Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated

When all you see is poverty and misery

When you are bored and discontented

And your days seem cold and dreary

It's time to get up, move on, and make new friends

The joy of serving others

Is felt by each Rotarian

Come take your place under the sun

Join us and have so much fun

If you want to be happy

Join Rotary

If you want to be loved

Embrace Rotary

If you want peace and harmony

Serve with Rotary

The Rotary Club of Marbel

THE FOUR-WAY TEST

of the things we think, say, or do:

- Is it the TRUTH?
- Is it FAIR to ALL concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to ALL concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Thank you to our generous sponsors!

TELE. NO.: 228-6300/228-3477

Our Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Our Core Values

Our values are an increasingly important component in strategic planning because they drive the intent and direction of the organization's leadership.

Rotary Grace

Heavenly Father, thank you for every seat that has been filled here. For each mind and heart that fills the presence of this room, we thank You. Only You truly know what we are setting out to accomplish on this meeting. We have an idea, a vision, hints, and daily instructions. We have talents, abilities, and time to work. However, only You can see in perfect detail the end of every beginning. Every project, every season, every life. Nothing is ever in vain, for even mistakes and missteps are used for good. Your righteousness transcends all our efforts and understanding. Forgive us for our pride. The pride that puffs us up and the pride that threatens to unqualify us. Strengthen our confidence in who You have made us to be. Set us free from comparison in order to work together efficiently. Bless this meeting, all those present, as well as the lives of those we will encounter afterward. Ready us to make every moment count. In your most Holy name, Amen.

“Learn from yesterday, live for today, hope for tomorrow. The important thing is not to stop questioning.”

Albert Einstein

Club History **DECADES OF SERVICE ABOVE SELF**

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous “Most Outstanding Club awards” in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005–2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with

Rotary Clubs of Japan, Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994–1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3860 with their unique innovations in folk and modern dances.

The strength of the club lies in each member’s commitment to the motto ‘Service above Self’ and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 42 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration and help to change lives. Imagine Rotary!

Club History

DECADES OF SERVICE ABOVE SELF

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel

(now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'lok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Intera ct Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based – Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

August 2022

Jennifer Jones
RI President 2022-2023

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism – an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity – the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion. Our values remain our strength – and our commitment to excellence requires us to maintain high standards for our members as well.

I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come.

A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership.

During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would “go to the moon [and do] other things, not because they are easy, but because they are hard.”

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

Trustee's Chair Message

Ian H.S. Risely

August 2022

During my travels, Rotary often comes up in conversation. Most people associate us with local projects and fundraisers — which is great — but few know what a global force Rotary is. It's easier to understand this aspect of Rotary through an example, such as how Rotary responded to the devastating bushfires in Australia in late 2019 and early 2020.

The result of extreme drought, global warming, and adverse weather conditions, the fires caused catastrophic damage. The need for help was obvious and substantial.

No stranger to forest fires themselves, Canadian Rotarians knew the best way to help was through The Rotary Foundation. They were soon joined by Rotary clubs and districts in other countries and Taiwan, resulting in three Foundation global grants totaling \$280,000 to support the economic recovery of farmers affected by these fires.

One farmer wrote a letter of thanks on behalf of the remote communities we helped, saying they “were in disbelief that Rotary clubs from other countries would step up and help our relatively small farming region” and adding that “they were very grateful and honored to be considered worthy of such aid.”

Friends, this is the kind of impact your Foundation has every single day around the world and why it deserves the support of all Rotary members.

The most significant projects done in Rotary's name are those accomplished through The Rotary Foundation. The list goes on and on. Think of the impact of our polio eradication efforts, our peace education programs, and our Programs of Scale grants. All these efforts to make the world a better place emanate from our Foundation.

The Foundation also impacts our club experience, membership, partnerships, and so much more. The more visibility and impact we have through Foundation projects, the more people want to be part of what we are doing as partners or as members. Everybody wins.

To me, Rotary and its Foundation are inseparable — you can't have one without the other. They are two sides of the same coin. I love the friendship and fellowship and projects I experience as a member of the Rotary Club of Sandringham, Australia; but I am also thrilled to be part of a global movement that is changing the lives of countless people through The Rotary Foundation.

Remember that other side of the Rotary coin and support your Foundation. By doing so, you will also be supporting your fellow members who are bringing to life the projects our world truly needs.

To get there, we will work together as we always do, with each club and individual giving what they can. In this way, we will ensure that we meet our ambitious but achievable goal and move our Foundation forward.

Words from the Club President

Francis Ian A. Fedoc

The club's 43rd Induction and Handover Ceremonies was a huge success! My gratitude to all Rotarians who sponsored the Souvenir Program/The Core Special Edition. We disseminated copies to 11 clubs, special guests from Johor Bahru, Public Image Coordinator in the area, and will be providing copies soon of course to our generous sponsors. Special thanks to the Souvenir Program team who worked overtime just to ensure that the said document will be produced within the big day. Thank you everyone for your support before and after the event. As per attendance, we have a total of 178 attendees including the club members. And tonight, we will present the financial expenses during the said event.

On the other hand, we attended various club inductions in Areas 3FGH for this month and despite of hectic schedule, we also attended and learned during the District Public Image Seminar last August 6, 2022 in Davao City with the Rotaractors. Last August 20, 2022 was the joint induction of the Rotaract Club of Korbel and Rotaract Club of Marbeld dubbed as "Duyan: Rocking the cradle where service is laid." Thank you to PAG Jay Garcia, IPP Evelyn Tampus, ES Rhy Savariz with Dr. Ador Dizon who was the Guest Speaker.

We will be entering the "ber" month and expect another one district activity like mangrove planting and coastal clean-up on September. Updates will be posted in our group chat or text messaging.

We acknowledged VP Victor Villa for our meeting venue tonight and also the August celebrators.

Your attendance tonight is highly appreciated.

ROTARY OBSERVATION MONTHS

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.
