THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY, OR DO:

Is it the TRUTH?

Is it FAIR to ALL concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to ALL concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Invocation

Heavenly Father, we come before You with hearts full of gratitude and praise. Thank You for Your continued guidance and blessings. We are especially thankful for the success of our recent Golf Tournament. It was through Your grace and the support of our generous community that we were able to raise funds for the projects that will benefit so many.

Lord, we lift up to You Project Agos and all the upcoming endeavors of the Rotary Club of Marbel. We ask for Your wisdom and strength as we work together to make a positive impact in the lives of those who need it most. May our efforts continue to inspire and bring hope to our community.

We pray for Your continued protection, guidance, and blessings on all our Rotarians, their families, and our generous sponsors. May we always work with compassion, integrity, and a spirit of service.

In Your name, we pray. Amen.

Those who don't believe
in magic will never find it.

Presidential Message

Stephanie A. Urchick Rotary International President 2024-25

March is here, and for Rotary International, that means celebrating Water, Sanitation, and Hygiene Month — a time to shine a spotlight on one of the most transformative areas of our work.

This month is an opportunity to reflect on The Magic of Rotary and the profound impact we create when we come together with determination and purpose.

Years ago, I experienced this magic firsthand in the Dominican Republic. When a group of members helped people install water filters, three children watched with amazement as dirty water entered one end of a filter and clean water emerged from the other. When we paused the demonstration, one child tugged at my sleeve and pleaded, “Show me the magic again.”

To them, it felt magical. It was also the result of countless hours of effort — planning, transporting, and installing the filters — alongside local partners who were dedicated to making clean water accessible. In that moment, I realized that what seemed like a small act could change residents’ lives. That is The Magic of Rotary.

This story is a testament to the incredible potential of our global family to create change. Water projects exemplify our reach, our partnerships, and our unwavering commitment to improving lives. Consider Rotary’s work with USAID. That partnership has enabled us to work with communities and governments to improve access to sustainable water and sanitation services for thousands of people in the Dominican Republic, Ghana, the Philippines, and Uganda.

Partnerships remind us that Rotary’s impact is amplified when we work together. Through our strategic alliance with the United Nations Environment Programme, we’re advancing the Community Action for Fresh Water initiative. This program equips Rotary members with the tools and resources to protect, restore, and sustain freshwater ecosystems.

When we make use of Rotary grants and advocate for clean water in our communities, we create a ripple effect that extends far beyond individual projects.

As we embrace the spirit of the month, I encourage every Rotary member to seek out new partnerships. Collaboration multiplies our efforts and helps us reach more people in need.

Whether it’s joining forces with local organizations, forming alliances with international agencies, or mobilizing your community, every step we take together brings us closer to a world where everyone has access to clean water and safe sanitation.

The Magic of Rotary shines brightest when we work in harmony with others to create lasting good. Together, we can turn dreams into realities that transform lives and communities. The result may feel like magic at times, but we know it’s from the power of our collective commitment and compassion. Let’s harness this magic to make a difference this month and beyond.

Message from the **Club President**

Rtn. Janine Francesca C. Pring, PHF

I would like to extend my heartfelt thanks to each and every one of you for your wholehearted support in making the Golf Tournament 2025: Swing for a Cause such a remarkable success. Whether through your active participation, generous sponsorships, or tireless efforts in the preparation and execution of the event, you have all contributed to its success. Your dedication to our cause is truly inspiring, and we couldn't have achieved this without you. Thank you from the bottom of my heart.

As we move forward, our focus now shifts to the implementation of our District Grant Project, Project Agos, a much-needed water access initiative for Barangay Assumption in the City of Koronadal. The project is expected to be completed by March 30, 2025, allowing us to submit our liquidation to the District. This initiative, like all our efforts, will have a lasting impact on the lives of the people we serve, and we are excited to see it come to fruition.

Additionally, we continue our partnership with the Rotary Club of Singapore, working together on Project Bulig-Sidlak to utilize donated funds for building a more conducive classroom for the pupils. The project is underway on its preparation and timetable related to this was already set.

Looking ahead, I would like to remind you that the PELS-SELS and DTA are fast approaching this April 3-5, 2025, at Bai Hotel Cebu, Mandaue City, Cebu. Along with this, we are preparing for the DISCON 2025. These events are important for the growth and strengthening of our club and Rotary's global impact, and I encourage your presence and participation.

Finally, I would like to extend my heartfelt congratulations to Rtn. Vicky Tan, who has been selected and showed her commitment as our President-Nominee for the Rotary Year 2026-2027! Indeed, RC Marbel had a strong Leadership Continue Plan.

Thank you once again and I am truly grateful for each one of you.

The Secretary's Report

We had not only a productive but also an enjoyable regular meeting last week, as the house was full of guests and friends of Rotary. The photo below captures the vibrant atmosphere and the wonderful fellowship we shared during the event.

Club History

Decades of Service Above Self

The origins of the Rotary Club of Marbel trace back to Attorney Paul Harris's vision for camaraderie among business associates, who initially convened in downtown Chicago. After rotating meeting locations, they formalized into what would become the Rotary Club - an international organization dedicated to service and fellowship, encapsulated in its motto: "Service Above Self."

As Rotary expanded globally, members pooled their talents and resources to serve their communities. Today, there are over 46,000 member clubs worldwide, comprising 1.4 million Rotarians - neighbors, friends, and community leaders - who work collaboratively to foster positive, lasting change globally.

Initially established as the sole Rotary Club in Marbel municipality (now the City of Koronadal), the Rotary Club of Koronadal identified opportunities for expansion. Under the leadership of the late Rey Tolosa, Extension Committee Chair and Past President (PP), the club aimed to establish or sponsor another Rotary club in the growing city. In mid-1979, they began recruiting young, dynamic professionals to join this new initiative.

On June 30, 1980, Rotary International (RI) approved the establishment of the Rotary Club of Marbel. Charter President, the late Gerardo Calaliman, led the club through its formative years, establishing a name synonymous with respect and prestige, emblematic of all Rotary Clubs. Over the years, the club welcomed diverse new members, irrespective of religion, gender, or political affiliation.

The club's impactful initiatives span a wide array of projects aimed at enhancing community welfare, including medical, dental, and surgical missions; literacy programs; feeding schemes; career orientation for graduating high school students; anti-bullying campaigns; "I Love English" initiatives; establishment of Adopt-a-Day Care Centers; support for the school for the deaf at Koronadal Central Elementary School 1; annual December gift-giving and feeding programs; breast cancer awareness campaigns; bloodletting activities; End Polio initiatives; and various environmental projects such as tree planting in mountain areas like Lake Sebu and Koronadal City, and coastal clean-ups along Sarangani Bay, General Santos City, and B'lok Creek, in collaboration with different national and local government and private agencies. The club actively participates in One Rotary, One District activities and area-wide projects, amplifying its impact across broader communities.

The Rotary Club of Marbel has also nurtured youth leadership through its sponsorship of the Rotaract Club of Notre Dame of Marbel University in 1988 and the establishment of the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. In 2018-2019, the club expanded its youth initiatives with the formation of the school-based Rotaract Club of Korbel and the Interact Club of Korbel. During the challenging times of the pandemic in 2021, the club pioneered the establishment of the community-based Rotaract Club of Marbel, comprising young professionals committed to service and community development.

In dedication to expanding influence and promoting collaboration for the advancement of humanity, the Rotary Club of Marbel forged sisterhood agreements with the Rotary Club of Japan and the Rotary Club of Singapore, represented by Past President Dr. Oliver Henedige. Upon Dr. Henedige's return to the Philippines, he introduced Dr. Angamuthu Rajoo, Past President of the Rotary Club of Johor Bahru (Malaysia) in District 3310, which later became a sister club. In the Rotary Year 2018-2019, a sisterhood agreement was also signed with the Rotary Club of Alabang LAMPARA through the then President, Atty. Elbert S. Cruz. In 2024, another sisterhood agreement was inked with the Rotary Club of Cheonan West from South Korea under District 3620. These initiatives signify auspicious beginnings for the relationship between the clubs.

The Rotary Club of Marbel has proudly received multiple grants from The Rotary Foundation (TRF). These include a notable Adopt-a-Harelip Project in collaboration with the Rotary Club of Johor Bahru, as well as initiatives for Vitamin A supplementation and cataract operations. Additionally, the club has benefited from World Community Service projects supported by District 2790 in Chiba, Japan. These projects encompass activities such as school building construction, feeding programs, literacy initiatives, water supply and sanitation improvements, and further cataract and harelip surgeries. In 2024, the Water for Schools Project of the Rotary Club of Cheonan West provided safe and clean drinking water to the selected schools.

In partnership with international and national medical societies, the club has organized impactful medical and dental missions serving indigent communities in South Cotabato. These efforts were recognized as the Most Outstanding Project by District 3860. Furthermore, the club has earned numerous exceptional awards, including the Rotary International Citation, underscoring its unwavering dedication to community improvement and service. These prestigious awards from Rotary International and District 3860 reflect the esteemed reputation it has cultivated within the community - an undeniable testament to achieving its goals and acknowledging its significant contributions as one of the outstanding civic organizations in the community.

Beyond its renowned service projects, the club has made significant contributions to The Rotary Foundation (TRF). A milestone was reached with the creation of its first Paul Harris Fellow (PHF), Rotarian Benjamin M. Garcia, in the Rotary Year 1994-1995. Additionally, the club takes pride in his achievement as the first District 3860 Governor from the club and served for the Rotary Year 2018-2019 under the RI Theme "Be the Inspiration." Through his generous donations to the Foundation, he became the club's first TRF Benefactor and reached Major Donor Level 2. Since then, annual contributions to TRF have become customary, leading to the club's recognition as a Paul Harris Fellow (PHF) Club in 2018 - a tradition of generosity that continues steadfastly today.

The strength of the Rotary Club of Marbel lies in each member's unwavering commitment to the motto 'Service Above Self' and in fostering a sense of unity within the Rotary Club of Marbel family. Whether celebrating successes through collaborative club projects or supporting each other during personal hardships, their bond remains resilient. Recognizing that maintaining membership retention is crucial for a strong foundation, continuous membership development ensures the club's enduring legacy.

The club takes pride in its members who are distinguished leaders not only in their respective professions or businesses but also in their passionate dedication to Rotary service, enriching the community through their diverse contributions.

Over 44 years, the club has dedicated time, effort, and resources to uplift those most in need, making a meaningful impact through countless projects benefiting the less fortunate members of their community.

The Rotary Club of Marbel demonstrates unwavering commitment to service. It remains steadfast in its mission to inspire and transform lives, showcasing the spirit of Rotary. Together, they envision a future where their service continues to make a profound difference in the world.

Rotary Club of Marbel's Original Theme Song

(Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
When all you see is poverty and misery
When you are bored and discontented
And your days seem cold and dreary
It's time to get up, move on, and make new friends
The joy of serving others Is felt by each Rotarian
Come take your place under the sun
Join us and have so much fun

If you want to be happy Join Rotary
If you want to be loved Embrace Rotary
If you want peace and harmony
Serve with Rotary
The Rotary Club of Marbel
Our Home, Our Passion, Our Family
All for the service of humanity
Rotary Club of Marbel
