FEBRUARY: Peace And Conflict Prevention/Resolution Month

P R A Y E R

Gracious God, thank you for this beautiful day and the privilege of attending our weekly club meeting. Please make us aware of the blessings afforded in the fellowship, community and international service we share. We ask special blessing on our officers, directors, Spouses and family of Rotary who honor us with their presence. Please imbue in each of us a desire to always pray for each other in love. All of these favors and blessings we ask in Your most Holy Name. Amen.

The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST: The development of acquaintance as an opportunity for service;
- SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

As a Rotarian I will:

- ✓ Act with integrity and high ethical standards in my personal and professional life.
- ✓ Deal fairly with others and treat them and their occupations with respect.
- ✓ Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- ✓ Avoid behavior that reflects adversely on Rotary or other Rotarians.

MESSAGE FROM THE CLUB PRESIDENT

Philip Leonard T. Escueta

Happy love month to beloved RC Marbel Family!

We are in the 2nd month of 2020 and though it seems that our activities and projects have slowed down, rest assured that we are still working as a Club to further our service to our community.

Our efforts so far are focused on the Adopt-A-Harelip 2020 Project and I'm quite happy that the project is slowly progressing. Hopefully the members of our sister club get to finalize their travel plans so that we can foresee our timeline. Thank you to our doctors, PP Benjamin Pajaro, PP Camilo Dajay, and PP Rem Rivera for continuously accepting patients for screening if they can be accommodated in the project.

Lately there seems to be unrest in our country, especially in Luzon, due to the N-Cov virus. As Rotarians, let us take it upon ourselves to help educate the public as to how to avoid getting this virus, through proper hygiene and sanitary practices. Also, in the spirit of service, let us also be good examples of not being discriminate, either racial or to those who are afflicted by the virus.

Lastly, let us give PE Andy Atkins and incoming Secretary Rhea Savariz, a congratulatory send-off as they participate in the DTTS PETS-SETS this Saturday.

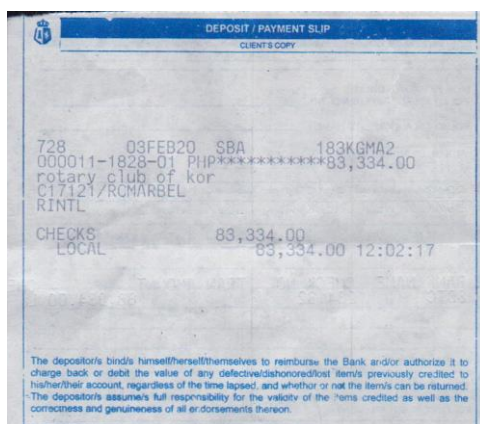

Thank you everyone and let us continue enjoying our club, let us continue enjoying Rotary.

THE SECRETARY'S REPORT

Andrew Robert Atkins

- A. Thank you to our club Treasurer PP Lito Prudencio for facilitating the payment for the club's 2nd Semester Invoice for RY 2019-2020 amounting to \$1,634 (P83,334). The validated deposit slip was also submitted to RI.

- B. Thank you IPDG Bing Garcia for sharing some updates last meeting regarding the Philippine College of Rotary Governors (PCRG). Moreover, to AG Jay Garcia as he announced that DISCON 2020 will have a "Got Talent" wherein Area 3H was identified under Cluster 9 (South Cotabato) thus, a Rotarian representative is requested to showcase his/her talent. PP Lito Prudencio was named to represent.

ROTARY INFORMATION

Rotary establishes peace center at Makerere University

Inaugural 2021 class will focus on shaping peace and development in Africa

KAMPALA, Uganda (9 January 2020) — From human rights violations to the impacts of climate change, Rotary and Makerere University are offering a postgraduate certificate program to peace and development leaders who are from or who have worked in Africa to address the underlying challenges to peace in the region.

The year-long program in Peacebuilding, Conflict Transformation and Development will emphasize issues and solutions that are of particular relevance throughout the African continent and beyond. Hands-on experience will complement coursework that addresses topics including human rights, governance, and the role of the media in conflict. Other studies will focus on refugees and migration, as well as resource and identity-based conflicts.

The program will incorporate the Positive Peace framework pioneered by the **Institute for Economics and Peace (IEP)** as well as apply concepts grounded in mediation and negotiation, African philosophy, and indigenous mechanisms for conflict resolution. "For centuries, we have looked at peace as the absence of violence, without fully considering the other drivers in play," said Olayinka Babalola, vice president, Rotary International Board of Directors. "Instead of merely examining the causes of war, Rotary Peace Fellows at Makerere University will explore the underpinnings of peace to achieve tangible measures of human wellbeing and progress." The program is designed to accommodate working professionals with at least five years of proven experience in the areas of peace and development. There will be two cohorts a year each with 20 fellows, and the first class will begin in February 2021. The online application will be available in February 2020.

**RI PRESIDENT'S MESSAGE**

Mark Daniel Maloney

FEBRUARY 2020

Happy 115th birthday, fellow Rotarians and members of the family of Rotary!

Much has changed in the world since 1905. Then, the global population was roughly 1.7 billion. Today, it is 7.7 billion. There were 5 telephones per 100 people in the United States 115 years ago. In 2020, it is estimated that 96 percent of the U.S. population has a cellphone — and both China and India have more than a billion cellphones in use.

In the 115 years since Rotary was founded, seemingly everything has changed except Rotary values. We began, and remain, committed to fellowship, integrity, diversity, service, and leadership. While our Service Above Self motto dates to 1911, the ethos behind those words had already been ingrained by Rotary's founders.

As the pace of change worldwide continues to accelerate, the need for Rotary service is greater than ever. It's one thing to read about service projects, quite another to see them in action and to see the grateful faces

of people who have benefited from them. Rotary projects change lives and connect the world. And over the past year, I have seen some amazing Rotary projects in action.

Gay and I visited Japan's Fukushima prefecture last year. Few places in the world have had to deal with the kind of devastation that visited Fukushima in March 2011, when a tsunami touched off by an earthquake led to disaster at a nuclear power plant. But the story of Fukushima today is not one of destruction; it is one of hope and renewal. Rotary grants have helped improve access to medical and mental health care for victims of the disaster and reduced the isolation of these communities by sharing the experiences of people from other parts of the world who have also recovered from disasters. Our grants have also helped to foster self-motivation and encourage sustainable long-term community recovery across the region.

In Shanghai, I learned about the Careers in Care program. This helps migrant workers fill the need for skilled professionals in elder care facilities. After taking a course, trainees receive certification to boost their employment prospects, while the care industry benefits from an expanded talent pool. Rotary projects like this are successful because they address a local need, and they have the potential to attract local government funding to sustain their impact.

And in Guatemala, Gay and I went to Sumpango. Global grants there provide mechanical cows to produce soy milk; an improved water distribution system; water filters; clean compost latrines; family gardens; support for income generation; and training in WASH and literacy programs. The food items sold there not only provide nutrition to women and children, but also create a source of income for local women.

In every area of focus, and in every part of the world, Rotary projects are improving lives and helping communities adapt in a time of rapid change. As we celebrate another great year for Rotary, let us rededicate ourselves to strengthening the connections that make our service so impactful. We will make lives better as Rotary Connects the World.

THE TRUSTEE'S MESSAGE

Gary C.K. Huang

FEBRUARY 2020

Since ancient times, people have built communities around water. Having the ability to draw clean, fresh water from a well means that a village has staying power and the ability to endure hard times.

Wells are vital to people worldwide, but as a metaphor, they are just as powerful. What is The Rotary Foundation's "well"? From what source can we draw to replenish ourselves to keep up with all of the amazing global grants saving lives around the world?

The Rotary Foundation well is our Endowment, of course. We are building a very deep, strong well that will ensure funding for major projects for generations to come. A strong endowment will ensure the long-term financial stability of our Foundation and provide essential resources to help deliver even more outstanding humanitarian service into the future.

We are aiming high with the Building TRF Endowment: 2025 by 2025 initiative to build an endowment of \$2.025 billion by 2025. By then we expect the Foundation's Endowment to have a minimum of \$1 billion in net assets, with the balance in expectancies and bequest-commitments.

Imagine the good we will be able to do with a \$2 billion Endowment! The investment earnings will provide about \$100 million annually for Rotarians to do all sorts of life-changing projects around the globe, year after year.

Together, we can make this happen. As much as the world changes around us, the well of The Rotary Foundation will stand the test of time and keep making a positive impact on the world.

Confucius took great pleasure from water. He said: "Great water can continuously move forward without stopping. It is so kind as to irrigate the lands everywhere it goes, yet it does not regard itself as having performed outstanding feats. It's just like virtue."

Speaking of accomplishments, the Rotary Club of Shanghai just celebrated the 100th anniversary of its founding. And the club just reached another great milestone: its first Arch Klumph Society member, Frank Yih. Gōng xǐ to our friends in Shanghai!
