Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated

When all you see is poverty and misery

When you are bored and discontented

And your days seem cold and dreary

It's time to get up, move on, and make new friends

The joy of serving others

Is felt by each Rotarian

Come take your place under the sun

Join us and have so much fun

If you want to be happy

Join Rotary

If you want to be loved

Embrace Rotary

If you want peace and harmony

Serve with Rotary

Is it the TRUTH?

Is it FAIR to ALL concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to ALL concerned?

Inspiring Quote

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous "Most Outstanding Club awards" in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3860 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self' and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 43 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration in helping to change lives and creating hope in the world!

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel (now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'lok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based – Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

MARCH 2024

R. Gordon R. MacInally
RI President 2023-2024

There are many pathways to peace, and in Rotary, we are fortunate to have Rotary Peace Fellows who demonstrate this truth time and again.

Each year, Rotary awards up to 130 fellowships for leaders around the world to study peace and development, and what these peace fellows learn prepares them to work in conflict prevention and resolution and promote Positive Peace. Here are a few examples of the creative ways peace fellows advance peace:

Promoting sustainability

Alejandra Rueda-Zarate combined her Rotary Peace Fellowship in peace and conflict resolution with her master's degree in energy and resources to support her dream of protecting the Colombian countryside. She founded the organization NES Naturaleza in 2011 to help farmers in Colombia and across rural Latin America gain access to knowledge and training to uphold sustainable farming standards. That support has improved the lives of nearly 4,500 farmers, inspiring many of them to become entrepreneurs. And it's helped promote both natural and social sustainability throughout Latin America.

Ending racism

Peace fellows Geoffrey Diesel and Kathy Doherty have applied their fellowships in peace and development studies toward co-founding the Racial Equity Project, a subcommittee of Rotary Positive Peace Activators in North America committed to studying ways to create a more peaceful society through anti-racism efforts. The Racial Equity Project takes a deep look into how the eight Pillars of Positive Peace could support efforts to address racism, and it works to spread this message to communities across North America. The organization initially grew from Rotary's strategic partnership with the Institute for Economics and Peace, a global think tank dedicated to promoting Positive Peace.

Managing disasters using data

Through a Rotary Peace Fellowship, Jamie LeSueur earned a master's degree in social science within peace and conflict research. He now leads emergency operations for the International Federation of Red Cross and Red Crescent Societies, setting a management and operational framework for agency collaboration in emergency response situations.

Jamie has found that research data is a powerful tool to bring calm to the complex world of disaster response. No matter what an organization's protocols might entail, letting research be the foundation for decision making helps clarify even the most complicated emergencies.

These stories — and hundreds like them — show how Rotary is creating a generation of leaders ready and able to build peace worldwide. Nearly 1,800 peace fellows have graduated from Rotary Peace Centers, and they are applying their craft in more than 140 countries.

May the continuing work of peace fellows and the Rotary members who support them inspire you to continue to *Create Hope in the World* through service, fundraising, and creative thinking.

Trustee's Chair Message

Barry Rassin

March 2024

Rotary's focus turns to two themes this month. March is Water, Sanitation, and Hygiene Month, and we celebrate World Rotaract Week 11-17 March. Both WASH and Rotaract are near and dear to me.

Clean water, basic sanitation, and proper hygiene are fundamental human rights, yet a staggering 2.2 billion people still lack access to safe drinking water.

We're taking action. Over the past decade, your Rotary Foundation has invested more than \$180 million in over 2,500 water and sanitation projects worldwide. Rotary is on the ground making a difference through global grant-supported projects funded by your contributions to the Foundation.

But Rotary can't do it alone. We have partnered with organizations like USAID to deliver large-scale solutions. The Rotary-USAID Partnership has helped thousands access water and sanitation services in the Dominican Republic, Ghana, the Philippines, and Uganda.

Our Foundation is the connector for other water partnerships, too. This was the case when I worked with leaders from Rotary District 7020 to set up the Haiti National Water, Sanitation, and Hygiene Initiative, known as HANWASH. Foundation grants continue to play a critical role in our strategy of working with nongovernmental organizations, municipalities, and government agencies in communities throughout Haiti.

Rotary efforts to connect people with clean water go beyond providing a basic necessity. We are paving the way for healthier communities and brighter futures, and doing so in a sustainable manner. With access to water, communities enhance education levels, improve health, and further development.

When we talk about partnerships, we can't forget our closest ally, right here in the family of Rotary: Rotaract. The engagement, energy, and ideas of Rotaract complement the experience of Rotary clubs and increase our collective impact.

Yet many Rotary members still do not know that, as of 2022, Rotaract club activities can be included in district grants, and they are eligible for global grants, expanding avenues for collaboration.

I encourage all Rotary and Rotaract clubs to foster closer collaboration and engagement in our Foundation, whether it's rolling up their sleeves on a project or giving.

We all know that in Rotary, great opportunities are always around the corner. When you combine water and sanitation projects, Rotaract, and the Foundation, all will become a big part of your life, as they have in mine — and not just this month, but forever.

Message from the Club President

Rtn. Ilah Marie L. Labrador, PHF

Good evening fellow Rotarians and to the supportive Spouses!

I would like to extend my congratulations to our incoming Assistant Governor for Area 3H and Past President Evelyn Tampus for the successful completion of the Assistant Governor Training Seminar (AGTS) conducted on March 8-9, 2024, at Cebu Golden Prince Hotel. This training was led by District Governor-Elect Caroline Andrade and supported by the District Training Team. We applaud their dedication and wish them the best of luck as they step into leadership roles for the Rotary Year 2024-2025.

Additionally, President-Elect Janine Pring and President-Nominee/Secretary June Fresco are scheduled to undergo training on April 11-12, 2024, in Dumaguete City. We also extend an invitation to the incoming club officers to participate alongside our future club officers for enhanced learning opportunities.

Kindly remember the invitation from PP Mark Bantug and Spouse Beth for the inauguration of their new business establishment in Isulan, Sultan Kudarat (located across from Jollibee Isulan branch). The event is scheduled for Saturday, March 16, 2024, at 11:00 AM. Let us come together as a Rotary family to show our support for their new venture.

In conclusion, I appreciate your presence this evening. It is truly heartening to witness everyone enjoying our weekly meetings. Your dedication in terms of time, effort, and financial support is deeply valued.

God bless us all!
