AG Jay Garcia Moderator

Heavenly Father, As the whole world battles the effects of the Coronavirus pandemic, we need hope and encouragement more than ever before. Please continue to draw near to us to give us a greater understanding of your love so that we can have peace of mind and be joyful, even in difficult times. With this understanding give us the opportunity to show Your compassion and love to those in need. Finally, thank you for the opportunity that Rotary gives us to use our skills and gifts in serving others. Amen

ROTARY HYMN

I want to be a Rotarian for the world,
 Make the Rotary flag be a flag of peace unfurled;
 I will serve my community,
 Help to seek international unity.
 Through Rotary, I will dedicate my all,
 World understanding shall be my cherished goal.

Refrain: With the Four Way Test
 I will pursue my quest
 And if I, in a way help obtain
 Peace in the world
 Then I won't have lived in vain.

I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
 Strengthened by nothing but the truth;
 Let's join our hands, there's no reason to divide.
 We shall all understand, while the good Lord is
 our guide.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Peace be achieved,
 So we won't have lived in vain.

ENJOY ROTARY!

Rotary Club of Marbel Original Theme Song
 (Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
 When all you see is poverty and misery
 When you are bored and discontented
 And your days seem cold and dreary
 It's time to get up, move on and make new friends
 The joy of serving others
 Is felt by each Rotarian
 Come take your place under the sun
 Join us and have so much fun

If you want to be happy
 Join Rotary
 If you want to be loved
 Embrace Rotary
 If you want peace and harmony
 Serve with Rotary

The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment

OBJECT OF ROTARY

ROTARY INFORMATION

What it's like to survive through two pandemics

Sixty-five years ago, in 1955, I was diagnosed with **polio**. I was two years old, so I was unaware of what it meant to have been infected with the poliovirus, but I became more aware of it in subtle ways as I got older. And at some point, I understood what my mother meant when she said I was “one of the lucky ones.”

My mother came from Jersey City, New Jersey, and she sounded like it all her life, aided and abetted by a daily regimen of unfiltered Kool cigarettes. She drove a supply truck as a civilian during World War II and delighted in telling a tale about a GI who tried to “get fresh” with her when she gave him a lift back to the base. When she told him she was married and her husband was deployed overseas, he said, “Baby, what’re you saving it for — the worms?”

She stopped the truck and told him, “Ride in back, buster!” I have no doubt that she used an expletive, although she never employed one in the retelling, Jersey accent notwithstanding. But she still thought “saving it for the worms” was the funniest line she had ever heard. She was a woman who could take things in stride, the quintessential “tough cookie.”

But there was one recollection that could unravel my mother like no other — the one that involved her youngest son being diagnosed with polio and the palpable fear that stalked parents across the country during the summers of the early 1950s. She could not stop her voice from cracking when she spoke about that time. That, along with her warnings about staying out of “**polio puddles**” after it rained, shaped my awareness of how frightening the epidemic had been.

Among my childhood memories, getting the oral polio vaccine is as vivid as the **classroom drills** that taught us to seek safety under our desks in case of a nuclear attack. While I can now joke about how sturdy school desks must have been back then, there’s no amusement in my recollection of lining up outside the local firehouse for the **Sabin sugar cube** — that was serious, important business. I knew it then, and I know it now.

My appreciation for having survived polio faded away over time, but returned in force about 12 years ago when I began writing for **Rotary magazine**. I had assumed polio had been **eradicated** — or, more accurately, I didn’t think about it. I have since had the opportunity to get to know, and be awed by, some of the Rotarian volunteers who are working to achieve that goal.

RI PRESIDENT'S MESSAGE

Holger Knaack

Rotary youth exchange — one of the many programs for youths and young adults that we celebrate this month — was my path into true engagement in Rotary. My wife, Susanne, and I began hosting exchange students soon after I joined, and the experience helped me go from simply being a member of my Rotary club to being a true Rotarian. Now Rotary Youth Exchange is a family tradition, and a strong one: Over the past 24 years, we have hosted 43 students! From the start, we loved it so much that, in addition to hosting students in our home, we became involved with the program by helping to organize student summer camps. During one such camp, I met Christine Lichtin, who was a

German high school student at the time and whose father is a past president of my Rotary club. To try something new during this year of embracing change, I am turning this space, normally reserved for the president of Rotary, over to Christine so she can share her story.

My first contact with Rotaract was about 13 years ago, when I was with Susanne and Holger at a barbecue for the summer youth camp. Holger turned to me and said: "Why don't you visit a Rotaract club? You'll meet a lot of great young people who come together to have fun and to make a difference."

A few years later, when I was at Trier University, his words came back to me and I decided to give it a try. That was more than eight years ago, and I'm still at it. Once you are in Rotaract, you just don't want to get out. Rotaract has accompanied me everywhere, starting with the Trier club and then on to a club in Bologna, Italy, during the year I studied there. When I was in Kiel for my master's degree, I got involved with Rotaract there before landing at the Rotaract Club of Hamburg-Alstertal as I began my career. Each of those clubs has its own identity and focus, but all have the same intrinsic motivation.

I am now taking on a senior advisory role in my Rotaract club, which I really enjoy. I carry Rotaract in my heart, and it shapes my values, even as my interests evolve. One day, as if she had sensed this evolution, Susanne knocked on my door, wanting to introduce me to a young, modern Rotary club located between Hamburg and Mölln, my hometown. The E-Club of Hamburg-Connect, which Susanne helped charter, holds e-meetings, all of them very relaxed and personal. With members of different ages, everything just seemed to fit, so I thought, why not try it out? After all, time is precious and should be filled with fun whenever possible; the rest happens by itself.

Now I am in both worlds — a proud member of Rotaract and a Rotarian. And my small personal goal is to build a bridge between these two parallel worlds. All of us have very similar reasons for being part of the Rotary family.

It took some persistence to persuade Christine to become a member of Rotary, but it was well worth the effort. It is our duty to put in this kind of effort with youth program participants and Rotaractors so we can keep them in the family of Rotary. I hope you were inspired by her story. It's up to each of us to ensure that more young people like Christine can experience the many ways Rotary Opens Opportunities for us and for the people we serve. **(SEPTEMBER 2020)**

TRUSTEE'S CHAIR MESSAGE

K.R. Ravindran

In late 1914, Europe was divided by hundreds of miles of trenches. British and French forces on one side were within shouting distance of German troops on the other. The pope made a plea for a Christmas truce, but the shooting continued.

Then, on Christmas Eve, soldiers from behind British lines heard an unexpected sound — not gunfire, but singing. Next, they heard a single voice shout out, "English soldier, merry Christmas!" followed by "English soldier, come out to join us!"

Both sides cautiously emerged over the parapet into the no man's land between the trenches. Before long, the soldiers realized that it was a real truce. They fraternized, singing Christmas carols, exchanging souvenirs and whiskey, and even taking up a friendly soccer match.

The cease-fire continued only two days before the troops returned to their trenches, resuming bloodshed for nearly four long years. But the story of the Christmas truce reminds us that peace is possible, if we choose to accept it. If peace can last a few days, could it not also last months or years? And how do we prevent conflict in the first place?

In his Nobel Peace Prize lecture in 1964, American civil rights leader Martin Luther King Jr. said, "We must concentrate not merely on the negative expulsion of war, but on the positive affirmation of peace."

With Positive Peace, our society's structures, policies, and everyday attitudes and actions promote justice at all levels, sustaining a peaceful coexistence. It's an answer to the calls for justice and peace we have heard on the streets in protests from Minneapolis to Paris this year. Positive Peace, studied at our Rotary Peace Centers around the world, is not just an academic idea for the Rotary Peace Fellows. Through Rotary's partnership with the Institute for Economics and Peace, the Rotary Positive Peace Academy offers free training to every Rotary member on how to wage Positive Peace in every project we do at the grassroots level, including Foundation grants.

Positive Peace resonates at all levels of The Rotary Foundation. Our literacy projects help children gain equal access to literacy, so opposing sides on an issue can understand each other better. Through our Foundation grants that provide clean water, communities gain stability, as more children stay in school rather than fetching water for hours on end.

Our role as civil society leaders who wage Positive Peace will continue to expand, not only through partnerships and more grants, but also through our hearts, minds, and hands as we offer our gifts to make the world a better place. **(SEPTEMBER 2020)**

MESSAGE FROM THE CLUB PRESIDENT

Andrew Robert W. Atkins

As most of you are aware, I will be travelling to the UK for 5 weeks beginning the 10th September 2020 returning on the 14th October 2020 God willing! We will have to travel early to Davao to obtain the necessary covid-19 test for our flights. At this present time, we will have to quarantine on our return which unfortunately adds to the time we will be away. We will discuss what arrangements can be made for the time we are away.

While I am away, I will still be able to take part in Zoom meetings such as the district membership training webinar at 1pm on the 19th September. This will correspond to 6am in the UK so I will have to remember to dress ready out of my night wear! May I encourage other club members to take part in this webinar as it has been suggested that 5 club members take part in addition the president.

Sherill and I expect to be staying in the UK in a house with a couple we know quite well. They have confirmed a room for us. The town is Reading and about 60 kilometers from London. They have a Rotary club there and I hope to make myself known to them however, it appears that they continue to meet on Zoom at this present time.

While away we expect to maintain contact and will be praying for your health, safety and welfare.

Thank you for your understanding.
