### PRAYER

Gracious Father, we thank you for the opportunity to meet together tonight. Hear our prayer and be in the midst. Take what we have prepared and multiply our efforts. Steer our intentions to align with Your righteous will. We give thanks for the fellowship and friendship in Rotary. And let us all marvel in the joy of being together on this beautiful organization. Amen.

# The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

- As a Rotarian I will:
- ✓ Act with integrity and high ethical standards in my personal and professional life.
  - ✓ Deal fairly with others and treat them and their occupations with respect.
  - ✓ Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
  - ✓ Avoid behavior that reflects adversely on Rotary or other Rotarians.

## MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Happy New Year my beloved RC Marbel Family!!!

To start the year, I am pleased to announce that we have 1 more major project to accomplish before this Rotary Year ends, and 2 prospective projects which hopefully would materialize as well. The major project would be the Operation Harelip & Surgery for Burn Victims. This is slated for March. Spearheading this project

would be PP Fred Dela Peña and assisted by me and IPP Leween Santos. This will also be the last project of Dr. Angga before he retires. As such, initial discussions with him have been made by PP Fred, and we already have screened and confirmed patients care of our Rotarian doctors. Hopefully more will be blessed with this. humanitarian effort. I will keep the club posted regarding the progress of this endeavor.

For the prospective projects, first of all would be for mental health awareness, spearheaded by PNE Janine Pring which we hope to carry out with a recipient school before the academic year ends. Another prospective project is the repeat of last year's recycling drive carried out by IPP Leween. I will be asking him to help me with this. Also, I would like to solicit proposals from the club for a project that would cover Peace and Conflict Resolution since this is the only area we haven't touched on yet.

I'm really happy to be back from the holidays and be with you all, as we continue to carry out our Rotarian kind of service and aide to our communities.

## ROTARY INFORMATION

### Toastmasters and Rotary partner to help members grow professionally and make a difference in their communities

**ENGLEWOOD, Colo., Jan. 7, 2020** — Members of Toastmasters and Rotary will enhance their skills, broaden their networks and increase their positive impact in communities through a new collaboration.

The ongoing relationship between the two organizations will begin at the grassroots level with local club members learning and working together. Additionally, Toastmasters will create a set of eight structured communication and leadership development courses for Rotary with a phased rollout that will be available in English in 2020, and in more languages in 2021.

“The strategic alliance with Rotary is exciting and allows both organizations to leverage our unique and similar strengths,” says Deepak Menon, Toastmasters' 2019-20 International President. “We look forward to providing our current and prospective members with ongoing additional offerings that meet their evolving needs.”

With its first unofficial meeting held in Bloomington, Ill., in March 1905, Toastmasters is a global nonprofit organization with more than 16,800 clubs in 143 countries. Its members attend club meetings where they learn how to be more confident speakers, communicators and leaders. Toastmasters' vision for the ongoing collaboration with Rotary is to change more lives for the better, and positively impact communities around the world.

“Collaborating with Toastmasters will provide our members with even more opportunities to develop and improve their leadership and communication skills,” said John Hewko, general secretary and CEO of Rotary International. “In turn, members of Toastmasters can connect with more people, take advantage of new speaking and learning opportunities, and make a difference in their communities through Rotary.”

Rotary provides its members opportunities to develop professionally, gain world understanding, and make lifelong friendships – all while volunteering to improve lives and bring lasting, positive change to communities.

Founded in 1905 in Chicago, Ill., Rotary is a global network of people committed to improving lives and bringing positive, lasting change. Each year, Rotary members contribute millions of dollars and volunteer hours to promote health, peace and prosperity in communities across the globe. Through volunteering, they make lifelong friendships that transcend political, cultural and generational boundaries and foster global understanding and respect.

## RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

### JANUARY 2020

People from all over the world have multiple reasons for joining Rotary. Many new Rotarians each year join for the same reason I did — because Rotary is a great way to benefit your career. When I was a new attorney starting out in Alabama, Gay and I became partners in her father's firm. He instilled in us the value of joining Rotary as a way to build relationships and demonstrate to potential clients that we were serious professionals who held firm to values even more robust than what our profession required.

Rotary's commitment to vocational service is built on the highest ethical standards in business and professions, the recognition of the worthiness of all useful work, and the dignifying of each Rotarian's occupation as an opportunity to serve society. That last point is so important. No matter our profession, we all contribute mightily to the world when we conduct our work with integrity and always adhere to The Four-Way Test.

I have made balancing the demands of Rotary with professional and family commitments one of my priorities as president. No Rotarian should feel pressured to put in more time than a volunteer position should ever demand. This is true for several reasons, one of them being that the work we do in our day jobs is just as important to Rotary as the work we do in the organization. We carry our Rotary values everywhere, and our professional success helps build a case for Rotary every day we go into the office.

This is particularly important in our efforts to reach younger new members. We want to see a Rotary where no one is ever asked to choose between being a good Rotarian and being a good parent, business owner, manager, or employee. When we ask busy young people to join us, we should not be asking them to give up their time and freedom. We should be rewarding them with an experience that makes everything they already do even more inspiring.

Providing greater balance within Rotary will have another benefit as well: It will create opportunities for other Rotarians, including Rotaractors, to step up and take a leadership role on projects and committees. This will ensure that they remain engaged in our clubs and inspired to be Rotarians for life.

Throughout the world, Rotary is admired for its vocational service and for the time-honored values we instill in all business relationships. As we continue our work to grow Rotary, let us remember that vocational service remains a crucial selling point to potential members.

*Rotary Connects the World*, and by making Rotary's vocational service work known to people in more professions and at different stages of their careers, we will help grow our organization and make it stronger and more diverse.

## JANUARY 2020

Something amazing happened in Vienna in October. A runner from Kenya named Eliud Kipchoge was the first person in history to run a marathon distance — 26.2 miles — in less than two hours.

For many years, experts thought this would be impossible. They said the human body was not capable of achieving this feat. But Kipchoge succeeded because he had an incredible team working with him. He had pacers who ran with him every step of the way, and people who made sure that he had the proper fuel and hydration. Every few miles, fresh runners were sent in to keep up the pace and help him reach his goal.

Like Eliud Kipchoge, Rotary has a great support team as we approach the final mile in our marathon journey to rid the world of polio. So many amazing Rotarians have helped pace this effort along the way, donating their time and energies to bring us close to our goal. The World Health Organization has certified type 3 of the wild poliovirus as eradicated. This is big news! We have also gone three years without any wild poliovirus on the continent of Africa. It may soon be certified polio-free.

The final mile of our journey is a difficult one. Pakistan and Afghanistan are great challenges for us — but we have met so many great challenges before. Every time a goal has seemed out of reach, Rotarians have stood together and answered the call. This is no time to lose our focus or to think the race is already over. Can you imagine what would have happened to Eliud Kipchoge if all of the pacers had gone home for the final 2 miles? He might never have reached his goal.

It takes a special character to pursue a difficult task all the way to the end. These are the times that we need each other most. In the *Tao Te Ching*, Laozi wrote that the journey of 1,000 miles begins with one step. But it also ends with one step. And those final steps take just as much courage as the first.

Let's make history, Rotary — the finish line is within reach!
