Rotary Club of Marbel Original Theme Song  
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated  
When all you see is poverty and misery  
When you are bored and discontented  
And your days seem cold and dreary  
It's time to get up, move on, and make new friends  
The joy of serving others  
Is felt by each Rotarian  
Come take your place under the sun  
Join us and have so much fun

If you want to be happy  
Join Rotary  
If you want to be loved  
Embrace Rotary  
If you want peace and harmony  
Serve with Rotary

## THE FOUR-WAY TEST

of the things we think, say, or do:

- Is it the TRUTH?
- Is it FAIR to ALL concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to ALL concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Thank you to our generous sponsors!

# Rotary Grace

*Merciful and Loving God, You are the author of life and the source of all truth. Help us live lives of generosity and integrity that are rooted in Your love and guided by the values of the Gospel. Grant that in our service to humanity we bring the depth of our faith, the vigor of our discipleship, and clarity of vision only Your Spirit can impart.*

*As we gather today, we seek Your wisdom and guidance. Protect us from self-interest and narrow agendas; teach us humility, and make us hungry for Your will. Be with us in our discussions and guide our decisions so we always do what is right and just and serve worthily those who rely on us to focus the vision, set the agenda, and ensure the viability of this noble organization. May our service bring You glory, You who are our loving God and merciful Lord, now and forever. Amen.*

## Club History **DECADES OF SERVICE ABOVE SELF**

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous “Most Outstanding Club awards” in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005–2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with

Rotary Clubs of Japan, Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994–1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3860 with their unique innovations in folk and modern dances.

The strength of the club lies in each member’s commitment to the motto ‘Service above Self’ and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 42 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration and help to change lives. Imagine Rotary!

## Club History

### DECADES OF SERVICE ABOVE SELF

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel

(now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'lok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based – Rotaract Club of Marbel was born which composed of young professionals.

## Presidential MESSAGE

July 2022

**Jennifer Jones**  
Rotary International President 2022-23

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure

trove of photos and memorable stories about our great organization — the one we all know and love. I have learned so much over the years about service projects and lives that each of you have transformed.

As a communications professional, I have longed for the day that our stories were a regular part of mainstream media and that our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better if more people knew our stories.

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over the next 12 months, we are going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable, and scalable Rotary projects from our areas of focus in what we call the Imagine Impact Tour.

We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary.

But there was another important issue to consider — our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the pandemic is fundamental to how we carve out our future.

That means we will harness digital technology to tell these stories — we will be tweeting, posting, and “going live” to anyone who will listen. We must consider our environment, and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need to be more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

So, what are your stories and who can help tell them? I hope you might consider your own Imagine Impact efforts — your story might be something you can promote just as easily on social media or during a Zoom call. Think about ways to showcase notable projects in your clubs and districts.

We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

## Trustee's Chair Message

*Ian H.S. Risely*

August 2022

As an accountant, I look at the world through the lens of inputs and outputs. We can plan with precision today for success tomorrow. My profession also taught me that numbers — those inputs and outputs — can sometimes tell great stories.

One of those stories is The Rotary Foundation: What it has given the world, starting from a modest input of \$26.50, is nothing short of remarkable.

In 1918, that amount — the surplus from that year's Rotary Convention in Kansas City, Missouri — was applied, at the suggestion of 1916-17 Rotary President Arch Klumph, to a fund with the purpose of doing good in the world. The fund grew modestly until 1947, when Rotary founder Paul Harris died and donations poured in as a tribute to him. That year, the Foundation supported scholarships for 18 students — the first indication of the greatness to come.

Later the Foundation expanded, providing programs, like Group Study Exchange, and humanitarian grants, which impacted the lives of members and communities around the world. In 1979, a major grant helped immunize 6.3 million children in the Philippines against polio, which led to the establishment of PolioPlus in 1985.

Rotary's work with polio eradication — helping reduce wild polio from an estimated 1,000 cases daily in 1988 to just six total cases in 2021 — has been one of the most ambitious humanitarian projects ever undertaken by a nongovernmental body. That success story alone shows the significance and widespread impact of Rotary and its Foundation.

Perhaps what is even more remarkable is that polio eradication is but one part of the Foundation's efforts.

Today, the Foundation has grown into a multimillion-dollar charity. Our robust funding model allows districts the flexibility to choose which Rotary aspects they would like to support — polio eradication, scholarships, district grants, global grants, and more. Today's Foundation impacts the world through disaster relief, disease prevention, peace education, and other areas.

Everyone in Rotary is part of this great legacy; it is our responsibility to keep it going. This year, the trustees have set the goal of raising \$430 million. I know the expectations are high. But I also know just how much our members can achieve.

To get there, we will work together as we always do, with each club and individual giving what they can. In this way, we will ensure that we meet our ambitious but achievable goal and move our Foundation forward.

## Words from the Club President

Francis Ian A. Fedoc

Foremost, thank you my fellow Rotarians and to our Spouses! I am overwhelmed with the support extended by the club members and other Rotary Clubs in Area 3H under Assistant Governor Randy Baldeovar during the Rotary Year 2022-2023 kick-off activity dubbed as One Rotary, One District New Year Children's Day Celebration last July 2, 2022 at Purok Maligaya, Barangay San Isidro here in the City of Koronadal. Also, the active participation of the Rotaract Club of Korbel and Rotaract Club of Marbel are highly acknowledged. The club being in the lead for such huge activity is not easy but with your time, effort, and utmost dedication, it was a blast! Indeed, the rain during that day was a blessing.

The months of July and August is usually scheduled for the installation of the new officers within the Rotary Year. With that, I am encouraging everyone to also support the activities of other clubs specifically in Areas 3FGH. We will provide you updates in our group chat on the details.

The club's incoming 43<sup>rd</sup> Induction and Handover Ceremonies is scheduled on August 6, 2022. The event will be held at EMR Convention Center, City of Koronadal. I am soliciting support from each of you as there will be an organizing committee to be assigned in specific tasks. Let me thank you ahead as I am counting on your help.

On July 16, 2022 will be the One Rotary, One District Bloodletting Activity. The Area 3H will have its separate conduct at City Mall Koronadal as agreed during the Area Committee Meeting. To those who would like to share their precious blood to save another life, is greatly appreciated.

Thank you and looking forward for your kind support during my term. Enjoy!

## ROTARY OBSERVATION MONTHS

## ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;  
I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

**Refrain:** With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

**Refrain:** With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.  
We shall all understand, while the good Lord is our guide.

**Refrain:** With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.
