Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated

When all you see is poverty and misery

When you are bored and discontented

And your days seem cold and dreary

It's time to get up, move on, and make new friends

The joy of serving others

Is felt by each Rotarian

Come take your place under the sun

Join us and have so much fun

If you want to be happy

Join Rotary

If you want to be loved

Embrace Rotary

If you want peace and harmony

Serve with Rotary

Inspiring Quote

“Be there for others, but never leave yourself behind.”

DODINSKY

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous “Most Outstanding Club awards” in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3860 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self' and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 43 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration in helping to change lives and creating hope in the world!

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel (now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'lok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based – Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

OCTOBER 2023

R. Gordon R. MacInally
RI President 2023-2024

The World Health Organization designates 10 October as World Mental Health Day, and with Rotary placing a special focus on mental health this year, I would like to help answer the question posed to me most often when I travel to meet members: How can my club get started?

There are some wonderful examples of Rotary members taking action already. In the Philippines, the Rotary Club of Tiaong-Hiyas held a 12-week health challenge for mothers in the community to promote some baseline health screenings and coaching on a healthier lifestyle.

By the end of the challenge, the mothers had a special bond and decided to form a Rotary Community Corps called Ilang Tahanan (“one who lights up the home”) with the goal of involving more mothers in health education and wellness support — and later youth services, teen pregnancy prevention, and help with unhealthy substance use. Almost a year later, the RCC is preparing to open its own health center where mothers can come for peer-to-peer support.

Another strong example is in Colorado. In the fall of 2021, a small group of stakeholders from the Rotary Club of Highlands Ranch formed the Rotary Clubs of Colorado Endowed Fellowship for Pediatric Mental Health, which enhances the ability of Children’s Hospital Colorado to recruit and train pediatric psychiatry providers and allows the hospital network to make additional appointments. This increases access to mental health care for children and decreases provider shortages.

Since then, the project has brought on new supporters and is now fully funded with a \$500,000 endowment. Investment income from this endowment will support a fellow — a psychologist or psychiatrist — at Children’s Hospital. A new fellow will be named every one to two years, beginning spring of 2024. Over time this will create a cohort to bolster the mental health workforce, treating kids from all 64 Colorado counties and neighboring states.

There are many more great mental health project stories on Rotary Showcase, and I invite you to share your experiences as you begin your own projects. Also, please reach out to mindhealth@rotary.org with any thoughts or ideas you would like to share about mental health in the Rotary world.

On 10 October, I will host a Facebook Live event when we will recognize World Mental Health Day and further explore how Rotary members can begin this journey. But I would like to leave you with one way every Rotary member can make a difference.

Right now, there is someone you know in the Rotary world — in your club, from a project you’ve worked on, in a Rotary Fellowship or Rotary Action Group — who could use a little more of your time and attention. Rotary is this great gift of global friendship, and that also means being there for each other.

Discovering the human connections that bind us is what we do through our membership every day. It’s what Rotary has always been about, and we can build on it by helping each other find peace at home.

We need to learn how to ask not just “How are you?” but also “How are you really?” By doing so, Rotary can continue to *Create Hope in the World*.

Trustee's Chair Message

October 2023

On 24 October, we renew our commitment to our top humanitarian goal for World Polio Day.

This year, let's remember a young health worker in Pakistan known as Bibi Marjana (Miss Marjana). She braves the snow and cold in the mountains to vaccinate 84 children in rural areas, visiting each home, often miles apart.

Marjana is one of the thousands of frontline workers in Afghanistan, Pakistan, and outbreak areas I consider heroes in the final push to end polio. The work they do, coupled with the vision of our partners and the support you give, is moving mountains.

With Rotary's partnership, the Global Polio Eradication Initiative is aggressively pursuing two key goals from its 2022-26 strategy. First, we aim to halt wild poliovirus type 1 transmission. This year, only six cases have been documented as of this writing. Could this be the year we see the last of these poliovirus cases? We're cautiously optimistic that it might. Second, we aim to report the final case of circulating vaccine-derived poliovirus type 2, or cVDPV2, in outbreak countries. About 80 percent of cVDPV2 cases last year occurred in subnational areas of the Democratic Republic of Congo, Nigeria, and Yemen. We must implement tailored strategies to stop the virus in these areas.

Other challenges persist, including political tensions, security risks and access issues, and the lasting effect of the pandemic in Afghanistan and Pakistan.

Despite these challenges, we are making progress. Poliovirus strains are diminishing, as is the number of affected regions where polio once prevailed. A new vaccine we have introduced reduces the incidence of the circulating vaccine-derived virus type 2.

Rotary is the organization that had the audacity to take on a global effort to protect children everywhere from disability or even death due to polio. We must have the tenacity to see it to the finish line.

What can you do to help us get there, you ask? Join or initiate a PolioPlus Society in your club or district and engage all members in this historic moment. And don't forget that the Bill & Melinda Gates Foundation continues to amplify Rotary's donations to polio eradication with a 2-to-1 match for every dollar.

You can also advocate the cause of polio eradication with governments to secure political and financial support and promote Rotary's leadership role in all media.

Like Marjana marching up the mountain, we have our goal in sight, and we will keep going until we get there.

Message from the Club President

Rtn. Ilah Marie L. Labrador, PHF

Greetings to all!

I would like to express my heartfelt thanks for the presence of our club during the Areas 3FGH PinkOctober Breast Cancer awareness campaign which was represented by President-Elect Janine Pring, Rtn. Dan Bumaras, and ES Rhy Savariz last October 14, 2023, held at the Oval Gym, General Santos City. As posted on our FB page, the activity started with Zumba, a motorcade, a simple opening program and Rotary clubs showcasing their local products. And simultaneously, the free medical check-up and Breast Cancer Awareness forum were conducted.

Tonight, we will present some updates on the preparation for the "I Dance to End Polio Year 3". I am encouraging the members to join this fundraising event. The registration fee is P50.00 and we are soliciting also your generous sponsorship. The details of this event were posted on our FB page and group chat. Moreover, there will be incoming activities such as the Walk of Hope for the World Polio Day celebration, The Governor's Night, and TRF Awards Night. There will possibly series of meetings for the Areas 3FGH Committee (Acom) and I will keep you updated on this. For the TRF Night in Davao City, I would like to solicit your attendance most especially the Past Presidents for the RY 2020-2021, 2022-2022, and 2022-2023. The Acacia Hotel as the event venue is now open for reservation. Please check the posted information about this in our group chat.

Our next meeting will be hosted by the October celebrators. Please spread the information and invite or bring your sponsored members so that our attendance for club meetings will increase.

Thank you and let us enjoy the rest of the night!
