Loving Father, we thank You for your blessing, for Your continuing grace that abounds, Your granting of a spirit of wisdom and understanding, along with the knowledge and fear of the Lord. We acknowledge that when we submit our ideas to you in accordance with Your will You will guide us and lead us in ways where we can be effective in serving the community. In particular, You care for the poor and the disadvantaged so give us a compassionate heart to see how we can participate in your loving care for others. Amen.

ROTARY HYMN

I want to be a Rotarian for the world,
 Make the Rotary flag be a flag of peace unfurled;
 I will serve my community,
 Help to seek international unity.
 Through Rotary, I will dedicate my all,
 World understanding shall be my cherished goal.

Refrain: With the Four Way Test
 I will pursue my quest
 And if I, in a way help obtain
 Peace in the world
 Then I won't have lived in vain.

I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
 Strengthened by nothing but the truth;
 Let's join our hands, there's no reason to divide.
 We shall all understand, while the good Lord is
 our guide.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Peace be achieved,
 So we won't have lived in vain.

ENJOY ROTARY!

Rotary Club of Marbel Original Theme Song
 (Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
 When all you see is poverty and misery
 When you are bored and discontented
 And your days seem cold and dreary
 It's time to get up, move on and make new friends
 The joy of serving others
 Is felt by each Rotarian
 Come take your place under the sun
 Join us and have so much fun

If you want to be happy
 Join Rotary
 If you want to be loved
 Embrace Rotary
 If you want peace and harmony
 Serve with Rotary

The Rotary Club of Marbel
 Our home
 Our passion
 Our family
 All for the service of humanity

The Four-Way Test

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with other and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY INFORMATION

Jennifer E. Jones makes history, becomes first woman named Rotary president-nominee

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history.

Jones will officially become president-nominee on 1 October if no other candidates challenge her.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

“As we reflect upon our new strategic priorities, we could have never envisioned that *our ability to adapt* would become our North Star during what is inarguably the most profound time in recent history,” Jones said in her vision statement. “Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today’s reality.”

HAPPY 

BIRTHDAY 

RI PRESIDENT'S MESSAGE

Holger Knaack

The year 2020 has brought monumental changes that have already included a global pandemic and a renewed call for social justice. We are reminded that we live in a constantly changing world, and Rotary is a reflection of that world.

We must be ready to listen and adapt, always drawing upon our core values of service, fellowship, diversity, integrity, and leadership. If we live these values and apply The Four-Way Test to all aspects of our lives, we will be prepared to lead at all times.

I am proud of how we have proven our ability to adapt. Faced with a pandemic, Rotary has not stopped. We moved meetings online and found new ways to serve. We turned the canceled 2020 Rotary International Convention in Honolulu into our first virtual convention. Each week, we are proving that Rotary is a flexible gathering that happens anywhere — in traditional meetings, on cellphones, and on computers. Rotary offers a way to connect for everyone who wants to, at any time, and will continue to do so.

Some have even told me that they enjoy Rotary's mix of online and in-person meetings more now than before! How can we build on this momentum and seize the opportunity to embrace change so that Rotary keeps thriving?

For me, supporting new types of clubs is key. They are no longer just experiments but a real part of Rotary today. In addition to traditional clubs, we have e-clubs, Rotaract clubs, cause-based clubs, and passport clubs. These help make Rotary more inclusive, more flexible, and more attractive to new members. Visit these clubs, exchange ideas and partner with them, and promote them to one another and to our communities.

We all agree that we need to grow Rotary, but sometimes we can get caught up in the numbers game and lose sight of the bigger picture. After all, an increase in membership is meaningless if next year, those new members leave our clubs. Let's grow Rotary sustainably. Rotary's flexible options for participation will engage members and show the community how we're different from any other club. Let's celebrate that Rotary is now less about rules and more about joining together in a variety of ways besides traditional meetings.

I recommend that each club hold an annual strategy meeting to ask — and honestly answer — if we are doing all we can for our members and if our club reflects the community we serve. We are taking this approach at the international level, too. I am proud that six women are serving with me on the RI Board of Directors this year, the most we have ever had. Let's keep Rotary moving in this direction at every level. We need more perspectives, more diversity, for Rotary to thrive.

It's fascinating to imagine how we will find new ways to adapt and stay nimble this year and beyond. But I am also inspired about what hasn't changed and never will in Rotary: the friendships, the networking, the ethics, and the service. Indeed, these are the values that make Rotary attractive to all.

As Rotary's founder, Paul Harris, said, we have to be revolutionary from time to time. Now is such a time. *Rotary Opens Opportunities* — countless ones — for us to embrace change that will strengthen us even as we remain true to our core values. **(AUGUST 2020)**

TRUSTEE'S CHAIR MESSAGE

K.R. Ravindran

There is a world of difference between a problem and a challenge. If a honeybee faces a giant hornet alone, the bee has a problem. But if the honeybee faces the hornet with a swarm of other bees, then it is the hornet that has a problem.

This is true in nature, but it is also the human predicament. So when the situation I confront is greater than the resources I have, then it can be termed as a problem. However, if the resources I have are greater than the situation I am faced with, then it is just a challenge. Sometimes we overestimate our problems and underestimate our

ability to overcome them.

The COVID-19 pandemic seemed like a situation that might overwhelm The Rotary Foundation. But as things have progressed, we have not allowed it to do so. As of 4 June, we have funded 208 disaster response grants for \$5.2 million and 169 new global grants at \$13.8 million — all in three months. We have leveraged individual Rotarians' generosity with Foundation funds and in many cases other corporate funds to make projects larger and more impactful.

We never allowed the pandemic to overpower us. Indeed, history shows that Rotarians are a curious breed. We are visionaries, an idealistic lot that dreams big dreams of a better world. At the same time, we are resilient and able to withstand challenges that others might succumb to. We were not idle during the pandemic lockdowns. We raised funds and did projects just as we would have if there had been no lockdown. We remembered that it's the same business that we always do — reaching out to people in distress — except the methodology by which we did it changed.

Our process of preparing and delivering the projects changed.

The way we communicated what we did changed.

The Rotary Foundation is more than 100 years old and has already weathered many storms — some of them mild and others devastating to the world. Thanks to the strength, sacrifice, and compassion of Rotarians and the level to which they have extended themselves, I believe the Foundation will continue to face the future with renewed hope and inspiration.

Our Foundation will emerge from this pandemic much stronger and more resilient as long as you continue to have trust and faith in it. **(AUGUST 2020)**

MESSAGE FROM THE CLUB PRESIDENT

Andrew Robert W. Atkins

Hello RC Marbel Family.

Thank you to all Rotarians and Spouses for your attendance and involvement at the 41st Induction and Turnover Ceremony. I hope that you all had an enjoyable time. Of course, there are many of you to thank personally, but I especially I want to mention PDG Bing Garcia for sponsoring the band which really livened up the evening and what for me (and I hope others) turned into a great celebration. To Rtn Rhea Savariz for all the work she does in the background to make everything run smoothly at personal cost to her precious time. To

my beautiful wife Sherill who I expected would oversee the venue and food well, but even surpassed my own high expectations.

Now comes the next challenge of how we can put in practice the next part of the Rotary year with projects where we can serve the community. Unfortunately, the effects of the pandemic are being felt in all areas of society, however, it is my view that the poor and the disadvantaged suffer most from the restrictions. I had hoped that schools would be reopened, but it appears that this has now been delayed until October. Young people, although resilient, are particularly vulnerable in the longer term to the current restrictions. It is not only their education that suffers, but also the normalization of the discipline of a regular routine and social interaction with their peers. With regard to the help that we provided to Barangay Isidro following the floods there. We still have a significant amount to help the community rebuild their lives. As we observed from our last visit many of the homes were destroyed. I was thinking that maybe we could contribute some materials for rebuilding. This would need to be discussed with the local leaders. I would be interested in your views.

Meanwhile, we need to consider other projects that would be helpful. I would be grateful for your ideas and support along these lines.
