Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated
When all you see is poverty and misery
When you are bored and discontented
And your days seem cold and dreary
It's time to get up, move on, and make new friends
The joy of serving others
Is felt by each Rotarian
Come take your place under the sun
Join us and have so much fun

If you want to be happy
Join Rotary
If you want to be loved
Embrace Rotary
If you want peace and harmony
Serve with Rotary

THE FOUR-WAY TEST

of the things we think, say, or do:

- Is it the TRUTH?
- Is it FAIR to ALL concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to ALL concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Thank you to our generous sponsors!

Club History DECADES OF SERVICE ABOVE SELF

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous "Most Outstanding Club awards" in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with

Rotary Clubs of Japan, Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3880 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self' and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 42 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration and help to change lives. Imagine Rotary!

Club History DECADES OF SERVICE ABOVE SELF

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel

(now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'ok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based - Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

June 2023

Jennifer Jones
RI President 2022-2023

Speaking to you through the pages of *Rotary* magazine this past year has brought me so much joy. I have especially enjoyed sharing the incredible stories of the wonderful people Nick and I have met on the Imagine Impact Tour.

From Patzún in the mountainous western highlands of Guatemala to a small village outside of Lusaka, Zambia, we have been greeted by countless people who imagine and work toward a better world.

We were inspired by teachers who imagine a better education for girls and boys facing gender-based violence, by Rotaractors in a refugee settlement who created a flour mill to provide for their families in a critical food shortage, and by brave polio workers who push tirelessly to reach every last child.

All of us have imagined Rotary this year. This means looking past what we are today and reaching for what we could be tomorrow. We imagine a Rotary that will continue to tell our stories in impactful ways, work to reduce our carbon footprint, and focus on diversity, equity, and inclusion efforts that lift every voice in our organization and beyond.

Nick and I want to thank all of you for the moments we've shared and for your efforts to *Imagine Rotary*. And now, we look forward to continuing these efforts as we *Create Hope in the World*. It has been an honor and a privilege to serve with each of you.

Trustee's Chair Message

Ian H.S. Risely

June 2023

June marks the end of one chapter and the beginning of another in Rotary, a bittersweet time to reflect as we look ahead.

Looking back on this year, The Rotary Foundation accomplished a great deal. We renewed our determination to fight polio to the end. Rotary and its partners in the Global Polio Eradication Initiative are implementing a strategy to stop the transmission of all wild poliovirus in

the endemic countries of Pakistan and Afghanistan and the circulation of vaccine-derived poliovirus in outbreak countries. Last October, Rotary, the Bill & Melinda Gates Foundation, and the global community collectively pledged \$2.6 billion toward this plan. We know what it takes to eradicate polio, and we have the strategies to do it. I urge all clubs to continue to take action in this historic effort by raising awareness and funds, especially around World Polio Day in October. Also, consider joining or starting a PolioPlus Society in your club or district to collectively give a set amount each year until polio is eradicated.

Our Foundation also responded to the devastating earthquake that hit Syria and Turkey through disaster response grants that helped clubs and districts provide aid.

The Foundation continued to grow. Rotaract clubs began volunteering on and applying for Foundation grants on their own. And our next Rotary Peace Center, made possible by a gift from the Otto and Fran Walter Foundation, will be located at Bahçeşehir University in Istanbul.

To all who supported The Rotary Foundation by volunteering on grant projects or through giving, I thank you. If you haven't yet made your gift to the Foundation, please do so online by 30 June so we can end this remarkable year on a high note and reach our goal of raising \$430 million.

We can be proud of what we have done this year, but let us never rest on our laurels; rather, let us remain persistent.

One of those who best personified persistence was Nelson Mandela. Speaking to a crowd of global dignitaries before his 90th birthday in 2008, he said, "It is in your hands to make of our world a better one for all, especially the poor, vulnerable, and marginalized."

Changing the world is indeed in no one else's hands but our own, and helping those in need is what defines and will continue to define Rotary and its Foundation in the years ahead. I wish incoming Trustee Chair Barry Rassin, the Trustees, and our staff continued success in making a difference through The Rotary Foundation.

ROTARY OBSERVATION MONTHS

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.
