Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated

When all you see is poverty and misery

When you are bored and discontented

And your days seem cold and dreary

It's time to get up, move on, and make new friends

The joy of serving others

Is felt by each Rotarian

Come take your place under the sun

Join us and have so much fun

If you want to be happy

Join Rotary

If you want to be loved

Embrace Rotary

If you want peace and harmony

Serve with Rotary

Inspiring Quote

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous "Most Outstanding Club awards" in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3860 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self' and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 43 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration in helping to change lives and creating hope in the world!

Club History

DECADES OF SERVICE ABOVE SELF

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel (now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'lok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based – Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

APRIL 2024

R. Gordon R. MacInally
RI President 2023-2024

These are times that cry out for peace. The Middle East is in its most volatile condition in years. The war in Ukraine is the largest in Europe since World War II, and there are armed conflicts in Sudan and parts of Central Africa. Nearly every continent is experiencing a major armed conflict.

Rotary has a vital role to play in advancing the cause of peace — I often say Rotary needs to work toward peace as aggressively as those who wish to wage war. It's the spirit found in our vision statement: "Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves." We must never lose track of that last call — that to bring about change in the world, we need to foster change within.

It is up to us to model peacebuilding behavior among each other. We can do better than questioning the motives of one another and jumping to the harshest possible explanation. After hearing words that might strain or offend us, we have an opportunity to ask, with compassion and curiosity, the intent of those offending words. And then we have another opportunity to repair the breach.

If we wish to be a beacon to the world, let us start by being so to one another. Let's help each other find greater understanding and productive alternatives to words that cause hurt and distrust. And let's stick to our principles, but never doubt the sincerity of each other to end conflicts, not inflame them.

I'm reminded of a speech that U.S. Senator Robert Kennedy made on 4 April 1968, that dreadful day when the Rev. Martin Luther King Jr. was assassinated. Kennedy was in Indianapolis speaking to an audience in a predominantly African American neighborhood where people had yet to learn that Dr. King had been killed.

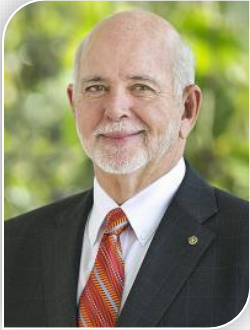

He shared the terrible news. He honored Dr. King for all he had done for the cause of justice and peace. And then he connected with the fuming, grieving crowd by saying: "For those of you who are Black and are tempted to be filled with hatred and distrust at the injustice of such an act, against all white people, I can only say that I feel in my own heart the same kind of feeling. I had a member of my family killed." It was the first time he had spoken publicly about President John F. Kennedy's assassination. And while many American cities exploded in violence that night, Indianapolis did not.

It is in times of crisis and despair that we need empathy most of all. Empathy is the most powerful tool of peace, and it is vital if we are to take the first brave, humble steps to *Create Hope in the World*.

Trustee's Chair Message

Barry Rassin

April 2024

For many, the Bahamas is a place to escape colder climes, relax on white-sand beaches, and snorkel in clear, turquoise waters. For me, it's home. I grew up sailing on these waters and to this day, anytime I can, I am out on the water with family and friends. It's where my heart is.

The environmental threats my country is facing are real. Our coral reefs, vital for biodiversity, are in danger due to warming seas and pollution.

Hurricanes and tropical storms seem to get more intense with each passing year. Rising sea levels pose an existential threat to the Bahamas, eroding our beautiful coastlines as saltwater intrudes on our precious and limited freshwater resources.

Late last year, I was fortunate to represent Rotary at COP28, the United Nations climate change convention in Dubai, United Arab Emirates. The consensus coming out of the meeting was that progress on addressing climate change has been too slow. Participants said the world needs to pick up the pace to reduce greenhouse gas emissions, help communities become more resilient to climate change, and better support countries that are most vulnerable to it. Rotary can be part of the solution.

As you know, protecting the environment is one of Rotary's areas of focus. Many clubs are active in their communities with projects such as beach and roadside cleanups. With The Rotary Foundation, you can increase your impact by pooling resources with clubs and districts around the world. Foundation grants let you put the generous contributions of your fellow Rotary members to work to make the world better.

Imagine the possibilities. Perhaps Rotary districts in Canada and Australia could protect wetlands in New South Wales in Australia. Rotary leaders from Brazil, India, and Taiwan could lead grant projects to train farmers in the Indian state of Andhra Pradesh in sustainable agriculture. Rotary and Rotaract clubs from the Bahamas, South Africa, and New York could work with their districts to help my country restore its natural resources, one reef or mangrove at a time.

The problems our environment faces seem overwhelming until you realize that many are fixable. There are so many ways to help through Rotary. Even if we don't lead a grant or volunteer on the project, we can all help protect the environment through our giving to the Foundation.

Rotary can't save the planet all by itself. But as our progress in ending polio proves, Rotary's impact is great when we put our vision for a better world in motion, and just get started.

Message from the Club President

Rtn. Ilah Marie L. Labrador, PHF

Greetings!

The District Conference 2024 is drawing near, and I urge all members to consider attending. The district has issued a challenge for all Presidents to ensure at least 10 participants from each club attend this significant event. The regular rate is in effect until April 25, 2024, with fees set at P6,500 for Rotarians and P5,500 for Spouses. If you require any assistance with registration, please do not hesitate to reach out.

Congratulations once again to PDG Bing Garcia, IAG Evelyn Tampus, President-Elect Janine Pring, and Secretary-Elect Jun Fresco from District 3860 for successfully completing and attending the DTA and PETS-SETS 2024.

We would like to express our sincere gratitude to PDG Bing Garcia, Spouse Grace Vicente, PP Jessie Cruz, and SE Janine Pring for their generous financial support that will be enabled two incoming Rotaractors to attend the Rotaract District Leadership Training (RDLT) 2024 at Hotel de Fides in Tacloban City on April 19-21, 2024.

Also, we will discuss tonight about the schedule and other preparations for the turnover of water purifiers to the selected schools. Some if not all of the items were slowly but surely delivered in Koronadal City under the care of PAG Gerry Cruz. There will be upcoming guests during the said activity thus, I wish your presence as well.

Thank you for your attendance tonight and see you all in the succeeding meetings. We have still two months ahead before the new Rotary Year.
