Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated
When all you see is poverty and misery
When you are bored and discontented
And your days seem cold and dreary
It's time to get up, move on, and make new friends
The joy of serving others
Is felt by each Rotarian
Come take your place under the sun
Join us and have so much fun

If you want to be happy
Join Rotary
If you want to be loved
Embrace Rotary
If you want peace and harmony
Serve with Rotary

THE FOUR-WAY TEST

of the things we think, say, or do:

- Is it the TRUTH?
- Is it FAIR to ALL concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to ALL concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Thank you to our generous sponsors!

Club History DECADES OF SERVICE ABOVE SELF

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous "Most Outstanding Club awards" in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with

Rotary Clubs of Japan, Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3880 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self' and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 42 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration and help to change lives. Imagine Rotary!

Club History DECADES OF SERVICE ABOVE SELF

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel

(now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'ok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interoct Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based - Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

November 2022

Jennifer Jones
RI President 2022-2023

Being asked to *Imagine Rotary* can seem like a big, heady exercise, but the most important element of it is something quite small, even personal.

Not too long ago, Rotary members were expected to perform our acts of service quietly. I understood and appreciated the thought behind that — humility is a wonderful trait, and we should continue to nurture it in other ways.

But keeping Rotary to ourselves has a cost. and by sharing our Rotary moments, we are being generous with others and giving them an opportunity to understand the impact of Rotary. It brings to mind that wonderful aphorism: “People will forget what you said. People will forget what you did. But people will never forget how you made them feel.”

So how do we make people feel Rotary? The best way is to share our Rotary moments. We have all had them — when the ordinary collides with intention to create something extraordinary.

Some people have those Rotary moments the first time they go to a meeting. For others, it can take years, before seeing the joy in the eyes of someone we serve. Or perhaps in hearing from another member something that hit close to home.

As Nick and I share this journey, we are amazed at the work you are performing and the lives that are transforming. Throughout the year, I'm going to share with you the sights and the stories that made those tours meaningful for us.

I hope you can do the same in your corner of Rotary. It can be something you share in meetings or on social media. For the most savvy and ambitious, it could be an event you publicize with local media. Even sharing your stories with friends has impact.

We need ambassadors for Rotary's message and our dreams for a better world. The best ambassadors are you. The more you share stories — and share them from the heart — the more you encourage others to partner with us, to join us, and to stay.

To give you just one small example, in the months ahead, I will be turning over this column to Rotary members who will share their personal stories as they relate to diversity, equity, and inclusion in our organization. It's important that we hear these stories directly from the people who experienced them as a way of feeling the importance of DEI for the future of Rotary.

In everything we do, what people feel about Rotary will shape our future. I can only imagine what you will inspire through the stories you'll tell.

Trustee's Chair Message

Ian H.S. Risely

November 2022

Many of you will recall my challenge to Rotary clubs when I was RI president in 2017-18: to plant one tree per member to help the environment. Thanks to you, we estimate over 4 million trees went into the ground in Rotary's name — quite a forest indeed. This month, as we celebrate The Rotary Foundation, let's remember that each Foundation project is much like planting a tree. With each sapling of hope, health, and peace we plant

through the Foundation, we make an investment in the future that will one day grow into something even greater.

Such a tree was planted by Rotary in Sri Lanka, where more than 2,000 children born annually with a congenital heart defect can now get a corrective surgery that allows them to survive to adulthood. Local Rotarians identified the need to make the surgery more available and effective, and rallied 17 Rotary districts around the world to contribute District Designated Funds. After the Foundation matched those funds, a total global grant of \$365,000 was used to create the first human heart-valve tissue bank in Sri Lanka, with the government providing the building, staffing, and supplies to ensure its sustainability.

Visiting this life-saving facility in 2017 was an unforgettable experience for me. But I have seen countless other great "trees" planted across our seven areas of focus. We planted PolioPlus in 1985 and it has grown into one of the greatest public health initiatives in history, helping reduce cases of wild poliovirus by 99.9 percent. Seven Rotary Peace Centers around the world have also taken root and are now bearing fruit as scores of peacebuilders and community leaders go forth with the skills to make the world more safe and secure.

Charity Navigator, an independent agency, has given The Rotary Foundation its highest ranking for more than a decade. Why? Our overhead expense level is much lower than most similar organizations — 91 percent of gifts to the Foundation go to programs and operations. Not only are we efficient stewards, but Rotary's requirement of a community-needs assessment for global grants helps ensure the sustainability of our projects over the long term. And the Foundation is a charity you can trust because it is run by your fellow Rotarians.

However, only about 38 percent of members actively support our own organization's great charity. We can and should do better. Just as I challenged you to plant trees as president, as Foundation trustee chair I would like to challenge each club to make a giving plan for our Rotary Foundation this year.

Imagine our impact — Rotary's great forest of hope and peace that will flourish — and please give today.

Words from the Club President

Francis Ian A. Fedoc

We have two remaining nights before the Golf Tournament on November 19-20, 2022 solely organized by the club. With the Chairman of the working committee, PDG Bing Garcia and the brilliant ideas from the team of PP Rolan Alajar, PP Gerry Cruz and PP Fred dela Peña, all the preparations were almost set. We are also thankful for the assistance extended by Mr. Tony Aguilar and PP Carlo Precioso. We will also be asking the help of five Rotaractors to assist our Executive Secretary in the registration for the 2-days event. This is to ensure a smooth process on confirmed players and sponsors, collection of fees, giving of meal stubs and acknowledgment of giveaways. More of the event preparation will be discussed tonight.

The Outreached Program spearheaded by the SOCOTECO 1 Foundation at Brgy. Tablu in Tampakan will also be conducted comes December 2022. The details as to date and time will be posted ahead for your information.

Moreover, I am asking your support on the visit of the Rotary Club of Alabang Lampara represented by PP Elbert Cruz. As planned, we will renew our sisterhood agreement as well as conduct of Literacy Project to identified venue.

We will also be planning for the December Gift-giving and the club's Christmas Party and Family Day. I am soliciting from your end about the schedule, venue, beneficiaries, and flow of activities. To also make the celebration fun-filled and more memorable, simple parlor games are welcome.

Let me extend my heartfelt gratitude to all those who sponsored for our first Swing for a Cause: Golf Tournament 2022. And also soliciting prayers that this event will be successful. The amount we will be donating to the Rotary Foundation from this event will help the total eradication of Polio.

And finally, happy birthday today to Rtn. Ed Lay and also to all the Novembers celebrators.

ROTARY HYMN

I want to be a Rotarian for the world,
 Make the Rotary flag be a flag of peace unfurled;
 I will serve my community,
 Help to seek international unity.
 Through Rotary, I will dedicate my all,
 World understanding shall be my cherished goal.

Refrain: With the Four Way Test
 I will pursue my quest
 And if I, in a way help obtain
 Peace in the world
 Then I won't have lived in vain.

I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
 Strengthened by nothing but the truth;
 Let's join our hands, there's no reason to divide.
 We shall all understand, while the good Lord is our guide.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Peace be achieved,
 So we won't have lived in vain.
