DECEMBER: Disease Prevention and Treatment Month

PRAYER

Almighty God, may those assembled here today enjoy the many offerings of Rotary. May we abide by the rules we have established, those of trust, fellowship and ethics, and may we place service above self, in our daily endeavors. And may we always test ourselves and our efforts to be sure they are the truth, good for all concerned, of benefit to mankind, and provide peace and understanding. Amen.

The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- As a Rotarian I will:
- ✓ Act with integrity and high ethical standards in my personal and professional life.
 - ✓ Deal fairly with others and treat them and their occupations with respect.
 - ✓ Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
 - ✓ Avoid behavior that reflects adversely on Rotary or other Rotarians.

MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Happy holidays RC Marbel Family!

The Christmas season is in the air, and I am very sure that most of not all of us are starting to be busy already with our Christmas preparations both at home and in our offices.

Before we all get caught up in the Christmas rush, I would like to take this time to: Congratulate PE Andy for successfully facilitating the meeting last week and taking point on the agenda I left

Congratulate and thank the whole club for the support in the activities we had particularly the recent medical and dental mission with our reach at Brgy. Puti Norala. Commend the unanimous decision of the club to forego the usual exchange gift during our party, and instead divert the budget into additional funds for our gift giving; this year our recipient will be 106 children from Bo. 1 of Koronadal City.

Commend Rtn Rhea Savariz for finalizing our application for DDF projects – the additional skills training and improvement of the DSWD R12 Home for Girls and the improvement of the Morales Day Care Center. Hopefully, our applications will be approved and we can pursue these projects.

I'm looking forward to everyone's participation in our Gift giving project next week to culminate our 2019 by making our recipients happy through our humanitarian efforts.

ROTARY INFORMATION

The price of polio

Meet five Rotarians who understand the disease's long-term consequences as told to **Vanessa Glavinskas** photography by **Frank Ishman**

When you go to your Rotary club meeting this week, look around at your fellow members and think about this: In North America, anyone younger than 70 likely doesn't remember a time before the polio vaccine. Those under 40 were born after polio was no longer endemic in the United States. And among your club's youngest members, the very word "polio" probably conjures a bygone age when children regularly died of diseases like measles, smallpox, or whooping cough. Now, however, we know that measles is staging a comeback. Tuberculosis, which might bring to mind 19th-century sanitariums, is gaining greater resistance to treatment. Until a disease is really gone, eradicated, extirpated from the planet, it will always be looking for ways to come back, for breaches in our defenses.

We've come very far in the 64 years since the introduction of Jonas Salk's vaccine — and especially in the 40 years since Rotary decided to take on polio. Every day it gets easier to forget why it's so critical that we eradicate this disease. Most of us don't see polio in our daily lives. Whole generations have never experienced its terrifying power.

We let our guard down when we think that polio is a disease that happens only in faraway places, or that almost eradicated is good enough. But if we stop and remember what it was like when polio was everywhere and people felt powerless against it, we know that if we don't finish the fight, we'll soon be back where we started.

In the following segments, five Rotarians share their experiences with polio. Thanks to their willingness to recount painful memories, we know that we must keep fighting until polio is gone forever.

1. Ann Wade - Rotary Club of New Tampa, Florida
2. Carl Chinnery - Rotary Club of Lee's Summit, Missouri
3. Jim Ferguson - Rotary Club of Bluefield, West Virginia
4. Julie Jenkins - Rotary Club of Cambria, California
5. John Nanni - Rotary Club of Middletown-Odessa, Delaware

RI Convention 2020

June 6-10, 2020 | Honolulu, Hawaii

RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

DECEMBER 2019

Rotary There is no experience quite like attending the Rotary International Convention. Discover the true spirit of aloha and Rotary with your family, friends, and fellow Rotarians from 6 to 10 June in Honolulu. It is the perfect setting for the entire family of Rotary to celebrate, collaborate, and connect.

There are two types of people who enjoy visits to Hawaii — those who have never been to the islands and are about to have unique and wonderful experiences, and those who have had those Hawaiian moments etched into their memories already and cannot wait to create some new ones.

The convention is the best place to find and share your aloha, which you will soon discover is much more than a greeting. Just as Rotary is a way of life for Rotarians, aloha is a way of life for Hawaiians — one that focuses on living in harmony, being patient, treating everyone with respect, and sharing joy with your family, or 'ohana.

Our host committee has arranged some fabulous events for you and your family. This includes a Hawaiian Culture and Lunch Boat Cruise, a two-hour tour that will feature spectacular views of Diamond Head, Waikiki, and the Kahala Gold Coast. On board, you can learn to play the ukulele, take part in hula dancing, and create your own Hawaiian flower lei.

You will also have the opportunity to enjoy a full range of island hospitality events, from small backyard picnics to multicourse family meals. There will be fantastic service projects to see, including two ancient Hawaiian fishponds. And a sunrise Walk for Peace will take place at the beautiful Ala Moana Beach Park, a 3-mile stroll in the shadow of the iconic Diamond Head crater.

Inside and outside the convention halls, we are going to hold the most family-friendly convention in Rotary history, including a family-centered opening ceremony and family-focused events in the House of Friendship. The opening session will, of course, include our traditional flag ceremony.

Our 2020 convention will also be a time to celebrate Rotary's historical ties to the United Nations. As I mentioned in my November message, June 2020 will mark the 75th anniversary of the signing of the United Nations charter. On the day before the start of the convention, Rotary and the UN will host our fifth joint event of 2019-20, one focused on environmental sustainability.

In addition, we are planning the greenest convention in Rotary history — and I will share more details about this in the months ahead. But now, go to riconvention.org and click the REGISTER button right below the Honolulu Hawaii 2020 logo. Early registration discount pricing ends 15 December, so do not delay.

Rotary Connects the World in no better way than at the Rotary Convention. Bring your family to meet our family. See you in Honolulu!

THE TRUSTEE'S MESSAGE

Gary C.K. Huang

DECEMBER 2019

The year is almost over, and I know that you are thinking about giving gifts and making last-minute contributions. You are wondering how best to show your appreciation and love.

The answer is very simple — make your gifts to The Rotary Foundation. Don't take my word for it: In an independent analysis, your Rotary Foundation was ranked No. 1 among the world's best-known charities. For the 12th consecutive year, The Rotary Foundation has received the highest rating — four stars — from Charity Navigator, an independent evaluator of charities. The Foundation earned the maximum of 100 points for demonstrating both strong financial health and commitment to accountability and transparency in Charity Navigator's August ratings.

In a letter to the Foundation, Charity Navigator notes that "only 1 percent of the charities we evaluate have received at least 12 consecutive four-star evaluations, indicating that The Rotary Foundation outperforms other charities in America. This exceptional designation from Charity Navigator sets the Foundation apart from its peers and demonstrates to the public its trustworthiness."

This recognition comes on top of awards won in the past several years. Rotary's commitment to eradicating polio worldwide won Best Nonprofit Act in the Hero Awards of the One Billion Acts of Peace campaign, an international global citizens movement to tackle the world's most important issues. And the Association of Fundraising Professionals — the world's largest network of professional fundraisers — named The Rotary Foundation the World's Outstanding Foundation, honoring our long-term achievements.

It's easy to say that we belong to one of the greatest philanthropic organizations in the world. But the truth is, your Rotary Foundation is the best. So close out the year by giving the greatest gift of all to the world. Gimme five and show your support for The Rotary Foundation.

Have a merry Christmas and a happy new year!
