Rotary Club of Marbel Original Theme Song  
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated

When all you see is poverty and misery

When you are bored and discontented

And your days seem cold and dreary

It's time to get up, move on, and make new friends

The joy of serving others

Is felt by each Rotarian

Come take your place under the sun

Join us and have so much fun

If you want to be happy

Join Rotary

If you want to be loved

Embrace Rotary

If you want peace and harmony

Serve with Rotary

## THE FOUR-WAY TEST

of the things we think, say, or do:

- Is it the TRUTH?
- Is it FAIR to ALL concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to ALL concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Thank you to our generous sponsors!

# Rotary Grace

Almighty Father, tonight we pray that we receive Your special blessing because we are committed to be a real service organization to help humankind. May each of us in our daily routine come to know the joy of caring and sharing with others not as fortunate as we are. May our motto that includes serving, caring and sharing be for us life in service. This we pray in your most Holy Name, Amen.

## Club History **DECADES OF SERVICE ABOVE SELF**

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous “Most Outstanding Club awards” in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with

Rotary Clubs of Japan, Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3860 with their unique innovations in folk and modern dances.

The strength of the club lies in each member’s commitment to the motto ‘Service above Self’ and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 42 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration and help to change lives. Imagine Rotary!

## Club History

### DECADES OF SERVICE ABOVE SELF

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel

(now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'lok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based - Rotaract Club of Marbel was born which composed of young professionals.

## Presidential MESSAGE

October 2022

**Jennifer Jones**  
RI President 2022-2023

In August, I was proud to visit Pakistan and highlight Rotary's top goal, eradicating polio. It was also a tremendous opportunity to spotlight female health workers who are playing a critical role in protecting children from this vaccine-preventable disease.

This month, as we celebrate World Polio Day, we are shining a spotlight on our more than 30-year effort to lead the first global polio eradication campaign and our success in forming partnerships capable of completing this massive goal. We all know that this is one of the most ambitious global health initiatives in history and that we've reduced polio cases by more than 99.9 percent worldwide.

Pakistan is one of only two countries in the world where wild poliovirus remains endemic. (The other is neighboring Afghanistan.) I was able to witness and take part in vaccination campaigns in Pakistan, and soon after I left, a monumental nationwide immunization campaign took place, focused on 43 million children under the age of 5. I saw the incredible work of Rotary members on the ground. More than 60 percent of vaccinators in Pakistan are women, and they are doing a remarkable job building trust and convincing mothers to vaccinate their children.

Seeing it all firsthand, I know that the will exists across the Rotary world to end polio, and I'm confident that we have the strategy. The Pakistani media has been very supportive of our efforts as well, and this is making a difference. This month, a new global pledging moment at the World Health Summit in Berlin promises to pull together more resources to fund these time-sensitive eradication efforts. Now it is up to us to do our part and raise \$50 million this year to earn the full 2-to-1 match from the Bill & Melinda Gates Foundation.

There's great cause for optimism on the polio front — but also some staggering new events that have further raised the stakes. Over the past few months, new polio outbreaks have occurred in Israel, the United Kingdom and, most recently, in the New York City area. These stories are frightening, but in every case, the response is clear — vaccines work, and if polio is spreading, we need to make sure the most at-risk people have kept their vaccinations up to date.

Most importantly, we need to eradicate this virus now. If polio exists anywhere, it can spread everywhere. What I saw in Pakistan convinced me that we can and must finish the job, but it will only happen if we remain committed to a strategy that's working and back it with all necessary resources.

Through our commitment, generosity, and sheer determination, we will #EndPolio.

## Trustee's Chair Message

*Ian H.S. Risely*

**October 2022**

Who are your Rotary heroes? One of mine was Clem Renouf, 1978-79 RI president. I related to Sir Clem, who died in 2020, in many ways. We shared the same profession and Australian nationality and a passion for polio eradication. It was Clem's leadership that first put us on track to embrace the cause, mobilizing what is today a global partnership that has led us to the cusp of eradicating

a human disease for only the second time in history.

What Rotary and its partners have achieved is nothing short of remarkable. We have helped reduce polio cases by 99.9 percent worldwide, immunizing more than 2 billion children across 122 countries. Last year alone, more than 370 million children were vaccinated across 30 countries, using more than 1 billion doses of oral polio vaccine. As a result, we are seeing near historic lows in the number of cases. In August 2020, the World Health Organization African region was certified free of wild poliovirus, an incredible achievement for Rotary members and a huge step on the road to eradication. But remember that as long as polio exists anywhere, it is a threat to people everywhere, especially to young children. You may have heard about importations of the disease to Malawi and Mozambique, detection of poliovirus in sewage in the UK, and a recent case in the U.S.

To stay agile, Rotary and its partners are deploying a new polio vaccine, novel oral polio vaccine type 2 (nOPV2), to fight outbreaks of circulating vaccine-derived poliovirus, also known as variant poliovirus, which continues to threaten children in Africa, as well as several countries in Asia and the Middle East, including Afghanistan and Pakistan.

Rotary is as active as ever. We are calling on every member to take action and be part of this historic fight. Take the fight to your clubs and communities on World Polio Day, 24 October. Keep raising awareness of the importance of polio eradication and Rotary's critical role in that effort by holding events and fundraisers. Don't forget that contributions toward the goal of \$50 million per year for polio eradication will be matched 2-to-1 by our generous partner, the Bill & Melinda Gates Foundation.

Like Sir Clem, we can all be Rotary heroes, each playing a part in our organization's great legacy. Through giving, raising awareness and funds, and providing hands-on service, each of us brings Rotary a step closer to fulfilling our promise to the children of the world by eradicating polio for good.

## Words from the Club President

Francis Ian A. Fedoc

We are now on the first month of the last quarter for 2022 and as my predecessors always do, by the end of the first semester of every Rotary Year, all projects under the 7 Areas of Focus were done. And this is what we will be doing as well. This coming October 28, 2022 in collaboration with the SOCOTECO I Foundation, there will be a Medical Mission that will cover the 7 areas. The details on our preparation and arrangements with the Foundation will be presented tonight thus, soliciting your brilliant ideas on this regard.

October 24 is the World Polio Day and in line with that, the RI and district is asking for any related activities. It is my hope that we could at least have one simple activity if the members would agree like we did last year – the Zumba (I Dance to End Polio) at Rizal Park. As October is also the Breast Cancer month, our joint Pink Zumba with Areas 3FGH is already earmarked as a project. However, we partner before with Ms. Nanette de Jesus representing the Philippine Foundation for Breast Care, Inc.-South Cotabato Chapter in conducting a Breast Cancer Awareness Forum and brochures on breast care were distributed.

Next week, specifically on October 14, 2022, we will be having the Governor's Visit. I would like to appeal once again for your attendance and also to the Governor's Night on the 15<sup>th</sup>.

The DNC communicated with us on our nominee for the DGND and this will be discussed first tonight. We will make wise decisions on this.

There were lot of projects coming ahead hence, we will be presenting it to you one after the other. I need your commitment and cooperation and most especially your generosity in all of these. I will never get tired thanking each one of you for the effort and support. God bless RC Marbel!

## ROTARY OBSERVATION MONTHS

# ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;  
I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

**Refrain:** With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

**Refrain:** With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.  
We shall all understand, while the good Lord is our guide.

**Refrain:** With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.
