Dinner and Fellowship

# INVOCATION

---

Almighty and loving God, we are grateful for all the blessings which you have given us, especially the health and happiness in our homes, and the fellowship of our gatherings.

Give us knowledge and wisdom as we go through various discussion about club goals and future plans.

Please make our gathering more fruitful and meaningful.

Bless our fellow Rotarians and each of our families, friends, and colleagues.

May your Holy presence surround us tonight and bring back the glory and honor to you. In Jesus name we pray,

**A M E N**

## Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST** The development of acquaintance as an opportunity for service;

**SECOND** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## The Four-Way Test

of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## ROTARY INFORMATION

Rotary International's monthly theme for April is Maternal and Child Health!

Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, Rotary provides immunizations and antibiotics to babies, improves access to essential medical services, and supports trained health care providers for mothers and their children.

Rotary's projects ensure sustainability by empowering the local community to take ownership of health care training programs. Maternal and Child Health Care is also recognized as one of Rotary's Six Areas of Focus.

### HOW ROTARY MAKES HELP HAPPEN

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

DG Rozanne “Twinkle” C. Gamboa  
Rotary Year 2023-24  
Rotary Club of Downtown Davao  
Rotary International District 3860

Greetings!

Congratulations to the Club Officers of the Rotary Club of Matina Davao for the Hope-Creating Rotary Year 2023-2024.

As we embark on a new Rotary Year, we will be energized by a renewed spirit to sound in the world. We have set our District Goals as guided by the Rotary Citation.

We emphasized some innovations, such as updating our Club Constitution and By-laws to improve the basis of our Governance in the Club. With a uniform set of rules as suggested by Rotary International, we will be confident that it is attuned to the intent of our highest governing body.

Another new program is our service project on mental awareness entitled, Breaking the Stigma. In a world full of complex things, primarily upon the influence and interventions of social media, our members would be vulnerable to information overload that are sometimes inadequately processed. These may even result in a disturbed mind. As a response, our Rotary International President, R Gordon R McNally, suggests putting awareness on mental health awareness at the Club level and treating it like any other disorder, which accordingly may be rightfully addressed if anticipated and detected.

There are a lot more of these innovations. Still, our organization, Rotary International, has always trusted our Club leaders to do what they think is appropriate regarding culture and environment. We Filipinos have this natural talent to understand and address things surrounding us.

So as we begin with a new set of Club leaders, it is always in my prayers that success will always be the guiding word as we embark on our volunteer work of serving above ourselves.

I wish the new Club Officers the best of luck and always be mindful that your District is always here to support you with all you do.

## PRESIDENT's MESSAGE

*By: Pres. Jay Ian A. Molde*

It is my honor to welcome each and every one to RY 2023-24!

I am very excited to be at the forefront of this Journey as your President. But any feat cannot be acquired alone. Everyone is called to pitch in, not just in resources but more importantly their time as fellow Rotarians of this club. With the entry of our new members from the different classification, we further strengthen our club and move to provide more impactful programs to the community we serve in.

With this, I enjoin everyone to walk with me in this exciting year. Together, let us solidify our presence in our community, enjoy each other's presence in fellowship and build lasting friendship.

As we charge every new member, I wish to remind each one as well, FOR IN ROTARY...

The basis of membership is classification.  
The joy of membership is fellowship.  
The object of membership is attendance.  
The honor and privilege of membership is ours.

Let's have a great RY 2023-24!!!!

Good luck to us all!
