wit:

Rtn. Dr. Ben Pajaro	Rtn. Dr. Ed Lay	Rtn. Dr. Rem Rivera
Spouse Dr. Miles Rivera	Rtn. Dr. Cyrille Cerezo	Rtn. Dr. Toto Dajay
Spouse Dr. Gigi Dajay	Rtn. Dr. Kano Adalin	Dr. Joemel Dacula
Dr. Jose Antonio Vicente	Dr. Dante Salmeo	Dr. Retchelle Castaneda
Dr. Dominic Laus	Dr. Ann Lorraine Daniel	

Likewise, said project will not be realized without the support of the following partners:

1. Notre Dame of Norala Class 1994
2. Notre Dame of Norala Alumni Association, Inc.
3. Friendly Mart (Surallah)
4. Jollibee (Surallah)
5. Provincial Government of South Cotabato

As delegated by Pres. Philip, tonight we will discuss and hopefully agree on the matters about the excess medicines (including specialized meds for high blood, cholesterol, heart, diabetes, etc. donated by Rotarian doctors) from the outreach program to be handover to Spouse Gigi Dajay for the outreach program of Department of Education; liquidation report on the contribution and expenses during the outreach program; venue for the club's Christmas party and committee; would-be recipients for our Annual December Gift-giving and the projected budget, and things to be prepared; new area for the Road Safety Signage; and the specific date of resumption of regular meeting in January 2020.

### The Sustainability Challenge

**10 years into the Rotary-USAID water and sanitation partnership, here's what worked, what didn't — and why**

By **Diana Schoberg** Photography by **Andrew Esiebo**

**An old piece of railroad track** is laid across a pit toilet. The walls are crumbling. The stench is overw helming. It's the only toilet for a school in rural Ghana, and most children refuse to use it. They do their business outside instead — or quit school altogether.

This is an all-too-common experience: Half of Ghana's population lives in rural areas, and only 10 percent of those people have access to basic sanitation. Two-thirds can obtain safe drinking water — after a 30-minute round trip.

Since 2009, Rotary has been working to fix those deficiencies through a partnership with the U.S. Agency for International Development (USAID). The partnership combines the business skills and local community leadership of Rotarian volunteers with the technical expertise of USAID. Rotary is contributing \$9 million to the \$18 million partnership; outside of eradicating polio, it is Rotary's largest partnership effort. "We wondered how these two organizations could come together and exploit the synergy between them," says Rotarian Ron Denham, a member of the Rotary-USAID steering committee.

Ghana was one of three pilot countries when the program kicked off. Projects were implemented in two phases: Phase 1 concluded in 2013, and Phase 2 will end in 2020. "As a result of this partnership, we've been able to reach out to some very deprived communities," says Emmanuel Odotei, WASH management specialist for USAID/Ghana. "If USAID had tried to do this alone, or if Rotary had done it alone, we would never have achieved as much as we have today."

Throughout, the focus of the program has been on accomplishing three goals: improving sanitation and hygiene in schools and health facilities; increasing community access to safe drinking water; and advocating for ample government financing of WASH — that is, water, sanitation, and hygiene.

## RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

### NOVEMBER 2019

Rotary Day at the United Nations, which we celebrate each November, is an important reminder of the historic relationship between our organizations. But this year's event is even more important than usual, because we are building up to the 75th anniversary of the signing of the UN Charter in June 2020.

You might ask, why celebrate this anniversary? For Rotary, it is entirely appropriate, because we played such a critical leadership role in the San Francisco Conference that formed the United Nations in 1945. Throughout World War II, Rotary published materials about the importance of forming such an organization to preserve world peace.

Not only did Rotary help influence the formation of the UN, but this magazine also played a leading part in communicating its ideals. Rotary educated members about plans to create the UN through numerous articles in *The Rotarian* and through a booklet titled *From Here On!* When the time came to write the UN charter, Rotary was one of 42 organizations the United States invited to

serve as consultants to its delegation at the San Francisco Conference.

Each organization had seats for three representatives, so Rotary International's 11 representatives served in rotation. The people officially representing Rotary included the general secretary, the current and several past presidents, and the editor of *The Rotarian*. In addition, Rotarians from Africa, Asia, Australia, Europe, and North and South America served as members of or consultants to their own nations' delegations.

We have a deep and lasting relationship with the UN that deserves to be celebrated and appreciated. To recognize this relationship, Rotary will host five special events between now and June: Rotary Day at the UN in New York on the 9th of this month; three presidential conferences next year in Santiago, Chile, in Paris, and in Rome; and a final celebration just before the Rotary International Convention in Honolulu.

The focus on the UN in the year ahead is not only about the past; it also lights a path to our future. There are so many parallels between the work we do through our areas of focus and the work of the UN Sustainable Development Goals. While those goals are indeed incredibly ambitious, they provide inspiration and direction — and are similar to many Rotary goals, which have proven to create lasting, positive change in our world. The goals can be achieved, but only if undertaken with the same long-term commitment and tenacity that Rotary understands so well. Alone, we cannot provide clean water for all, we cannot eliminate hunger, we cannot eradicate polio. But together with partners like the United Nations, of course we can.

Please consider attending one of our five UN celebrations. I look forward to sharing news of these special events with you throughout the year.

## NOVEMBER 2019

*Ni hao*, Rotarians!

We just had our first-ever fundraiser in Taiwan for The Rotary Foundation — and it was a great success.

The Taiwan AKS Members Association organized the event in August in Taipei. We were treated to an inspirational speech by Ravishankar Dakoju of the Rotary Club of Bangalore Orchards, India, in District 3190. He shared why he contributes his time and money — and why he's an organ donor. His generosity is legendary, and he wants to help the world in any way he can. His speech touched everyone who attended the event.

We are pleased and honored to announce that the final total for the fundraiser was \$5.5 million. We have 11 new Arch Klumph Society members contributing at the Chair's Circle level (\$500,000 to \$999,999) and 14 at the Trustees Circle level (\$250,000 to \$499,999). Thank you to our generous donors in Taiwan!

At great events like this one, I am reminded how Rotary gives us something good that we can all do together. Our service puts us in touch with so many interesting people from all over the world. When we meet, we hear about projects of all kinds, and it is always inspirational. And we never stop learning from one another.

This provides such a wonderful lesson to our children. We share with them the importance of fellowship and forming new bonds with other people. We also show them what is really important in life: making connections, improving life for those in need, and doing all we can for others. Rotary is the best education a family can have.

I am excited that Rotary President Mark Daniel Maloney has made expanding the family of Rotary a priority. We must bring our family members to Rotary events and do all we can to encourage them to be part of this wonderful organization. And through The Rotary Foundation, we can make these family connections part of our legacy. You are never too young or too old for Rotary.

So give your high-five to Rotary and find ways to bring your family into Rotary. It's the most wonderful gift you can share with the people you love.
