Dear Lord, help us to remember that our lives are a gift and that our health is a blessing. We pray that today we will realize our awesome potential with you directing our steps and that we have the capacity to bring something wholly new and unique and good into this world. As our Rotary meeting comes together be in our plans so that we can honour You in everything we do. Amen.

ROTARY HYMN

I want to be a Rotarian for the world,
 Make the Rotary flag be a flag of peace unfurled;
 I will serve my community,
 Help to seek international unity.
 Through Rotary, I will dedicate my all,
 World understanding shall be my cherished goal.

Refrain: With the Four Way Test
 I will pursue my quest
 And if I, in a way help obtain
 Peace in the world
 Then I won't have lived in vain.

I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
 Strengthened by nothing but the truth;
 Let's join our hands, there's no reason to divide.
 We shall all understand, while the good Lord is
 our guide.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Peace be achieved,
 So we won't have lived in vain.

ENJOY ROTARY!

Rotary Club of Marbel Original Theme Song
 (Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
 When all you see is poverty and misery
 When you are bored and discontented
 And your days seem cold and dreary
 It's time to get up, move on and make new friends
 The joy of serving others
 Is felt by each Rotarian
 Come take your place under the sun
 Join us and have so much fun

If you want to be happy
 Join Rotary
 If you want to be loved
 Embrace Rotary
 If you want peace and harmony
 Serve with Rotary

ROTARY INFORMATION

Philippine club mobilizes transportation for frontline coronavirus health workers

COVID-19 forces lockdown on public transportation in Manila. Members bring vans, accommodations for hospital and lab workers.

It didn't take long for members of the Rotary Club of Makati West to take action once the deadly coronavirus entered the country. Shortly after the local government announced the first case of COVID-19 in January, the club in Makati City, Philippines, called a series of emergency meetings to quickly assemble resources and direct aid.

"The pandemic was a battle cry for our club," says club president Enrico Tensuan. "We are Rotary, and with that comes problem-solving. We focused our efforts on how to bring immediate assistance to frontline health workers." A surge in cases of COVID-19, the disease caused by the coronavirus, led to a government-mandated lockdown starting 15 March. On the island of Luzon, home to half of the Philippines' population, the new rules closed most businesses and shut down public transit.

As a result, many health workers and other essential employees faced daunting commutes to their jobs — up to two hours each way on foot, Tensuan says.

In response to the need for safe transportation, club member Elmer Francisco — chief executive and chair of Francisco Motor Corp. and 1111 Empire Inc., which manufactures jeeps and other vehicles — donated 10 vans to transport frontline health workers to hospitals in and around Makati and the capital city, Manila. Francisco coordinated with officials at the Department of Transportation to obtain permits to operate the fleet and plan the most convenient routes for riders.

Since March, the vans, which carry up to 30 passengers each, have operated 24 hours each day from four designated pickup spots and local hospitals, including the Philippine General Hospital, one of the country's biggest health care facilities.

The club paid for the fuel, and members handed out snacks to exhausted passengers. In addition, the initiative paid the salaries of 17 drivers, all of whom had temporarily lost their public utility jobs because of the transit shutdown. The club expects the project to operate at least until the end of May.

"The dedication of these frontline workers and our drivers is awe-inspiring," Francisco says. "Walking two hours each way is simply unforgiving. They are already risking their lives fighting COVID-19. This was necessary to keeping them safe."

RI PRESIDENT'S MESSAGE

Holger Knaack

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that *Rotary Opens Opportunities* for generations to come.

TRUSTEE'S CHAIR MESSAGE

K.R. Ravindran

JULY 2020

I believe that RI President Holger Knaack's theme, *Rotary Opens Opportunities*, fits the times so well. You might ask how that can be, given all of the turmoil happening around us today. The following story, paraphrased from British author Alan Watts' telling of a Taoist parable, helps explain why.

Once there was a farmer whose horse ran away. That evening, all of his neighbors came around to commiserate. They said, "We are so sorry to hear your horse has run away. This is most unfortunate." The farmer said, "Maybe."

The next day, the horse came back, bringing seven wild horses. In the evening, everybody said, "Isn't that lucky. What a great turn of events. You now have eight horses!" The farmer again said, "Maybe."

The following day, his son tried to break one of the horses, and while riding it, he was thrown and broke his leg. The neighbors said, "Oh dear, that's too bad." The farmer responded, "Maybe."

The next day, officers came around to conscript people into the army, and they rejected his son because he had a broken leg. Again, all the neighbors said, "Isn't that great!" Again, the farmer said, "Maybe."

What we learn from this is that nature is immensely complex. It's impossible to tell whether anything that happens is good or bad, because you never know what the consequences will be. All we can know is that with every action and reaction, there is an opportunity — a chance to live our values, express our desires, and take action to make the world a bit closer to the way we want it to be.

The Rotary Foundation is our conduit to make those meaningful changes. Through the Foundation, we do our part to help rid the world of polio. In addition, we can help support important COVID-19 projects and prepare the world for the massive vaccination effort that will be needed soon. And we can help keep some continuity in service to people in need when so many regular services are being disrupted.

Will this be Rotary's great moment to become an even stronger organization in the 21st century? Maybe. Is this your great opportunity to live your values? Maybe! It's up to you and me.

PEOPLE of ACTION

During the Silver Induction and Hand-over Ceremonies of the Rotary Club of Greater Gensan last July 12, 2020 at Lex Forum Function Hall, General Santos City.

PEOPLE OF ACTION

2nd General Membership Meeting held at Fred Ann's Suites, Koronadal City.

MESSAGE FROM THE CLUB PRESIDENT

Andrew Robert W. Atkins

Good day everyone.

Our induction is now only nine days away so I will be asking fellow Rotarians and spouses to support with this event.

Already, Janine is preparing our draft invitation and induction programme. We will be discussing the programme at our meeting. Janine has also kindly agreed to give the welcoming address. PP Randy has agreed to use his skills as the Master of Ceremonies. Many

thanks to Rhea and Janine who helped me put together the drafts.

Last Saturday PDG Bing Garcia kindly gave Rhea and myself a place in his van as we attended the Greater General Santos Induction at London Beach Resort in General Santos City. It was held in the open which was a bit risky because of the rain. However, it only rained for a short period and we were able to proceed accordingly. PDG Philip Tan gave a message through Zoom and DG Riezl Reyes gave an encouraging recorded personal online greeting.

Some of you have probably already donated some clothes for the flood victims. We will discuss the idea that we also collect a budget for some groceries.

Meanwhile, we will be asking that Rotarians and Spouses give P750 in advance for a new uniform to reflect year 2020-2021 Rotary Opens Opportunities.

Don't forget to send your RC Marbel Photos to Janine to reflect the club's history.

SECRETARY'S CORNER

Rtn. Rhea Savariz

1. We have a good attendance during the 16th July 2020 2nd General Membership Meeting. Pres. Andy discussed one of the most important topics – the club's 41st Induction and Hand-over Ceremonies on August 8, 2020. To comply with the government's protocol relative to the COVID-19 spread, it was agreed to only invite the Transforming club Presidents and Secretaries of Area 3FGH clubs and targeted to around 100 total guests in the 200-guests capacity venue at Fred Ann's. PDG Bing Garcia ensured the members to have a definite enjoyable night as he sponsored the Gifford Band to entertain us. Rtn. Ian Chiu will likewise showcase his talent on playing Saxophone. PP Ben Pajaro reminded everyone to give funny/interesting photos from various club events to Public Image Chair Janine Pring tru rcmarbel@gmail.com. It was decided that every Rotarian shall be assessed P2,000 for the induction. The topic on club uniform also discussed and agreed that members shall pay P750 first to either PP Lito Prudencio or Rtn. Janine Pring. The latter will be responsible for the new design utilizing Rotary Opens Opportunities RI Theme for the year. Moreover, PP Lito announced the members who fully/settled their past dues. Lastly, PDG Bing Garcia presented to the club the audited Financial Statement on RI funds and District Levy during his Inspiring Year. The meeting ended at 8:35 PM.
