Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated

When all you see is poverty and misery

When you are bored and discontented

And your days seem cold and dreary

It's time to get up, move on, and make new friends

The joy of serving others

Is felt by each Rotarian

Come take your place under the sun

Join us and have so much fun

If you want to be happy

Join Rotary

If you want to be loved

Embrace Rotary

If you want peace and harmony

Serve with Rotary

Nothing is impossible,
the word itself says

AUDREY HEPBURN

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous "Most Outstanding Club awards" in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3860 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 43 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration in helping to change lives and creating hope in the world!

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel (now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'lok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based – Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

NOVEMBER 2023

R. Gordon R. MacInally
RI President 2023-2024

Next year, Rotary takes a step toward supporting peacebuilding in the Middle East and North Africa region when recruitment begins for our newest peace center in partnership with Bahçeşehir University (BAU) in Istanbul.

A series of events in the coming year will recognize the new center at BAU and Rotary's work to promote peace. The 2024 Rotary International Convention in May will mark 25 years since the first Rotary Peace Centers were announced — coincidentally at the Rotary Convention in Singapore in 1999. Recruitment for the first cohort of Rotary Peace Fellows at BAU also starts in 2024, and selected candidates will begin their program in early 2025.

Since its beginning, the peace centers program has prepared more than 1,700 peace fellows working in more than 140 countries to create a more peaceful world. That is certainly worth celebrating, but Rotary Peace Fellows are more than statistics on a page. Their actions have helped *Create Hope in the World* and will continue to do so.

For example, Jennifer Montgomery and Gorett Komurembe — peace fellows from the program at Makerere University in Uganda — are co-founders of Magenta Girls Initiative. The international nongovernmental organization equips Ugandan girls and young women with the support and tools to overcome harmful gender norms, generational poverty, gender-based violence, trafficking, and trauma.

Ndzi Divine Njamsi, another peace fellow who studied at Makerere, has taken lessons learned about Positive Peace and is sharing them with students of his own in Cameroon. He became interested in the Rotary Positive Peace Activator training program after witnessing extremism, online hate speech, and violence in Cameroon. Since completing the program, he has brought his lessons on peace to students at the Yaoundé International Business School and other organizations in the Central Africa country.

The world needs more people like the graduates of the program at Makerere and our other peace fellows. To that end, we can all advance peace by encouraging our local peacebuilders to learn more about Rotary and apply for this impactful fellowship. Rotary members can also mentor candidates for the fellowship. Or you can work with peace fellows who have already graduated. They probably have an initiative or two that would benefit from your help.

Our peace centers in North America, Europe, Africa, Australia, and Asia depend on financial support as well. The program at BAU was made possible thanks to a generous gift of \$15.5 million to The Rotary Foundation from the Otto and Fran Walter Foundation.

This new Rotary Peace Center will offer a one-year professional development certificate in peace and development studies for fellows focusing on peacebuilding within the Middle East and North Africa region. Peace must be waged persistently; it is the soil where hope takes root. But as with any journey, we take one step at a time. Let's take those steps together.

Trustee's Chair Message

November 2023

This month, as we celebrate The Rotary Foundation, let's recognize it for what it is: one of the world's best humanitarian organizations. Many charities, relief organizations, and nonprofits do the same type of work, and the public associates them with the causes they work on. But I wonder how many people know that Rotary supports those same causes — seven of them in fact — which we call our areas of focus.

If they want clean water, good health, and a sustainable future for our planet, they support what our Foundation does. If they envision a world where peace, full literacy, and economic opportunities for communities to support themselves exist, they also believe in Rotary's mission. And if they want to see mothers and their babies thrive, their vision aligns with the work we do.

And we have a lot of work in progress through the Foundation. Polio eradication is changing the world, one drop of vaccine at a time. Rotary Peace Centers are training peacebuilders to reduce violence and resolve conflict. And through Foundation global and district grants, we are improving lives in a real way.

The way we work also sets us apart. We have global reach, with more than 48,000 field offices in the form of Rotary and Rotaract clubs. We emphasize good stewardship of your funds and efficient implementation of your projects. And we always aim for sustainable solutions.

During the 2022-23 Rotary year, the Foundation awarded 1,098 global grants. If you think of what a single grant can do, you begin to grasp the scale of our work and the magnitude of our impact — an impact people can see and feel in their daily lives.

Our district supported a global grant project that focused on basic education and literacy in Malawi, where we helped train 38 teachers who are responsible for 4,000 students. We also built two toilets and installed a pump, so they had water for drinking and hand washing.

I will never forget that when Esther and I visited the school, a young boy pointed to my Rotary pin, recognizing it from other volunteers who wore their pins during the project. He said, "I know you helped me. I won't be able to travel to thank the others who helped me, so please thank them for me."

So thank you, Rotary, on behalf of a child in Malawi whose future you made a little brighter, and on behalf of thousands of others you have helped by supporting The Rotary Foundation.

Message from the Club President

Rtn. Ilah Marie L. Labrador, PHF

Good evening, fellow Rotarians and to the supportive Spouses. Thank you for your presence tonight.

We had an interactive and informative activity last meeting as we heard necessary information about the shared responsibilities of an employer and employee and other legal aspects. The topic was timely, beneficial and of big help in managing the business. Our special thanks to Atty. Romelli Juliano for her time and effort in sharing that information.

On November 18, 2023, aside from the Foundation Night in Davao City, the Area 3H Rotary Clubs will be having the Mental Health Skills Workshop from 8:00 am to 5:00 pm at the Department of Education Conference Room, DepEd South Cotabato Division Office, Alunan Avenue, City of Koronadal. The participants were Guidance Counselors and School Heads. I am inviting and encouraging the members to attend and witness the said activity.

For some updates, the Governor's Night on December 1, 2023, will be held at the Maya Hall, Cinco Niñas, City of Koronadal at 6:00 in the evening. The attire will be Barbie and Ken-themed pink or blue (smart casual). Since the venue is advantageous to us, I am encouraging the members to join us at the said celebration. This is another opportunity to meet and greet Rotarians and Spouses in Areas 3FGH after the July and August 2023 club inductions. Kindly list or indicate your names in the list posted in our group chat or you may direct message me.

Thank you once again for this wonderful night and I look forward for your active participation in future Rotary projects and events.

The Secretary's Report

Rtn. Janine C. Pring, PHF

1. First of all, let us greet and extend our wishes to Spouse Dr. Gigi Dajay who celebrated his birthday today.
2. Thank you to Prexy Ilah Labrador as she actively attended the Areas 3FGH Committee Meeting (ACoM) last November 11, 2023 at Altori Bistro, General Santos City. The agenda during the said meeting was the Governor's Night and the ACoM Christmas Party.

3. Our 2nd batch donations (pre-loved clothes) for the victims of the landslide at Lower Ladol, Barangay Assumption, City of Koronadal was delivered yesterday at the Women's Health and Protective Service Center since the evacuees were already back in their respective areas. Thank you to all the donors.
4. I am encouraging the members to join us in attending the Rotary International Convention in Singapore on May 25-29, 2024. The travel coverage as campaigned in our group chat is from May 24 to May 31, 2024. There were already 12 Rotarians/Spouses confirmed to attend. Aside from attending the RI Convention, this is also our chance to visit our sister clubs in Singapore and probably in Johor Bahru, Malaysia. Please message me if you need some assistance or clarification on this matter.
