ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is
our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

ENJOY ROTARY!

Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
When all you see is poverty and misery
When you are bored and discontented
And your days seem cold and dreary
It's time to get up, move on and make new friends
The joy of serving others
Is felt by each Rotarian
Come take your place under the sun
Join us and have so much fun

If you want to be happy
Join Rotary
If you want to be loved
Embrace Rotary
If you want peace and harmony
Serve with Rotary

The Rotary Club of Marbel

Our passion
Our family
All for the service of humanity

RI PRESIDENT'S MESSAGE

Shekhar Mehta

Friends, one of my mantras in Rotary has been *do more, grow more*. I am sure you are adopting this mantra. *Do more*, as in bigger and impactful service projects, and *grow more*, as in increasing our membership.

There is so much excitement across the Rotary world about our Each One, Bring One effort. Everywhere I travel, club presidents, district governors, and Rotary members — both veteran and new — express appreciation that their membership efforts are inspiring the Rotary world.

We are growing more, and I cannot wait to celebrate all of this success with you at the Rotary International Convention in Houston in June. There is still time to register and make your plans to join us. We are looking forward to a once-in-a-lifetime experience that will unite our members after far too much time apart.

As we *grow more*, we will have so much more opportunity to *do more*. April is Maternal and Child Health Month, a great opportunity for your clubs to consider what you are doing to support the health of mothers and young children. Improving access to care and the quality of care for women and children worldwide is an important focus for us and it also ties in very well with our Empowering Girls initiative. I appreciate the work being done by various clubs in this area of focus, and I would encourage you to think of ways to *do more*.

It has been so exciting to see Rotary members come together at the presidential conferences to share ideas about using our areas of focus to bring about big, lasting change in the world. The past and upcoming presidential conferences are looking at our new area of focus — the environment — and how our work to protect our planet must support our efforts to grow local economies, especially in places with the greatest poverty. I also had the honor to speak at the 26th United Nations climate change conference in Glasgow, Scotland, known as COP26. This important meeting brought together nearly 100 heads of state and government over a two-week period to set new targets for fossil fuel emission. My call to action was to restore mangroves, a crucial ecosystem that can mitigate the effects of climate change in coastal areas. Already, countries across the world are showing great enthusiasm for this plan.

Our survival is at stake — the damage of environmental catastrophe is already upon us — and so, too, is our ability to lift the world's most needy out of poverty and offer them hope. We must find ways to protect our planet while sustaining the economic growth necessary to achieve our highest humanitarian goals.

This is a very exciting time in Rotary, a time when the world needs us most. As we *Serve to Change Lives*, remember that we are also changing ourselves. We are becoming the world's great change-makers and peacebuilders.

The world is ready for us. It's time to rise to that call.

TRUSTEE'S CHAIR MESSAGE

John Germ

What's your Rotary moment — a time that strengthened your dedication to Rotary and confirmed you would be a lifetime Rotarian? I have had many such moments over the years, and they all had one thing in common: They showed me Rotary's tangible power of turning our dreams of a better world into reality.

Rotary members are exceptional at it. I see that power in my own club in Chattanooga, Tennessee, and now, as Rotary Foundation trustee chair, in clubs and districts around the world.

Rotary members from Austria, Germany, Nigeria, and Switzerland are realizing their dream to help mothers and children in Nigeria. In partnership with several organizations, they have launched a multiyear, large-scale project to reduce unwanted births and drive down rates of maternal and child mortality. This project, once a vision of a few members but now the recipient of Foundation global grants, is training doctors, nurses, and midwives throughout all 36 states of Nigeria.

Every great project begins in the minds of our members. You are the ones who see schools where adolescent girls have stopped attending because of the lack of private bathrooms. You are the ones who see families facing food shortages, the children who can't read, and the communities with health problems caused by mosquitoes. You not only see these things, but because you are in Rotary, you also do something about them.

And because of that engagement, over the past decade, the amount of money the Foundation has awarded for global grants has grown by more than 100 percent. As more and more Rotarians have become involved, to keep our grants going we have had to adjust and stretch those funds by reducing overhead and by other means. The reason is simple: While the need for these projects is increasing and grant participation is also on the rise, annual giving from Rotary members has stayed relatively static for years.

Quite simply, we need more clubs and individuals to give to the Annual Fund to help keep our district and global grants thriving. This year, we set a goal of raising \$125 million for the Annual Fund. We can't realize your Rotary dreams or those of your fellow members without everyone's support.

Remember: It's not about the money, but about what our money can do. I am a firm believer that when we all give what we can, both as clubs and individuals, to the Foundation every year, we take another step toward making the world a better place.

Imagine the Rotary dreams we could make real if every member and every club got together and made a gift to our Foundation today. That would be quite a Rotary moment — for all of us.
