ROTARY HYMN

I want to be a Rotarian for the world,
 Make the Rotary flag be a flag of peace unfurled;
 I will serve my community,
 Help to seek international unity.
 Through Rotary, I will dedicate my all,
 World understanding shall be my cherished goal.

Refrain: With the Four Way Test
 I will pursue my quest
 And if I, in a way help obtain
 Peace in the world
 Then I won't have lived in vain.

I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
 Strengthened by nothing but the truth;
 Let's join our hands, there's no reason to divide.
 We shall all understand, while the good Lord is
 our guide.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Peace be achieved,
 So we won't have lived in vain.

ENJOY ROTARY!

Rotary Club of Marbel Original Theme Song
 (Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
 When all you see is poverty and misery
 When you are bored and discontented
 And your days seem cold and dreary
 It's time to get up, move on and make new friends
 The joy of serving others
 Is felt by each Rotarian
 Come take your place under the sun
 Join us and have so much fun

If you want to be happy
 Join Rotary
 If you want to be loved
 Embrace Rotary
 If you want peace and harmony
 Serve with Rotary

The Four-Way Test

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?

ROTARY INFORMATION

Rotary provides \$20 million to help communities worldwide respond to COVID-19

EVANSTON, Ill. (June 23, 2020) — Rotary members throughout the world are working safely and diligently to assess and provide for urgent community needs as they strive to respond and recover from the effects of COVID-19 coronavirus.

While following social-distancing and health guidelines, they are providing comfort and hope to those feeling the effects of isolation and fear, and focusing their resources and solutions toward supporting frontline health workers and first responders as they battle this disease and save lives.

“As leaders in virtually every community on earth, we bring a unique combination of local knowledge and access to a global network of expertise and resources,” said Mark Daniel Maloney, president of Rotary International. “In the face of uncertainty, we are adapting to shifting needs to offer immediate help to people at a rapid pace. And we’ll remain committed to recovering from this health crisis for as long as it takes.”

Rotary members are taking action to provide a range of solutions including handwashing stations and food to those unable to social distance in Kenya, lifesaving information about preventing the spread of COVID-19 in India, ventilators and protective gear for overstretched hospitals in Italy and vital social connections to neighbors who live alone in Bethesda, Maryland.

The Rotary Foundation, Rotary’s charitable arm, has to date awarded \$20 million to support Rotary clubs worldwide in their immediate response to COVID-19 in their communities, and to long term recovery efforts.

RI PRESIDENT'S MESSAGE

Holger Knaack

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that *Rotary Opens Opportunities* for generations to come.

TRUSTEE'S CHAIR MESSAGE

K.R. Ravindran

I believe that RI President Holger Knaack's theme, *Rotary Opens Opportunities*, fits the times so well. You might ask how that can be, given all of the turmoil happening around us today. The following story, paraphrased from British author Alan Watts' telling of a Taoist parable, helps explain why.

Once there was a farmer whose horse ran away. That evening, all of his neighbors came around to commiserate. They said, "We are so sorry to hear your horse has run away. This is most unfortunate." The farmer said, "Maybe."

The next day, the horse came back, bringing seven wild horses. In the evening, everybody said, "Isn't that lucky. What a great turn of events. You now have eight horses!" The farmer again said, "Maybe."

The following day, his son tried to break one of the horses, and while riding it, he was thrown and broke his leg. The neighbors said, "Oh dear, that's too bad." The farmer responded, "Maybe."

The next day, officers came around to conscript people into the army, and they rejected his son because he had a broken leg. Again, all the neighbors said, "Isn't that great!" Again, the farmer said, "Maybe."

What we learn from this is that nature is immensely complex. It's impossible to tell whether anything that happens is good or bad, because you never know what the consequences will be. All we can know is that with every action and reaction, there is an opportunity — a chance to live our values, express our desires, and take action to make the world a bit closer to the way we want it to be.

The Rotary Foundation is our conduit to make those meaningful changes. Through the Foundation, we do our part to help rid the world of polio. In addition, we can help support important COVID-19 projects and prepare the world for the massive vaccination effort that will be needed soon. And we can help keep some continuity in service to people in need when so many regular services are being disrupted.

Will this be Rotary's great moment to become an even stronger organization in the 21st century? Maybe. Is this your great opportunity to live your values? Maybe! It's up to you and me.

Hand-over of Relief Goods to the Flood Victims at Barangay San Isidro, Koronadal City last August 1, 2020

MESSAGE FROM THE CLUB PRESIDENT

Andrew Robert W. Atkins

Hello RC Marbel Family.

Thank you to all Rotarians and Spouses who supported the provision of food and clothing to those affected by the flooding at Brgy Isidro, Koronadal City. A special thanks to Theresa Baldelovar who expertly liaised with the representatives for the Barangay.

Also, thanks to Fred Anns for the loan of a truck to carry the goods.

We should not underestimate the encouragement that we as Rotarians along with Spouses can give during these catastrophes. It is not just about the opportunity of giving of provisions, but the emotional support of others in the community coming alongside during these times of crisis. Of course, the privilege is really ours to help, with the reward of humbled hearts, a greater awareness of those in need and the love of God using us in this way.

Tonight is an additional meeting at the main Fred Anns reception hall to help Ceremonies. Thank you to all those who have volunteered to take part in the programme. A special thanks to Randy Baldlovar, who met with Rhea and myself on Tuesday to go through the programme helping to build my confidence.

I sincerely hope and pray that the time will be a blessing and an enjoyable experience for everyone. Registration starts at 4pm with the dinner starting at 5pm. However, I suggest that our club gets to the venue earlier for photo call.

I continue to thank you for your kindness and support for these events.
