Rotary Club of Marbel Original Theme Song  
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated  
When all you see is poverty and misery  
When you are bored and discontented  
And your days seem cold and dreary  
It's time to get up, move on, and make new friends  
The joy of serving others  
Is felt by each Rotarian  
Come take your place under the sun  
Join us and have so much fun

If you want to be happy  
Join Rotary  
If you want to be loved  
Embrace Rotary  
If you want peace and harmony  
Serve with Rotary

## THE FOUR-WAY TEST

of the things we think, say, or do:

- Is it the TRUTH?
- Is it FAIR to ALL concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to ALL concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Thank you to our generous sponsors!

## Club History DECADES OF SERVICE ABOVE SELF

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous "Most Outstanding Club awards" in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with

Rotary Clubs of Japan, Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3880 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self' and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 42 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration and help to change lives. Imagine Rotary!

## Club History

### DECADES OF SERVICE ABOVE SELF

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel

(now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'ok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interoct Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based - Rotaract Club of Marbel was born which composed of young professionals.

## Presidential MESSAGE

February 2023

**Jennifer Jones**  
RI President 2022-2023

Recently, I spent time in the Nakivale refugee settlement in Uganda. As the "settlement" in its name suggests, the people living there are free to move around and integrate as best they can — one thing that makes the place unique.

I had a chance to play soccer with boys and girls from about a dozen nations and talk with women who had fled areas of conflict. It was a tapestry of human experience shared through both laughter and tears. As I walked across a school campus at the settlement with a teacher, she shared with me the dire statistics on girls' education. Most don't get through grade school. Many are sold into child marriage to pay for food for their families. As I looked around at these young girls, I was gutted.

Our work with empowering girls and women is much more than creating equity — sometimes, it's about health or education. Other times it's about providing safety. Regardless of the path, it's always about basic human rights.

We can do more to empower girls and women, and we can expand how we share the progress Rotary members and our partners have made toward this goal.

There is no shortage of inspiring examples of our work, from interest-free microcredit loans for women in Nigeria, to projects in India that provide girls menstrual hygiene products. Hundreds of projects are taking place across all Rotary areas of focus and are making a meaningful and often lifesaving difference.

Together, we can address the needs and inequities that girls throughout the world face daily. But we must also monitor the impact of these projects and create awareness of Rotary resources and subject matter experts, including Rotary Action Groups, The Rotary Foundation Cadre of Technical Advisers, Rotary Peace Fellows, and others.

It is especially important that we tell the stories of our initiatives that have a positive impact on the lives of women and girls. This last point is near and dear to my heart. This means sharing our stories on social media, through local news outlets, in this magazine, and wherever we can inspire others.

As you do so, it's important to provide information that helps our Rotary family connect with others who are implementing activities in their regions, as well as across the world. Let's share our successes and learn from one another — then proudly tell our stories to a larger audience.

These are exciting times in Rotary, and the world is taking notice. As we work to empower women and girls to step into their full potential, we create new pathways for membership growth and greater collaboration with partners to create positive, lasting change. Thank you for your continued action in this vital effort.

## Trustee's Chair Message

*Ian H.S. Risely*

**February 2023**

One of the fascinating things about Rotary is that we are many things at once. We are a service organization based on action. We are also a professional and community networking group, not to mention a place to find friendship and fun.

And, when you stop to think about it, you and I are also part of a peace organization. I saw this in 2013 when I represented Rotary at an international symposium on advancing a peaceful democratic transition for Myanmar. Despite recent setbacks,

the fact that Rotary was at the table demonstrates that the world sees us as peacebuilders who are not deterred by the most difficult issues.

How did we earn this reputation? Through literacy projects that help people expand their minds and viewpoints. And through water, sanitation, and hygiene projects that create common ground for communities in conflict. The Rotary Action Group for Peace promotes hands-on service projects, and our annual international conventions unite thousands in a celebration of global harmony.

Perhaps the most visible face of this cause is the Rotary Peace Centers program, now in its 21st year. Today, more than 1,600 Rotary Peace Fellows are advancing the cause of peace in more than 140 countries. On 1 February, we open applications for the next generation of peace fellows. Encourage your local peacebuilders to learn about Rotary and apply for this unique fellowship.

And soon, we'll be recruiting fellows for a new peace center in the Middle East and North Africa region as we begin working this year with a recently selected partner university. Made possible by a generous gift of \$15.5 million to The Rotary Foundation from the Otto and Fran Walter Foundation, the addition of this center furthers Rotary's vision of peacemaking in action.

As we celebrate Rotary's 118th anniversary and Peacebuilding and Conflict Prevention Month, we can be proud of the many ways Rotary promotes peace. Without The Rotary Foundation, and your support of it, none of that would be possible.

You can directly support this work through the Foundation by visiting [rotary.org/donate](http://rotary.org/donate) and selecting the peacebuilding and conflict prevention area of focus. I also encourage you to contribute to the Ian and Juliet Riseley Endowed Fund in The Rotary Foundation to support peace projects.

If Paul Harris could see us now, he would be amazed by the astonishing growth of the little club he founded in 1905 and the global force for good — and peace — that Rotary is today.

## Words from the Club President

Francis Ian A. Fedoc

Congratulations to President Elect Ilah Labrador and Secretary Elect Janine Pring for a very productive District Team Training Seminar (DTTS), President Elect Training Seminar (PETS), and Secretary Elect Training Seminar (SETS) last February 17-18, 2023 at Butuan City. With them was PDG Bing. I am also requesting your presence for the District Assembly on April 22-23, 2023 and of course the District Conference on May 4-6, 2023 at Panglao Bohol and Cebu City, respectively.

However, for now we will focus first for the documentary of the club's accomplishments for decades for our entry to the Cebu Film Challenge. This was materialized with the help of skilled Rotaractors. Also, in celebration with the 118<sup>th</sup> Anniversary of Rotary International, Rotary Clubs of Areas 3FGH will be having a Rotary Week celebration through Sports Fes on February 26, 2023 at Holy Trinity College, Trinidad Complex, General Santos City. We posted various information in our group chat related to this concern and also asking for everyone's attendance. We also posted the list of games for us to participate and some of the members already confirmed to what particular game they wanted to join. Related to the celebration, it was agreed that each club will bring their respective foods. Thus, we are asking for your support by sharing your financial resources for that purpose. Thank you to Rotarians and Spouses who already shared and counting for more. May you be blessed abundantly in return. As posted, assembly area on Sunday (February 26, 2023) will be at the Jollibee roundball area at around 5:45 in the morning. We are asking for those who will bring their cars to allow the Rotaractors to travel with you. They will also be joining with us in the games. We also prepared a design for the uniform for the Green Team and along with us are the Rotary Clubs of Koronadal and Polomolok 101. We already received confirmation that some of our members will have their own shirt. The printing only costs P100 per shirt.

Good luck to us and let us enjoy the celebration!

# ROTARY HYMN

I want to be a Rotarian for the world,  
 Make the Rotary flag be a flag of peace unfurled;  
 I will serve my community,  
 Help to seek international unity.  
 Through Rotary, I will dedicate my all,  
 World understanding shall be my cherished goal.

**Refrain:** With the Four Way Test  
 I will pursue my quest  
 And if I, in a way help obtain  
 Peace in the world  
 Then I won't have lived in vain.

I'll observe service above self,  
 Lend a hand to all who need my help;  
 I'll get my spouse to involve in Rotary  
 And in Rotary ways I will train my family.

**Refrain:** With the Four Way Test  
 We'll pursue our quest  
 And if we, in a way help obtain  
 Peace in the world  
 Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
 Strengthened by nothing but the truth;  
 Let's join our hands, there's no reason to divide.  
 We shall all understand, while the good Lord is our guide.

**Refrain:** With the Four Way Test  
 We'll pursue our quest  
 And if we, in a way help obtain  
 Peace in the world  
 Then we won't have lived in vain.

Peace be achieved,  
 So we won't have lived in vain.
