## PRAYER

Dear Lord, being in Rotary allows us to serve others. We ask that you help us remember always the Four-Way Test as we work today and everyday. Help us to serve humbly and willingly as we focus on the needs of our community. Thank you for our gifts and help us to use them wisely. Amen.

# The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST: The development of acquaintance as an opportunity for service;
- SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

As a Rotarian I will:

- ✓ Act with integrity and high ethical standards in my personal and professional life.
- ✓ Deal fairly with others and treat them and their occupations with respect.
- ✓ Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- ✓ Avoid behavior that reflects adversely on Rotary or other Rotarians.

## ROTARY INFORMATION

### International delegation of Rotary leaders visits Pakistan in support of polio eradication

**ISLAMABAD, Pakistan. (February 6, 2020)** – A delegation of Rotary International leaders from around the world traveled to Pakistan this week to meet with government leaders including Prime Minister Imran Khan, Minister of Health Dr. Zafar Mirza, Army Chief of Staff General Qamar Javed Bajwa and Dr. Rana Safdar, head of Pakistan’s Polio National Emergency Operations Centre.

The Rotary delegation included Holger Knaack, Rotary International President 2020-21; K.R. “Ravi” Ravindran, Trustee Chair of the Rotary Foundation 2020-21; and Michael K. McGovern, Chair of Rotary’s International PolioPlus Committee. The group was accompanied by incoming Rotary Foundation Trustee Aziz Memon, who leads efforts for Rotary’s Pakistan PolioPlus program.

The government leaders praised Rotary for its prominent role in polio eradication and for providing vital financial support to Pakistan and other polio-threatened countries. Rotary members have contributed more than \$2.1 billion dollars and countless volunteer hours to ending polio.

Rotary is the organization credited with initiating the global effort to eradicate polio. When Rotary formed the Global Polio Eradication Initiative (GPEI) in 1988, there were more than 350,000 cases of polio annually around the world. Today, due to the efforts of Rotary, its partners and world governments, the incidence of polio has plummeted by more than 99.9 percent.

In this week’s meetings, the Prime Minister acknowledged recent challenges in the effort to rid Pakistan of polio, and confirmed that Pakistan considers polio eradication among its highest priorities. The Government of Pakistan has already taken a series of highly effective organizational steps to manage the polio vaccination program and provide much-needed resources to ensure the resurgence of polio in Pakistan is put to an end. General Bajwa assured the Rotary delegation of the unwavering support and cooperation of both the Army and the civil forces to ensure that every child in every community throughout Pakistan is reached with the lifesaving polio vaccine.

## RI PRESIDENT'S MESSAGE

Mark Daniel Maloney

### FEBRYARY 2020

Happy 115th birthday, fellow Rotarians and members of the family of Rotary!

Much has changed in the world since 1905. Then, the global population was roughly 1.7 billion. Today, it is 7.7 billion. There were 5 telephones per 100 people in the United States 115 years ago. In 2020, it is estimated that 96 percent of the U.S. population has a cellphone — and both China and India have more than a billion cellphones in use.

In the 115 years since Rotary was founded, seemingly everything has changed except Rotary values. We began, and remain, committed to fellowship, integrity, diversity, service, and leadership. While our Service Above Self motto dates to 1911, the ethos behind those words had already been ingrained by Rotary's founders.

As the pace of change worldwide continues to accelerate, the need for Rotary service is greater than ever. It's one thing to read about service projects, quite another to see them in action and to see the grateful faces

of people who have benefited from them. Rotary projects change lives and connect the world. And over the past year, I have seen some amazing Rotary projects in action.

Gay and I visited Japan's Fukushima prefecture last year. Few places in the world have had to deal with the kind of devastation that visited Fukushima in March 2011, when a tsunami touched off by an earthquake led to disaster at a nuclear power plant. But the story of Fukushima today is not one of destruction; it is one of hope and renewal. Rotary grants have helped improve access to medical and mental health care for victims of the disaster and reduced the isolation of these communities by sharing the experiences of people from other parts of the world who have also recovered from disasters. Our grants have also helped to foster self-motivation and encourage sustainable long-term community recovery across the region.

In Shanghai, I learned about the Careers in Care program. This helps migrant workers fill the need for skilled professionals in elder care facilities. After taking a course, trainees receive certification to boost their employment prospects, while the care industry benefits from an expanded talent pool. Rotary projects like this are successful because they address a local need, and they have the potential to attract local government funding to sustain their impact.

And in Guatemala, Gay and I went to Sumpango. Global grants there provide mechanical cows to produce soy milk; an improved water distribution system; water filters; clean compost latrines; family gardens; support for income generation; and training in WASH and literacy programs. The food items sold there not only provide nutrition to women and children, but also create a source of income for local women.

In every area of focus, and in every part of the world, Rotary projects are improving lives and helping communities adapt in a time of rapid change. As we celebrate another great year for Rotary, let us rededicate ourselves to strengthening the connections that make our service so impactful. We will make lives better as Rotary Connects the World.

# THE TRUSTEE'S MESSAGE

Gary C.K. Huang

## FEBRUARY 2020

Since ancient times, people have built communities around water. Having the ability to draw clean, fresh water from a well means that a village has staying power and the ability to endure hard times.

Wells are vital to people worldwide, but as a metaphor, they are just as powerful. What is The Rotary Foundation's "well"? From what source can we draw to replenish ourselves to keep up with all of the amazing global grants saving lives around the world?

The Rotary Foundation well is our Endowment, of course. We are building a very deep, strong well that will ensure funding for major projects for generations to come. A strong endowment will ensure the long-term financial stability of our Foundation and provide essential resources to help deliver even more outstanding humanitarian service into the future.

We are aiming high with the Building TRF Endowment: 2025 by 2025 initiative to build an endowment of \$2.025 billion by 2025. By then we expect the Foundation's Endowment to have a minimum of \$1 billion in net assets, with the balance in expectancies and bequest-commitments.

Imagine the good we will be able to do with a \$2 billion Endowment! The investment earnings will provide about \$100 million annually for Rotarians to do all sorts of life-changing projects around the globe, year after year.

Together, we can make this happen. As much as the world changes around us, the well of The Rotary Foundation will stand the test of time and keep making a positive impact on the world.

Confucius took great pleasure from water. He said: "Great water can continuously move forward without stopping. It is so kind as to irrigate the lands everywhere it goes, yet it does not regard itself as having performed outstanding feats. It's just like virtue."

Speaking of accomplishments, the Rotary Club of Shanghai just celebrated the 100th anniversary of its founding. And the club just reached another great milestone: its first Arch Klumph Society member, Frank Yih. Gōng xǐ to our friends in Shanghai!
