Loving Father, we bring ourselves before You with humbled and grateful hearts. We want to taste and experience more of the depth, breadth, length and height of Your amazing love for us. Help us to walk by faith, not by sight and Lord equip us to share Your love with one another and use us in serving the community in a way that honours you. Amen

ROTARY HYMN

I want to be a Rotarian for the world,
 Make the Rotary flag be a flag of peace unfurled;
 I will serve my community,
 Help to seek international unity.
 Through Rotary, I will dedicate my all,
 World understanding shall be my cherished goal.

Refrain: With the Four Way Test
 I will pursue my quest
 And if I, in a way help obtain
 Peace in the world
 Then I won't have lived in vain.

I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
 Strengthened by nothing but the truth;
 Let's join our hands, there's no reason to divide.
 We shall all understand, while the good Lord is
 our guide.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Peace be achieved,
 So we won't have lived in vain.

ENJOY ROTARY!

Rotary Club of Marbel Original Theme Song
 (Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
 When all you see is poverty and misery
 When you are bored and discontented
 And your days seem cold and dreary
 It's time to get up, move on and make new friends
 The joy of serving others
 Is felt by each Rotarian
 Come take your place under the sun
 Join us and have so much fun

If you want to be happy
 Join Rotary
 If you want to be loved
 Embrace Rotary
 If you want peace and harmony
 Serve with Rotary

The Rotary Club of Marbel
 Our home
 Our passion
 Our family
 All for the service of humanity

The Four-Way Test

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

2. Deal fairly with other and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment

OBJECT OF ROTARY

ROTARY INFORMATION

Supporting the environment becomes a new area of focus

The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: supporting the environment.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

RI President Mark Maloney says that during his travels around the world as a Rotary senior leader he encountered many Rotary members and Rotaractors who advocated for the environment to be an area of focus.

“I believe strongly that our Rotary Foundation programs now have a valuable added dimension to our efforts,” says, Maloney.

Foundation Trustee Chair Gary C.K. Huang says that with the global population reaching near eight billion, protecting the environment is increasingly important.

“It is time for us to use our collective resources to invest in a smart and efficient way to protecting our environment,” says Huang. “We are qualified to take this initiative because we are a global group of problem solvers with diversified talents.”

In 1990-91, RI President Paulo V.C. Costa made the environment one of his primary causes, creating the Preserve Planet Earth subcommittee, which looked at ways clubs and members could conduct environmental initiatives.

“We have finally caught up to Costa [his vision],” says Past RI President Ian H.S. Riseley, chair of the Environmental Issues task force, which championed the new area of focus.

“As a lifelong environmentalist, I’m delighted that our great organization has recognized that the environment is a worthy and appropriate destination for our project activity,” says Riseley. “This is an exciting moment in Rotary history.”

Supporting the environment becomes Rotary's seventh area of focus, which are categories of service activities supported by global grants. It joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development.

Grant applications for projects will be accepted beginning on 1 July 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.

RI PRESIDENT'S MESSAGE

Holger Knaack

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that *Rotary Opens Opportunities* for generations to come.

TRUSTEE'S CHAIR MESSAGE

K.R. Ravindran

JULY 2020

I believe that RI President Holger Knaack's theme, *Rotary Opens Opportunities*, fits the times so well. You might ask how that can be, given all of the turmoil happening around us today. The following story, paraphrased from British author Alan Watts' telling of a Taoist parable, helps explain why.

Once there was a farmer whose horse ran away. That evening, all of his neighbors came around to commiserate. They said, "We are so sorry to hear your horse has run away. This is most unfortunate." The farmer said, "Maybe."

The next day, the horse came back, bringing seven wild horses. In the evening, everybody said, "Isn't that lucky. What a great turn of events. You now have eight horses!" The farmer again said, "Maybe."

The following day, his son tried to break one of the horses, and while riding it, he was thrown and broke his leg. The neighbors said, "Oh dear, that's too bad." The farmer responded, "Maybe."

The next day, officers came around to conscript people into the army, and they rejected his son because he had a broken leg. Again, all the neighbors said, "Isn't that great!" Again, the farmer said, "Maybe."

What we learn from this is that nature is immensely complex. It's impossible to tell whether anything that happens is good or bad, because you never know what the consequences will be. All we can know is that with every action and reaction, there is an opportunity — a chance to live our values, express our desires, and take action to make the world a bit closer to the way we want it to be.

The Rotary Foundation is our conduit to make those meaningful changes. Through the Foundation, we do our part to help rid the world of polio. In addition, we can help support important COVID-19 projects and prepare the world for the massive vaccination effort that will be needed soon. And we can help keep some continuity in service to people in need when so many regular services are being disrupted.

Will this be Rotary's great moment to become an even stronger organization in the 21st century? Maybe. Is this your great opportunity to live your values? Maybe! It's up to you and me.

PEOPLE OF ACTION

During the 41st Induction and Hand-over Ceremonies of the Rotary Club of Metro Dadiangas last July 12, 2020 at Lex Forum Function Hall, General Santos City.

MESSAGE FROM THE CLUB PRESIDENT

Andrew Robert W. Atkins

Hello RC Marbel Family.

It's been about 4 months since we last met as a club. The covid-19 pandemic has affected every one of us. I have never spent so long restricted to one place. I was fearful that as a club we would be restricted to meeting online! I was pleased that when I met with the club officers on Tuesday 7th July, we agreed for the club to meet face-to-face at a larger venue to allow us to fulfil the social distancing requirement of 50% capacity.

In addition, we agreed that for the present time, we would hold two (2) meetings a month having the alternate venues of The Precious Child Learning Centre and Fred Ann's Suites. It may be that on some occasions we will need to have additional meetings. We also agreed to maintain our induction for the 8th August 2020 at 5:30pm and decided to restrict the gathering to 100 persons only. This will consist of RC Marbel only along with invites to Presidents, Secretaries, outgoing Presidents and Assistant Governor from area 3H only. That is the 3 clubs in Koronadal plus one from Polomolok. A maximum of 10 additional persons. The venue has been agreed with Fred Ann's Function Room. I am going to request your support with the preparations for the event.

On Saturday the 11th July I travelled to General Santos to attend the 46th annual induction for RC Dadiangas. PDG Benjamin Garcia was kind enough to transport myself and spouse Sherill along with Club Secretary Rhea. The next day on Sunday I travelled to Gen San again with Arnel, the President of Koronadal to attend an additional meeting for the incoming presidents with DG Riezl Reyes. In the evening PDG Bing went with PAG Jay Garcia with Club Secretary Rhea to attend RC Metro Dadiangas' Induction.

I look forward to being your president for year 2020-2021 and to work with you in overcoming the unique challenges for the coming Rotary Year.
