# THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY, OR DO:

Is it the TRUTH?

Is it FAIR to ALL concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to ALL concerned?

## OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

# Presidential Message

**Stephanie A. Urchick**  
Rotary International President 2024-25

I always walk into meetings at my home club of McMurray, Pennsylvania, with a smile on my face.

A few years ago, someone arrived late. Instead of scolding the person, we cheered. Since then, we've made it a tradition to applaud all members when they arrive for meetings. It's tough not to smile with a greeting like that.

There's nothing more powerful for engaging and retaining members than a club that's vibrant, welcoming, and — yes — fun.

Think back to what drew you to Rotary. Chances are, it wasn't just the service projects or professional networking. It was the people — the friendships, the shared laughter, and the joy of working toward a common purpose. That's what keeps us coming back.

If you're looking for that sense of joy in your meetings, don't be afraid to ask yourself and your fellow members some tough questions. If you were a prospective member, would you join your current club? It's a powerful question but don't stop there.

Do members of your club feel that they belong? Are your meetings fun? If not, what can you do about it together?

At your next meeting or event, try something new to bring out a few extra smiles. It's the simple things that create lasting bonds and make clubs simply irresistible.

Here's one example of a club moving in the right direction. The Rotary Club of Fukushima, Japan, has been combining environmental responsibility with community fun since 2021. In Japan, people have made picking up trash into a sport known as SpoGomi, and every year the club hosts a game. This year, more than 400 participants cheered each other on while they came together to improve their community.

This event is an excellent example of how Rotary clubs can have fun, make a difference, and raise awareness for broader global challenges all at the same time. And the inclusive, family-friendly format allows people of all ages to participate.

When we enjoy what we do, that energy becomes contagious. It's what attracts new members and keeps our clubs strong and engaged. It helps people feel that they belong.

Retention and culture go hand in hand. The healthier our club culture, the more likely members are to stay. Rotary magazine is an outstanding resource for inspiration on how to enhance our club culture and deepen member engagement. I encourage you to explore the stories and strategies in these pages, drawing from other clubs' successes to find ideas that work for you.

Together, we can create a more engaged, enjoyable, and inclusive Rotary that every member can feel proud to be part of. Let's continue with renewed commitment and enthusiasm, living The Magic of Rotary.

# *Message from the* **Club President**

**Rtn. Janine Francesca C. Pring, PHF**

First of all, I would like to extend my heartfelt thanks to President-Elect Jun Fresco for presiding over our club's meeting last January 15, 2025. I believe you have presented the agenda thoroughly and engaged our members in meaningful discussions.

Tonight, I will be providing updates on those matters and further insights into our incoming projects. I would also like to express my gratitude to all the members who supported and attended the meeting, your active participation is truly appreciated.

As we move forward, I once again ask for your presence and support during the Rotary Week activities this coming February. Your involvement will make all the difference in ensuring their success.

Additionally, we will be distributing the sponsorship letters for the 2025 Golf Tournament this evening. This event, another "Swing for a Cause," will support our club's projects, with some proceeds dedicated to helping the initiatives during the term of PE Jun Fresco.

This coming Saturday, we will also hold the Areas 3FGH "Dinner for a Cause" in celebration of Autism Month. Your support for this event is highly appreciated. A big thank you to those who have already committed, and we encourage more of you to get involved and show your support.

Thank you all for your continued commitment to our mission of service above self.

Mabuhay, RC Marbel!

# Club History

## Decades of Service Above Self

The origins of the Rotary Club of Marbel trace back to Attorney Paul Harris's vision for camaraderie among business associates, who initially convened in downtown Chicago. After rotating meeting locations, they formalized into what would become the Rotary Club - an international organization dedicated to service and fellowship, encapsulated in its motto: "Service Above Self."

As Rotary expanded globally, members pooled their talents and resources to serve their communities. Today, there are over 46,000 member clubs worldwide, comprising 1.4 million Rotarians - neighbors, friends, and community leaders - who work collaboratively to foster positive, lasting change globally.

Initially established as the sole Rotary Club in Marbel municipality (now the City of Koronadal), the Rotary Club of Koronadal identified opportunities for expansion. Under the leadership of the late Rey Tolosa, Extension Committee Chair and Past President (PP), the club aimed to establish or sponsor another Rotary club in the growing city. In mid-1979, they began recruiting young, dynamic professionals to join this new initiative.

On June 30, 1980, Rotary International (RI) approved the establishment of the Rotary Club of Marbel. Charter President, the late Gerardo Calaliman, led the club through its formative years, establishing a name synonymous with respect and prestige, emblematic of all Rotary Clubs. Over the years, the club welcomed diverse new members, irrespective of religion, gender, or political affiliation.

The club's impactful initiatives span a wide array of projects aimed at enhancing community welfare, including medical, dental, and surgical missions; literacy programs; feeding schemes; career orientation for graduating high school students; anti-bullying campaigns; "I Love English" initiatives; establishment of Adopt-a-Day Care Centers; support for the school for the deaf at Koronadal Central Elementary School 1; annual December gift-giving and feeding programs; breast cancer awareness campaigns; bloodletting activities; End Polio initiatives; and various environmental projects such as tree planting in mountain areas like Lake Sebu and Koronadal City, and coastal clean-ups along Sarangani Bay, General Santos City, and B'lok Creek, in collaboration with different national and local government and private agencies. The club actively participates in One Rotary, One District activities and area-wide projects, amplifying its impact across broader communities.

The Rotary Club of Marbel has also nurtured youth leadership through its sponsorship of the Rotaract Club of Notre Dame of Marbel University in 1988 and the establishment of the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. In 2018-2019, the club expanded its youth initiatives with the formation of the school-based Rotaract Club of Korbel and the Interact Club of Korbel. During the challenging times of the pandemic in 2021, the club pioneered the establishment of the community-based Rotaract Club of Marbel, comprising young professionals committed to service and community development.

In dedication to expanding influence and promoting collaboration for the advancement of humanity, the Rotary Club of Marbel forged sisterhood agreements with the Rotary Club of Japan and the Rotary Club of Singapore, represented by Past President Dr. Oliver Henedige. Upon Dr. Henedige's return to the Philippines, he introduced Dr. Angamuthu Rajoo, Past President of the Rotary Club of Johor Bahru (Malaysia) in District 3310, which later became a sister club. In the Rotary Year 2018-2019, a sisterhood agreement was also signed with the Rotary Club of Alabang LAMPARA through the then President, Atty. Elbert S. Cruz. In 2024, another sisterhood agreement was inked with the Rotary Club of Cheonan West from South Korea under District 3620. These initiatives signify auspicious beginnings for the relationship between the clubs.

The Rotary Club of Marbel has proudly received multiple grants from The Rotary Foundation (TRF). These include a notable Adopt-a-Harelip Project in collaboration with the Rotary Club of Johor Bahru, as well as initiatives for Vitamin A supplementation and cataract operations. Additionally, the club has benefited from World Community Service projects supported by District 2790 in Chiba, Japan. These projects encompass activities such as school building construction, feeding programs, literacy initiatives, water supply and sanitation improvements, and further cataract and harelip surgeries. In 2024, the Water for Schools Project of the Rotary Club of Cheonan West provided safe and clean drinking water to the selected schools.

In partnership with international and national medical societies, the club has organized impactful medical and dental missions serving indigent communities in South Cotabato. These efforts were recognized as the Most Outstanding Project by District 3860. Furthermore, the club has earned numerous exceptional awards, including the Rotary International Citation, underscoring its unwavering dedication to community improvement and service. These prestigious awards from Rotary International and District 3860 reflect the esteemed reputation it has cultivated within the community - an undeniable testament to achieving its goals and acknowledging its significant contributions as one of the outstanding civic organizations in the community.

Beyond its renowned service projects, the club has made significant contributions to The Rotary Foundation (TRF). A milestone was reached with the creation of its first Paul Harris Fellow (PHF), Rotarian Benjamin M. Garcia, in the Rotary Year 1994-1995. Additionally, the club takes pride in his achievement as the first District 3860 Governor from the club and served for the Rotary Year 2018-2019 under the RI Theme "Be the Inspiration." Through his generous donations to the Foundation, he became the club's first TRF Benefactor and reached Major Donor Level 2. Since then, annual contributions to TRF have become customary, leading to the club's recognition as a Paul Harris Fellow (PHF) Club in 2018 - a tradition of generosity that continues steadfastly today.

The strength of the Rotary Club of Marbel lies in each member's unwavering commitment to the motto 'Service Above Self' and in fostering a sense of unity within the Rotary Club of Marbel family. Whether celebrating successes through collaborative club projects or supporting each other during personal hardships, their bond remains resilient. Recognizing that maintaining membership retention is crucial for a strong foundation, continuous membership development ensures the club's enduring legacy.

The club takes pride in its members who are distinguished leaders not only in their respective professions or businesses but also in their passionate dedication to Rotary service, enriching the community through their diverse contributions.

Over 44 years, the club has dedicated time, effort, and resources to uplift those most in need, making a meaningful impact through countless projects benefiting the less fortunate members of their community.

The Rotary Club of Marbel demonstrates unwavering commitment to service. It remains steadfast in its mission to inspire and transform lives, showcasing the spirit of Rotary. Together, they envision a future where their service continues to make a profound difference in the world.

## Rotary Club of Marbel's Original Theme Song

(Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated  
When all you see is poverty and misery  
When you are bored and discontented  
And your days seem cold and dreary  
It's time to get up, move on, and make new friends  
The joy of serving others Is felt by each Rotarian  
Come take your place under the sun  
Join us and have so much fun

If you want to be happy Join Rotary  
If you want to be loved Embrace Rotary  
If you want peace and harmony  
Serve with Rotary  
The Rotary Club of Marbel  
Our Home, Our Passion, Our Family  
All for the service of humanity  
Rotary Club of Marbel  
Rotary Club of Marbel  
Rotary!
