Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated
When all you see is poverty and misery
When you are bored and discontented
And your days seem cold and dreary
It's time to get up, move on, and make new friends
The joy of serving others
Is felt by each Rotarian
Come take your place under the sun
Join us and have so much fun

If you want to be happy
Join Rotary
If you want to be loved
Embrace Rotary
If you want peace and harmony
Serve with Rotary

THE FOUR-WAY TEST

of the things we think, say, or do:

- Is it the TRUTH?
- Is it FAIR to ALL concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to ALL concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Thank you to our generous sponsors!

Invocation

Heavenly Father, thank you for the beauty and majesty we see in your creation. Thank you for the opportunity to care for the world you have made. We ask that your blessing would rest on this club, that you would give us great vision and enthusiasm for our work in Rotary. Please bless the efforts of our hands, the bonds between us and the influence of our work in this location and beyond. Lord, as we plan and share together now, may you guide us by your Holy Spirit and lead us into all truth. Amen.

Team Works

Coming together is the beginning. Keeping together is progress. Working together is success.

Club History DECADES OF SERVICE ABOVE SELF

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous "Most Outstanding Club awards" in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with

Rotary Clubs of Japan, Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3880 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self' and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 42 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration and help to change lives. Imagine Rotary!

Club History

DECADES OF SERVICE ABOVE SELF

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel

(now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'ok Creek together with different national line agencies. All One Rotary. One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Intero ct Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based - Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

April 2023

Jennifer Jones
RI President 2022-2023

Introducing the Rotary Youth Network

How do you take the best from the worst?

None of us will forget how the pandemic altered our world and our lives. Each of us had to traverse this period of uncertainty, and no one had a free pass from the effects.

I personally believe this has created space for a different kind of global leadership — one that is courageous, empathetic, and vulnerable. I met my good friend Anniela Carracedo online in early 2020. She is one such leader, and I'm thrilled to turn this month's column over to her.

— Jennifer Jones

In March 2020, I had a panic attack. I couldn't breathe, and I felt a terrible pain in my chest.

It had been a few days since the World Health Organization declared COVID-19 a global pandemic, and I was in the middle of my year as a Rotary Youth Exchange student in the United States. Think about it: an 18-year-old girl stuck in a different country, with a foreign language, with people she had only met six months before. It was scary.

But I am familiar with uncertainty. I was born and raised in Venezuela, which is going through one of the worst humanitarian and political crises in the Western Hemisphere. But my mom always said, "Challenges are nothing more than needs that require a solution."

I called up my Interact and Youth Exchange friends. Together, we organized an online meeting to share projects and get inspired by what everyone else was doing during the quarantine. In that first meeting, we had 70 people, mainly students, from 17 countries.

From that beginning, we built an online platform for Rotary youths worldwide to share their experiences and inspire others with project ideas during isolation. We looked for mentors and supporters who would help our group connect young people, share cultures, and open new collaborative opportunities for international service projects. We called it Rotary Interactive Quarantine, or RIQ.

After only a year, we engaged with more than 5,000 students from 80 countries. Several of our team members became district Interact representatives and district committee members, and some of us even serve on Rotary International councils.

Eventually, quarantine restrictions were being lifted, and the needs of our participants were changing. At our last official meeting as RIQ, Past RI President Barry Rassin inspired us to create even bigger change, so we transformed RIQ into the Rotary Youth Network, or RYN.

A few of our members, including me, were selected to serve on the inaugural Interact Advisory Council, where we presented our vision for youth in Rotary to the RI Board of Directors.

Our presentation to the Board inspired President Jennifer and her team to create a Youth Advisory Council in Rotary International, which I am honored to serve on as a co-chair.

The Rotary Youth Network officially launched during a breakout session at the 2022 Rotary International Convention in Houston. Five of us, who had participated in Interact, Youth Exchange, and Rotary Youth Leadership Awards, traveled across continents to launch an organization we had kicked off online two years before. The convention was also the first time we had met in person.

When my friends and I finished our talk, we realized more than 500 people were giving us a standing ovation. Tears filled our eyes, and the feeling of excitement and accomplishment took over.

Who would have thought that a panic attack would lead to this?

Trustee's Chair Message

Ian H.S. Risely

April 2023

In a letter to his brother Theo in 1874, Vincent Van Gogh wrote: "If you truly love nature, you will find beauty everywhere."

You can see Van Gogh's love of the natural world in his paintings: luminous sunflowers, gnarled olive trees, and the starry night sky over a Provençal village. When you see nature through Van Gogh's eyes or through your own, such as during a trip to the park or a beach, you can't help but stop to appreciate it. And when you love nature, you also want to take care of it.

April is Environmental Month for Rotary, and Earth Day is the 22nd. Marking the occasion with local projects such as roadside cleanups is fantastic and makes a difference. Consider also thinking big about protecting the environment — one of Rotary's seven areas of focus — by partnering with other clubs and districts on a larger-scale project funded through The Rotary Foundation.

The more our clubs work together on larger projects, the more we accomplish. Supported by a Foundation global grant, Rotary clubs in Pennsylvania and Brazil teamed up to provide plastic-processing equipment for a waste pickers cooperative in the city of Rio Claro. The workers, who recover recyclables from trash, increased their income by 50 percent and expanded the cooperative, while contributing to a cleaner environment.

Acting big is also one of the main ideas behind the Foundation's Programs of Scale. With each \$2 million grant distributed over a program's three- to five-year duration, the work done on the ground scales up to fulfill the potential for long-term sustainable change. The 2021-22 Programs of Scale recipient, Together for Healthy Families in Nigeria, is hard at work right now on solutions aimed at reducing the country's maternal and neonatal mortality rates.

Programs of Scale grants are among the most exciting developments of Rotary and its Foundation in recent years. They will have a big impact on the world. Remember that Programs of Scale grants take nothing away from your Foundation grant projects; the money invested is a relatively small portion of the Foundation's total. In addition, The Rotary Foundation designed Programs of Scale to foster greater partnerships, which can include co-funding the initiative.

So, think big this month — about the environment and about global grants and Programs of Scale — and you will see that, when it comes to the good we can do through our Foundation, the "starry night" sky's the limit.

Thank you so much Rotary Club of Koronadal Central for not hesitating to sponsor our hygiene kits during GAD Culmination Program. Maraming Salamat Tita Loring Past Asst.Gov Loreta Cabaies Sy and my Classmate President, Past President Marybelle Agreda for just one message away and always ready to support. Your kindness and generosity have not gone unnoticed, and we are truly grateful for all that you do.

Once again, thank you so much for the support. It is because of kind-hearted people like you that we can make a difference in the lives of others.

Words from the Club President

Francis Ian A. Fedoc

Greetings!

It's been a while that club members meet each other for the past few weeks. I believed that we have a valuable time with family and friends and also celebrated the Holy Week with positive thoughts for a long weekend/vacation. Thank you, my dear RC Marbel family, for the kind understanding due to my busy days however, I assured to continue on what needs to be done until my term ends. There were still projects in the coming months and the team for the RC Marbel documentary will ensure to finish the film. I already talked to some of the members who had been in the club for years and their contribution to the club's growth is commendable.

PE Ilah is now preparing for her term in partnership with SE Janine. This is not only friendship goals but also for the whole community. I am soliciting your support to their term just like how you've been so generous to me. Speaking of generosity, PP Carlo started to coordinate with those members for the Foundation contribution/donation. Thank you to those who already committed and gave. Some will be Paul Harris Fellow sustaining members and others will be elevated to much higher level. We will also achieve the target for the Polio Plus.

For the incoming district events, there might be possible changes but will try our best to attend the conferences. I also encourage our incoming club leaders to attend the trainings prepared for them for their year of duty. Being a club President is indeed not easy but with the kind of members we had, things will come quite easier. Moreover, I am surrounded with Past Presidents who were very compassionate.

My heartfelt thanks to each one of you!

The Secretary's Report

Ilah Marie L. Labrador

ROTARY OBSERVATION MONTHS

ROTARY HYMN

I want to be a Rotarian for the world,
 Make the Rotary flag be a flag of peace unfurled;
 I will serve my community,
 Help to seek international unity.
 Through Rotary, I will dedicate my all,
 World understanding shall be my cherished goal.

Refrain: With the Four Way Test
 I will pursue my quest
 And if I, in a way help obtain
 Peace in the world
 Then I won't have lived in vain.

I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
 Strengthened by nothing but the truth;
 Let's join our hands, there's no reason to divide.
 We shall all understand, while the good Lord is our guide.

Refrain: With the Four Way Test
 We'll pursue our quest
 And if we, in a way help obtain
 Peace in the world
 Then we won't have lived in vain.

Peace be achieved,
 So we won't have lived in vain.
